These rights can not be taken away, includes the right to make informed decisions around one's own health and wellbeing, and also includes freedom of speech in mainstream media and social media with censorship being unlawful and a chargeable offence unless there is proof of a crime of violence or harm.

15. That backdated to nineteenth day of July in year of 2024 speeding and parking and property fines can only be charged where a crime of harm against another individual

can be proven, and the people are now informed that speeding and parking and property fines are not enforceable unless a crime of harm has been committed, and this will stop intentional revenue making off the people. That the police are re-established as peace officers and councils and the courts of New Zealand return to serving the people and preventing harm rather than revenue making.

16. That backdated to nineteenth day of July in year of 2024 that all past student debt is cancelled and we want our professional kiwis coming back from overseas, and all past taxes owed are wiped so that all individuals have a clean slate from this day. That it is a priority to help New Zealanders into owning their own home and encourage money saved on taxes to be saved as a deposit for a home where the NZ government will find ways to increase home ownership where funding options are being explored. That it is announced that the ASB Bank donates six billion dollars of funding towards a housing fund for first home buyers and we encourage other banks to do likewise. That as this occurs We will release further funds for home ownership plus upgrading infrastructure so that all the people of New Zealand have access to have their basic needs met.

17. Communication- that every household and individual has the means of communication for his/her essential needs and to communicate with their loved ones wherever they be in the world, where there is a limit on profit margin of the providers to maximum of 20% mark up for monthly charges. where financial assistance is granted and services provided within six months from nineteenth day of July in year of 2024 to have a communication service set up for every household with minimum requirement being a landline and internet access.

18. Energy – that every household and individual living in New Zealand have access to power/fuel/energy/lighting/heating/transportation/communication near the cost of producing it with a limit on profit margin of the providers to maximum of 20% mark up, where there is transparency of the costs and mark ups for full accountability and prevent harm and extortion plus full and complete transparency of impact on environment where previous decisions have been money and control driven rather that the best interests of the people and the environment. An example here is electric cars where lithium batteries have a very high cost to the environment and this information is being covered up due to other agendas of controlling the movements and whereabouts of people, plus we have unlimited resources of oil underneath and near New Zealand that can be utilised where one major goal should be tapping into this and re-establishing oil refineries in New Zealand. That from nineteenth day of July in year of 2024 the government heads work in partnership with Us to return energy assets back into the hands and ownership of the people, and implement controls immediately to limit profit margin to twenty percent on energy products and services.

19. Water – that every household and individual living in New Zealand have the access to free pure clean drinking water with individuals having the right to choose of putting additives into his/her own drinking water, that no government or corporation has the right to add anything into the water unless 100% consensus through a vote on behalf of every man and woman living in New Zealand. We stand against any additives going into the water which means that 100% consensus can never be achieved.

20. That Diana Sarfati is now added as individual and representative of ministry of Health and she, Nicola Willis, Christopher Luxon, Shane Reti, and Lester Levy demanded that it be released in the media that the covid-19 mandates are fully removed due to my unrebutted High Court evidence provided at the time of the Mandates that the vaccines were neither safe or effective and all licenses and jobs reinstated with immediate effect. That this will help solve the health crisis of insufficient clinicians to provide health services, and that if this does not occur by 6 September 2024 there will be consequences on the individuals Nicola Willis, Christopher Luxon, Shane Reti, and Lester Levy and Diana Sarfati where they will be held fully accountable for the harm that has occurred as a result of non-action.

21. That on 24 July 2024 We addressed the four goals addressed by Shane Reti and Chris Luxon released in the media on Monday 23 July 2024 to be implemented through Commissioner Lester Levy. I declare as the Lawful Chief over the corporation Health New Zealand that the third and fourth goal are Big Pharma driven and money driven not health driven where the inalienable rights have been restored back of every man and woman to have full disclosure of information and the right to choose. We instructed that full information be released that same week to the public of the full ingredient list in the cancer drugs, the profit mark up and the success rate of each drug where all alternative cancer treatment be released with the same information that men and women can make informed choices and choose what is best for them. The same information is also required to be released to the public for every vaccine for full disclosure of contents in each vaccine and if MRNA has been added to other vaccines as well as covid vaccines, the profit margin markup and full research and statistics to the safety and effectiveness. Decisions around health and wellbeing will now be health driven by individual men and women not big pharma or corporation profit driven or control, that Shane Reti, Chris Luxon and Lester Levy and Diana Sarfati have until 6 September 2024 to implement this.

22. In event of non action and dishonouring of Our instructions to be implemented by 6 September 2024 We hold the lawful right to seize assets and place commercial lien over every debtor listed plus and ministers or commissioners and the corporations they represent who try and obstruct the actions of takeover and accountability and pay out or obstruct media coverage.

23. That SUMMARY JUDGEMENT is now in place from 20 August 2024 for liquidation or takeover of WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS with also having the lawful right to seize assets off the parent company NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY and any other successor corporations and it is a criminal offence for all of the corporations to not have informed their insurance bond companies of the debt outstanding with commercial liens now going against Murray John Holyoake and Fiona McTavish and Mark Butcher as the representatives of these corporations.

24. That on 19 September 2024 if all corporations and their representatives remain in dishonour full seizure and takeover of all debtor corporations and individual and corporation debtor assets will occur from that date. We provided the New Zealand government a way to save face and work in partnership with Us in the best interests of the people and the country, yet Summary Judgement was ignored and payment not received and the national debt was not paid off, so with full lawful rights We will step in and takeover the corporations HEALTH NEW ZEALAND, ASB BANK, ASB HOLDINGS

All Rights Reserved

and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS and all listed debtor corporations with the lawful right to seize all assets to be used for the best interests of the people of New Zealand, and this is now in process of being implemented..

25. That Nicola Willis, Chris Luxon, Shane Reti and Lester Levy and Diana Sarfati are provided with one further opportunity to set up a meeting with me Janine prior to 6 September 2024.

26. That penalty ten percent per week accruing interest continues for all outstanding debts where We have full lawful rights for payout and seizure of assets off the corporations and individuals and when We are paid out We intend to invest these funds back into New Zealand for the benefit of all New Zealanders with a high priority of the health and wellbeing plus housing of every New Zealander plus sustainable living and ongoing producing of wealth and sustainable economy and social programmes for disadvantaged/vulnerable with goal of hand up, not hand out with principle of teaching a man to fish to feed him for life rather than give him fish and create dependence, and in the event of non-payment further penalties keep applying with the lawful right to take over all corporations in default of payment on nineteenth day of September where the claim is for over sixteen trillion dollars at that time. The individuals and debtors have the opportunity to work in partnership with Us to take full responsibility to remove actions of harm towards the people of New Zealand and the land of New Zealand including the covid-19 vaccine, the air, water and plant and animal life and welfare where they will work with Janine to ensure that decisions going forward are in the best interests the health, wealth and wellbeing of all New Zealanders, or if continuing in dishonour will be removed and replaced.

27. That the four Bill ledgers are attached showing the current outstanding debts owed as of 23 August 2024 also showing what will be owed on 19 September 2024 in event of non-action and non-payment..

I, Janine of the House of Arabella and Walters, certify on my own unlimited commercial liability that I have read the above 27 points of this NOTICE OF IMMEDIATE SUMMARY JUDGEMENT and NOTICE OF LIABILITY and NOTICE OF TAKEOVER OF ALL ASSETS of LISTED DEBTORS plus attached four True Bill Ledgers dated 23 August 2024 associated with the four Admiralty Statements of Claim and do know the contents to be true, correct, complete, the truth, the whole truth and nothing but the truth and do believe with private first-hand knowledge and understanding "So-help-me God" with the right to correct any honest made errors or mistakes.

lawful right to seize and claim off either the parent or successor corporations or any other corporation or individual that assets are transferred or sold to.

To all Debtors, Ministers, Officers and appointed Commissioner with accountability and commercial liability:

1. That due to non rebuttal and non payment by 5pm on nineteenth day of July 2024 We have already received lawful summary judgement against HEALTH NEW ZEALAND and ASB BANK and ASB HOLDINGS and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS on twentieth day of August 2024 plus all the individuals and officers and directors representing each of the corporations plus all the listed debtor corporations and individual officers representing on pages one and two of this document had until nineteenth day of September 2024 to rebut or make payment and no rebuttal or payment was received from any of the debtors so with full lawful right Janine the claimant on behalf of every man, woman boy and girl living in the land known as the colony of New Zealand Janine steps in with immediate effect as the Commander and chief of every debtor corporation and any regency or successor corporation and their officers set up to replace them as Commander has control over all the assets as the new lawful and legal owner where the officers must obey orders given by her.

2. That the first Admiralty Statement of Claim with Immediate Summary Judgement obtained and stamped by the High Court on 19 July 2024 where the commercial liens against the corporation Health New Zealand and its officers were over 90 days in default. With true lawful right Janine stepped in as the Commander of the corporation and any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability with the following charges against Health New Zealand and it's officers and directors plus all other debtors listed on pages one and two of this document with liability due to non rebuttal by 20 June and 19 September 2024. The charges are failure to provide a safe place for the Claimant Janine to work then terminating her employment, plus failure of duty of care of DHB staff towards Claimant Janine's daughter who died under the care of the District Health Board who are now known as Health New Zealand, plus failure of duty of care towards co-ercing staff and the people in land known as the colony of New Zealand to take an experimental vaccine with evidence that one of risk factors is death and failure to record severe adverse events and deaths and failure to offer other treatment protocol removing people's rights to choose and loss of livelihood through mandates with liability for all harm caused. The claim of harm was one million dollars for every man, woman boy and girl harmed through the actions of officers working within Health New Zealand with evidence presented to the High Court of New Zealand in March 2024 of around 80,000 claims of severe adverse events or deaths or loss of livelihood through the covid-19 mandates with the right to add further charges once the true figures are known. The commercial lien put in place through the Personal Property Security Register and Universal Commercial Code for the High Court Admiralty Summary Judgement Claim amount on 18 April 2024 being $80,451,481,438 with instructions provided from that time to the Chief Executive Officer Margie Apa and other officers of Health New Zealand that have not been honoured and has led to penalty charges continuing to be added. On the nineteenth day of September 2024 the amount including penalty interest owed is $252,522,596,578.00 being two hundred and fifty two billion, five hundred and twenty-two million, five hundred and ninety-six thousand, five hundred and seventy eight new zealand dollars with lawful right of takeover and seizure of all assets of

All Rights Reserved

the individuals plus all debtor corporations with accruing ten percent weekly interest continuing until paid out in full and until each claim of harm has been addressed. As the Commander of all debtor corporations Janine orders the Reserve Bank of New Zealand and New Zealand Treasury to make immediate payment of two hundred and fifty-two billion, five hundred and twenty-two million, five hundred and ninety-six thousand, five hundred and seventy eight new zealand dollars upon receipt of this order document in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga, where Janine as Commander is the new lawful and legal owner and the officers must obey orders given by her, and Janine as Commander takes immediate control over all the assets of Health New Zealand until all actions and charges of harm addressed.

3. That the second Admiralty Statement of Claim with Immediate Summary Judgement obtained and stamped by the High Court on 19 July 2024 where the commercial liens against the corporations ASB BANK AND ASB HOLDINGS and its officers were over 90 days in default. With true lawful right Janine stepped in as the commander of the corporation with the following charges against ASB BANK and ASB HOLDINGS and any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability plus all associated officers Vittoria Annabel June SHORTT, Carl Roy FERGUSON, Amie Marie SMITH, Ross James Patrick BUCKLEY, Roderick Marshall CARR, David Antony Keith COHEN, Victoria Helen CRONE in his/her full private and commercial capacity then all other individuals and corporations listed on pages one and two with liability due to non rebuttal by 20 June 2024 and 19 September 2024. The Summary Judgement due on 18 April 2024 was for payment out of three billion and three million dollars for fraudulent charges related to four different mortgages plus continuing to take unauthorised funds out of Claimant's bank account and CEO Vittoria Shortt refused to inform Claimant exactly how much funds they had fraudulently and deceitfully taken out of her estate so the claimant Janine charged them the higher amount of three billion dollars as the secured party creditor and the amount owed has continued to accrue one million per month penalty fees plus ten percent weekly accruing interest with amount owed at time of 90 days in default of Commercial Lien on 18 July 2024 being $6,623,204,293.00. The Summary Judgement unrebutted charges are for unlawful and fraudulent charges plus trying to force entry into her private property plus unlawful surveillance of the claimant Janine and her property, plus participation in making every man, woman, boy and girl debt slaves and liable to pay off the national debt through individual, corporate and property taxes and are also participating in trading our trust bonds plus made us all guarantors on government and corporate loans and debts with everything in place for full private property seizure in New Zealand. 5. That the fourth Admiralty Statement of Claim has included all the debtors listed on pages one and two of this document where all debtors were provided at least three opportunities and three notices to rebut the Admiralty Statement of Claim and affidavits presented to them from the claimant Janine that he/she and the corporations that he/she represents have participated in making every man, woman, boy and girl debt slaves and liable to pay off the national debt through individual, corporate and property taxes and are also participating in trading our trust bonds plus made us all guarantors on government and corporate loans and debts with everything in place for full private property seizure in New Zealand and since no rebuttal was received by any of the debtors or defendants with the final day of rebuttal being 5pm on Thursday 19 September it is taken as tacit acceptance and silent acquiescence that he/she and the corporations that he/she represents are fully aware that this has occurred and has done nothing to stop it, so that he/she and the corporations they represent are fully liable to the one million dollar claim made on behalf of every man, woman and child living in the land known as the colony of New Zealand also known as Aotearoa with the evidence presented giving the population living in New Zealand on 31 March 2024 as 5,338,900 people. GOLDSMITH in the private and representing MINISTRY OF JUSTICE, plus any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability with accruing ten percent weekly interest continuing until paid out in full and until each claim of harm has been addressed.

6. That until paid out in full the Claimant Janine has the lawful right to take over as commander of each of the Debtor corporations listed in point 1 to 5 to ensure payment in full of the debts owed plus ensure they act in honour until each claim of harm is addressed. where Janine as Commander is the new lawful and legal owner and the officers must oboy orders given by her. The total combined value of the four true bill ledgers for four claims is $18,702,472,858,017.40NZ in writing being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand. and seventeen new zealand dollars and forty cents with ten percent per week accruing interest remaining in place until paid out in full. Oropi, Tauranga. where Janine as Commander takes immediate control over all the assets of all listed debtor corporations and individual debtors until paid out in full and until all actions and charges of harm addressed.

7. That Diana Sarfati in private and representing MINISTRY OF HEALTH was also provided the opportunity to rebut the statement that was backed up with evidence in the Admiralty Statement of claim against HEALTH NEW ZEALAND that the Ministry of Health released a statement to the public on 21 November 2021 that the covid vaccine that they were requiring all New Zealanders to take was not effective. that it does not prevent transmission, plus at this time the first covid vaccine death had been documented on an autopsy report that the officers in the Ministry of Health and Health New Zealand (previously known as District Health Boards) knew that the vaccine was neither 'Safe' or 'Effective' but continued to promote this message to try and co-erce all New Zealanders to have the vaccine, where one of the risk factors is death. As the officers within the MINISTRY OF HEALTH had knowledge that the covid vaccine was neither safe or effective then they had no lawful right to enforce the people of New Zealand to take the vaccine where one of the risk factors is death and the corporation and it's officers are therefore liable for loss of employment and licenses plus any severe adverse reaction to taking the covid vaccine plus loss of life. and in the event of non-rebuttal it is taken as tacit acceptance and silent acquiescence that he/she is fully aware that this has occurred and has done nothing to stop it, and therefore holds full accountability and commercial liability where there is a one million dollar compensation fee for any harm caused to any man, woman, boy or girl living in the land of New Zealand

These rights can not be taken away, includes the right to make informed decisions around one's own health and wellbeing. and also includes freedom of speech in mainstream media and social media with censorship being unlawful and a chargeable offence unless there is proof of a crime of violence or harm.

9. That **Diana Sarfati** and **Chris Luxon** and **Shane Reti** and **Lester Levy** were instructed as individuals and representatives of the listed Debtor corporations by 19 September 2024 to release in the media that the covid-19 mandates are fully removed due to my unrebutted High Court evidence provided at the time of the Mandates that the vaccines were neither safe or effective and all licenses and jobs reinstated with immediate effect to help solve the health crisis of insufficient clinicians to provide health services. They were also instructed to state in the media that the inalienable rights have been restored back of every man and woman to have full disclosure of information and the right to choose for their own health and wellbeing. That Big Pharma are required to inform the public of the full ingredient list in cancer drugs and all other drugs the profit mark up and the success rate of each drug where all alternative treatment options be released with the same information that men and women can make informed choices and choose what is best for them. The same information is also required to be released to the public for <u>every</u> vaccine for <u>full</u> disclosure of contents in each vaccine and if MRNA has been added to other vaccines as well as covid vaccines, the profit margin markup and full research and statistics to the safety and effectiveness. Decisions around health and wellbeing will now be health driven by individual men and women not big pharma or corporation profit driven or control. As these instructions were not followed **Diana Sarfati** and **Chris Luxon** and **Shane Reti** and **Lester Levy** are not only facing commercial liability for harm towards individuals but also criminal charges and crimes against humanity charges where they will now be brought before a world court.

10. That Janine as Commander over all the debtor corporations and their officers is the new lawful and legal owner has the right to seize and take control over all assets and the officers and workers or contractors within the corporation must obey orders given by her, and if anyone tries to obstruct her she has the lawful right to remove them and charge with obstruction of justice with a commercial charge of harm or for one million dollars per event and per man or woman effected.

11. That the claimant and Commander Janine over the debtor corporations provided the means to pay off the National Debt on nineteenth day of July 2024 and from that date she actions with full lawful right the cancellation of the national debt over every man, woman, boy and girl plus actions backdated to 19 July 2024 the reduction of individual and corporate and trust taxation to maximum of ten percent plus goods and services taxation is reduced to ten percent and that full accountability be in place where the people of the land known as the colony of New Zealand are fully informed of spending of all claimed tax money and have a vote and say how this tax money is spent, and that if the government corporations do not implement these instructions through their officers by

Monday the seventh day of October 2024 then Janine as the lawful and legal owner will cancel all taxes altogether due to fraud.

12. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers to reduce all property taxes to maximum of one thousand per year per property backdated to nineteenth day of July 2024 with full accountability and releasing of the information to the people on how this money is spent with the people having a vote and say on how this money is spent, and if this is not done by Monday seventh day of October then Janine as the lawful and legal owner will remove property taxes altogether due to fraud.

13. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers backdated to nineteenth day of July 2024 to remove petrol and fuel tax as well as road user charge and toll charges plus public parking fees so that travel on New Zealand roads and parking be free for freedom of movement throughout New Zealand.

14. That the claimant Janine and Commander over the debtor corporations and all associated and successor and parent corporations and their officers actions with full lawful right backdated to nineteenth day of July 2024 that as a result of fuel taxes and road user charges and other taxes being dropped that this would have an immediate flow on effect of food and products and services in New Zealand costing less, as it is costing less to provide food and products to the people.

15. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers backdated to nineteenth day of July in year of 2024 to drop all speeding and parking and property fines and declares that speeding and parking and property fines can only be charged where a crime of harm against another individual can be proven, and the people are now informed that speeding and parking and property fines are not enforceable unless a crime of harm has been committed, and this will stop intentional revenue making off the people. That the police are reestablished as peace officers and councils and the courts of New Zealand return to serving the people and preventing harm rather than revenue making.

16. That the claimant and Commander Janine over the debtor corporations and parent corporations and regencies and successor corporations and their officers order their officers backdated to nineteenth day of July in year of 2024 to cancel all past student debt so that our professional kiwis are free to come back from overseas, and also order that all past taxes owed are wiped so that all individuals have a clean slate from nineteenth day of July 2024. That it is a priority to help New Zealanders into owning their own home and encourage money saved on taxes to be saved as a deposit for a home where the NZ government leadership and debtor corporations and their officers are ordered to place funds into a first home buyers home ownership account overseen by the Commander Janine where each corporation is ordered of immediate effect to place fifteen billion dollars into this fund that any man or woman or couple that have jointly saved 5% deposit has access to these funds at only 2% interest on the loan. If ASB Bank release immediately fifteen billion dollars into a government housing fund overseen by Claimant Janine for first home buyers then the Claimant and Commander Janine will not

liquidate the ASB Bank, and other banks will be encouraged to do likewise or also face liability charges.

17. That the claimant and Commander Janine orders the debtor corporations and parent corporations and regencies and successor corporations and their officers to place with immediate effect a limit on profit margin of the providers to maximum of 20% mark up for monthly charges on communication such as telephone, mobile and internet that every household and individual has the means of communication for his/her essential needs and to communicate with their loved ones wherever they be in the world, and until profit margin is fully controlled to maximum of 20% that the debtor corporations are required to subsidise these services so that the people are not charged more that 20% above cost price.

18. That the claimant and Commander Janine orders the debtor corporations and parent corporations and regencies and successor corporations and their officers to place a limit on profit margin of the providers to maximum of 20% mark up on all power, fuel, energy, lighting, heating, transportation, communication near the cost of producing it so that every household and individual living in New Zealand have affordable access to energy and services where there is transparency of the costs and mark ups for full accountability and prevent harm and extortion plus full and complete transparency of impact on environment where previous decisions have been money and control driven rather that the best interests of the people and the environment. An example here is electric cars where lithium batteries have a very high cost to the environment and this information is being covered up due to other agendas of controlling the movements and whereabouts of people, plus we have unlimited resources of oil underneath and near New Zealand that can be utilised where one major goal should be tapping into this and re-establishing oil refineries in New Zealand. That from nineteenth day of July in year of 2024 the government heads work in partnership with the Commander Janine to return energy assets back into the hands and ownership of the people, and until profit margin is fully controlled to maximum of 20% that the debtor corporations are required to subsidise these services so that the people are not charged more that 20% above cost price.

19. That the claimant and Commander Janine over the debtor corporations and their officers with full lawful right has restored back the right of every man, woman boy and girl living in the land known as the colony of New Zealand to have pure drinking water without chemical additives , so that every household and individual has the right to choose of putting additives into his/her own drinking water, that no government or corporation has the right to add anything into the water unless 100% consensus through a vote on behalf of every man and woman living in New Zealand, where 100% consensus can never be achieved, and orders all debtor corporations and their officers and all associated or successor or parent companies or regencies to stand down and stop adding fluoride or any other harmful chemicals into the water.

20. That the claimant and Commander Janine over the debtor corporations and their officers order the officers of Health New Zealand and Ministry of Health to provide full disclosure of information and the right to choose for every man and woman over his/her own health and wellbeing and that of their offspring, that the corporations are now ordered to inform the public through public notices and the mainstream media full ingredient lists of every drug, the profit mark up, the side effects and the success rate of each drug plus provide

all treatment options with the same information so that men and women can make informed choices and choose what is best for them. The same information is also required to be released to the public for every vaccine for full disclosure of contents in each vaccine and if MRNA has been added to other vaccines as well as covid vaccines. the profit margin markup and full research and statistics to the safety and effectiveness. Decisions around health and wellbeing will now be health driven by individual men and women not big pharma or corporation profit driven or control.

21. The Claimant Janine declares that the creator God of the heavens and earth is a loving God who desires to have a loving relationship with every man, woman, boy and girl. that God's way is the way of giving to all love, freedom and choices where all are fully accountable for his/her actions and if they own wrong actions and make restitution can be restored and reconciled. I am taking action on behalf of every man, woman, boy and girl and on behalf of the Almighty creator God who we are all accountable to. Many corporate actions have been selfish and greed based where they have held power and control for their own benefit at the cost of others and try and hold no liability for their actions. This is all about to change as where all people especially people in leadership positions will be held fully accountable for their actions. I believe I have been inspired by God with a path forward to protect those who want to own their past mistakes and return to acting in the best interests of others. What I am doing is standing in the gap commercially plus spiritually for every man, woman, boy and girl in New Zealand, so those who want to move out of the control are covered and protected commercially and spiritually. As no one has rebutted my Admiralty Statement of Claims that have gone through the High Court of New Zealand I have full lawful right to represent every man. woman, boy and girl in New Zealand and make a commercial claim of harm against any individual or corporation who tries to harm each individual including every individual debtor listed. There is a Holy Bible scripture Romans 3:23 which says that "All have sinned and fall short of the glory of God" but God's desire is not to take people out but to restore them if they take full accountability and restitution. Individual debtors are provided the opportunity to stand up for what is right. I believe my proposal is the best way forward of pay out of my four lawful True Bill Ledgers which included paying off the national debt to work in partnership with the government to action plans for best interests of all people living in New Zealand where all money and assets claimed will be invested back into the land known as the colony of New Zealand also known as Aotearoa. I believe that 99% of people in leadership want to do the right thing and if they inform me who is holding control over them that I have lawful right to place a commercial claim on his/her behalf, plus place a spiritual covering of protection over you and your family to prevent harm. This is the mantel that God has been placed on me with many others standing with me in prayer to provide spiritual covering over me and all who wish to do what is right, plus commercial covering.

22. That penalty ten percent per week accruing interest continues for all outstanding debts where We have f ull lawful rights for payout and seizure of assets off the corporations and individuals and when We are paid out We intend to invest these funds back into New Zealand for the benefit of all New Zealanders with a high priority of the health and wellbeing plus housing of every New Zealander plus sustainable living and ongoing producing of wealth and sustainable economy and social programmes for disadvantaged/vulnerable with goal of hand up. not hand out with principle of teaching a man to fish to feed him for life rather than give him fish and create dependence, and in

the event of non-payment further penalties keep applying with the lawful right to take over all corporations in default of payment on nineteenth day of September where the claim is for total combined value of the four true bill ledgers for four claims of S18,702,472,858,017.40NZ in writing being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents at that time. As the Commander of all the listed debtor corporations on pages one and two and points 1 to 5 of this document Janine orders the Reserve Bank New Zealand and New Zealand Treasury to make immediate payment of being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents due immediately upon receipt of this order in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga. The individuals and debtors have the opportunity to work in partnership with Us to take full responsibility to remove actions of harm towards the people living in the land known as the colony of New Zealand including co-ercing the people to take the covid-19 vaccine, the air, water and plant and animal life and the welfare of the people where they will work with Us the Claimants to ensure that decisions going forward are in the best interests the health, wealth and wellbeing of all New Zealanders, or if continuing in dishonour will be removed and replaced. We declare God's Holy word from Colossians chapter 2 verse 14 and 15 and 1 Peter chapter 1 verse 19 that Jesus has already purchased and redeemed us by the pouring out of his own precious blood and We seal this document and all preceeding documents presented and unrebutted by the Claimant Janine on behalf of every man, woman, boy and girl on the land of Aotearoa with the blood of Jesus Christ having wiped out the handwriting of requirements that was against us and having nailed it to the cross disarming all principalities and powers triumphing over them.

I, Janine of the House of Arabella and Walters, certify on my own unlimited commercial liability that I have read the above twenty-two points of this NOTICE OF IMMEDIATE SUMMARY JUDGEMENT and NOTICE OF TAKEOVER OF ALL ASSETS of LISTED DEBTORS dated twentieth day of September 2024 plus four True Bill Ledgers and combined Bill Ledger and all documents associated with the four Admiralty Statements of Claim sent to the debtors and the High Court of New Zealand and do know the contents to be true, correct, complete, the truth, the whole truth and nothing but the truth and do believe with private first-hand knowledge and understanding "So-help-me God" with the right to correct any honest made errors or mistakes.

lawful right to seize and claim off either the parent or successor corporations or any other corporation or individual that assets are transferred or sold to.

To all Debtors, Ministers, Officers and appointed Commissioner with accountability and commercial liability:

1. That due to non rebuttal and non payment by 5pm on nineteenth day of July 2024 We have already received lawful summary judgement against HEALTH NEW ZEALAND and ASB BANK and ASB HOLDINGS and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS on twentieth day of August 2024 plus all the individuals and officers and directors representing each of the corporations plus all the listed debtor corporations and individual officers representing on pages one and two of this document had until nineteenth day of September 2024 to rebut or make payment and no rebuttal or payment was received from any of the debtors so with full lawful right Janine the claimant on behalf of every man, woman boy and girl living in the land known as the colony of New Zealand Janine steps in with immediate effect as the Commander and chief of every debtor corporation and any regency or successor corporation and their officers set up to replace them as Commander has control over all the assets as the new lawful and legal owner where the officers must obey orders given by her.

2. That the first Admiralty Statement of Claim with Immediate Summary Judgement obtained and stamped by the High Court on 19 July 2024 where the commercial liens against the corporation Health New Zealand and its officers were over 90 days in default. With true lawful right Janine stepped in as the Commander of the corporation and any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability with the following charges against Health New Zealand and it's officers and directors plus all other debtors listed on pages one and two of this document with liability due to non rebuttal by 20 June and 19 September 2024. The charges are failure to provide a safe place for the Claimant Janine to work then terminating her employment, plus failure of duty of care of DHB staff towards Claimant Janine's daughter who died under the care of the District Health Board who are now known as Health New Zealand, plus failure of duty of care towards co-ercing staff and the people in land known as the colony of New Zealand to take an experimental vaccine with evidence that one of risk factors is death and failure to record severe adverse events and deaths and failure to offer other treatment protocol removing people's rights to choose and loss of livelihood through mandates with liability for all harm caused. The claim of harm was one million dollars for every man, woman boy and girl harmed through the actions of officers working within Health New Zealand with evidence presented to the High Court of New Zealand in March 2024 of around 80,000 claims of severe adverse events or deaths or loss of livelihood through the covid-19 mandates with the right to add further charges once the true figures are known. The commercial lien put in place through the Personal Property Security Register and Universal Commercial Code for the High Court Admiralty Summary Judgement Claim amount on 18 April 2024 being $80,451,481,438 with instructions provided from that time to the Chief Executive Officer Margie Apa and other officers of Health New Zealand that have not been honoured and has led to penalty charges continuing to be added. On the nineteenth day of September 2024 the amount including penalty interest owed is $252,522,596,578.00 being two hundred and fifty two billion, five hundred and twenty-two million, five hundred and ninety-six thousand, five hundred and seventy eight new zealand dollars with lawful right of takeover and seizure of all assets of

All Rights Reserved

the individuals plus all debtor corporations with accruing ten percent weekly interest continuing until paid out in full and until each claim of harm has been addressed. As the Commander of all debtor corporations Janine orders the Reserve Bank of New Zealand and New Zealand Treasury to make immediate payment of two hundred and fifty-two billion, five hundred and twenty-two million, five hundred and ninety-six thousand, five hundred and seventy eight new zealand dollars upon receipt of this order document in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga, where Janine as Commander is the new lawful and legal owner and the officers must obey orders given by her, and Janine as Commander takes immediate control over all the assets of Health New Zealand until all actions and charges of harm addressed.

3. That the second Admiralty Statement of Claim with Immediate Summary Judgement obtained and stamped by the High Court on 19 July 2024 where the commercial liens against the corporations ASB BANK AND ASB HOLDINGS and its officers were over 90 days in default. With true lawful right Janine stepped in as the commander of the corporation with the following charges against ASB BANK and ASB HOLDINGS and any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability plus all associated officers Vittoria Annabel June SHORTT, Carl Roy FERGUSON, Amie Marie SMITH, Ross James Patrick BUCKLEY, Roderick Marshall CARR, David Antony Keith COHEN, Victoria Helen CRONE in his/her full private and commercial capacity then all other individuals and corporations listed on pages one and two with liability due to non rebuttal by 20 June 2024 and 19 September 2024. The Summary Judgement due on 18 April 2024 was for payment out of three billion and three million dollars for fraudulent charges related to four different mortgages plus continuing to take unauthorised funds out of Claimant's bank account and CEO Vittoria Shortt refused to inform Claimant exactly how much funds they had fraudulently and deceitfully taken out of her estate so the claimant Janine charged them the higher amount of three billion dollars as the secured party creditor and the amount owed has continued to accrue one million per month penalty fees plus ten percent weekly accruing interest with amount owed at time of 90 days in default of Commercial Lien on 18 July 2024 being $6,623,204,293.00. The amount due on 19 September 2024 is $15,619,633,371.48NZ in writing being fifteen billion, six hundred and nineteen million, six hundred and thirty-three thousand, three hundred and seventy-one new zealand dollars with lawful right of takeover and seizure of all assets of the individuals plus all debtor corporations with accruing ten percent weekly interest continuing until paid out in full and until each claim of harm has been addressed. As the Commander of all debtor corporations Janine orders the Reserve Bank of New Zealand and New Zealand Treasury to make immediate payment of fifteen billion, six hundred and nineteen million, six hundred and thirty-three thousand, three hundred and seventy-one new zealand dollars upon receipt of this order document in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga, where Janine as Commander is the new lawful and legal owner and the officers must obey orders given by her, and Janine as Commander takes immediate control over all the assets of ASB BANK and ASB HOLDINGS until all actions and charges of harm addressed.

DISTRICT COUNCIL and BOP LASS plus all associated and parent and successor corporations plus their officers including Murray John HOLYOAKE and Fiona MCTAVISH in full private and commercial capacity then all other individuals and corporations listed one pages one and two added with liability due to non rebuttal by 20 June 2024 and 19 September 2024. The Summary Judgement unrebutted charges are for unlawful and fraudulent charges plus trying to force entry into her private property plus unlawful surveillance of the claimant Janine and her property, plus participation in making every man, woman, boy and girl debt slaves and liable to pay off the national debt through individual, corporate and property taxes and are also participating in trading our trust bonds plus made us all guarantors on government and corporate loans and debts with everything in place for full private property seizure in New Zealand. As the Commander of all debtor corporations Janine orders the Reserve Bank New Zealand and New Zealand Treasury to make immediate payment of two billion, nine hundred and ninety-nine million, eight hundred and forty-one thousand, five hundred and forty five new zealand dollars and eighty-nine cents due immediately upon receipt of this order in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga, where Janine as Commander is the new lawful and legal owner and the officers must obey orders given by her, and Janine as Commander takes immediate control over all the assets of WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS plus any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability plus their officers until all actions and charges of harm addressed.

5. That the fourth Admiralty Statement of Claim has included all the debtors listed on pages one and two of this document where all debtors were provided at least three opportunities and three notices to rebut the Admiralty Statement of Claim and affidavits presented to them from the claimant Janine that he/she and the corporations that he/she represents have participated in making every man, woman, boy and girl debt slaves and liable to pay off the national debt through individual, corporate and property taxes and are also participating in trading our trust bonds plus made us all guarantors on government and corporate loans and debts with everything in place for full private property seizure in New Zealand and since no rebuttal was received by any of the debtors or defendants with the final day of rebuttal being 5pm on Thursday 19 September it is taken as tacit acceptance and silent acquiescence that he/she and the corporations that he/she represents are fully aware that this has occurred and has done nothing to stop it, so that he/she and the corporations they represent are fully liable to the one million dollar claim made on behalf of every man, woman and child living in the land known as the colony of New Zealand also known as Aotearoa with the evidence presented giving the population living in New Zealand on 31 March 2024 as 5,338,900 people. As the Commander of all debtor corporations Janine orders the Reserve Bank New Zealand and New Zealand Treasury to make immediate payment of eighteen trillion, four hundred and thirty one billion, three hundred and thirty million, seven hundred and eighty-six thousand, five hundred and twenty two new zealand dollars due immediately upon receipt of this order in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga, where Janine as Commander takes immediate control over all the assets of all listed debtor corporations and individual debtors until paid out in full and until all actions and charges of harm addressed where the individual debtors and debtor corporations are STEPHEN ERLE HEWLETT in full private and representing TAURANGA CIVIL HIGH COURT and HIGH COURT OF NEW ZEALAND and NEW ZEALAND HIGH COURT and HIGH COURT NZ and NZ HIGH COURT and MINISTRY OF JUSTICE and all their officers and directors, PHILLIP BRUCE GOFF in private and representing the CROWN Corporations HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND and THE QUEEN'S MOST EXCELLENT MAJESTY IN RIGHT OF NEW ZEALAND and THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE and it's officers and directors, BEDE GILBERT CORRY in private and representing MINISTRY OF FOREIGN AFFAIRS AND TRADE and THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE and their officers and directors, ADRIAN BRENT ORR in private and representing RESERVE BANK OF NEW ZEALAND and it's officers and directors, ANDREW WILLIAM KIBBLEWHITE in private and representing HIGH COURT OF NEW ZEALAND and MINISTRY OF JUSTICE and both of their officers and directors, PIETRO MERSI in the private and representing INLAND REVENUE and INLAND REVENUE DEPARTMENT and their officers and directors, MARK ALAN BUTCHER in the private and representing NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY and its officers and directors, SUSAN FREEMAN-GREENE in the private and representing LOCAL GOVERNMENT NEW ZEALAND and its officers and directors, MALCOLM ALEXANDER in the private and representing LOCAL GOVERNMENT NEW ZEALAND and it's officers and directors, CARALEE MCLIESH in the private and representing NEW ZEALAND TREASURY and it's officers and directors. GOLDSMITH in the private and representing MINISTRY OF JUSTICE, plus any regencies or successor corporations set up to replace any of the corporations or debtors to prevent liability with accruing ten percent weekly interest continuing until paid out in full and until each claim of harm has been addressed.

6. That until paid out in full the Claimant Janine has the lawful right to take over as commander of each of the Debtor corporations listed in point 1 to 5 to ensure payment in full of the debts owed plus ensure they act in honour until each claim of harm is addressed. where Janine as Commander is the new lawful and legal owner and the officers must oboy orders given by her. The total combined value of the four true bill ledgers for four claims is $18,702,472,858,017.40NZ in writing being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand. and seventeen new zealand dollars and forty cents with ten percent per week accruing interest remaining in place until paid out in full. As the Commander of all debtor corporations Janine orders the Reserve Bank New Zealand and New Zealand Treasury to make immediate payment of being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents due immediately upon receipt of this order in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road. Oropi, Tauranga. where Janine as Commander takes immediate control over all the assets of all listed debtor corporations and individual debtors until paid out in full and until all actions and charges of harm addressed.

7. That Diana Sarfati in private and representing MINISTRY OF HEALTH was also provided the opportunity to rebut the statement that was backed up with evidence in the Admiralty Statement of claim against HEALTH NEW ZEALAND that the Ministry of Health released a statement to the public on 21 November 2021 that the covid vaccine that they were requiring all New Zealanders to take was not effective. that it does not prevent transmission, plus at this time the first covid vaccine death had been documented on an autopsy report that the officers in the Ministry of Health and Health New Zealand (previously known as District Health Boards) knew that the vaccine was neither 'Safe' or 'Effective' but continued to promote this message to try and co-erce all New Zealanders to have the vaccine, where one of the risk factors is death. As the officers within the MINISTRY OF HEALTH had knowledge that the covid vaccine was neither safe or effective then they had no lawful right to enforce the people of New Zealand to take the vaccine where one of the risk factors is death and the corporation and it's officers are therefore liable for loss of employment and licenses plus any severe adverse reaction to taking the covid vaccine plus loss of life. and in the event of non-rebuttal it is taken as tacit acceptance and silent acquiescence that he/she is fully aware that this has occurred and has done nothing to stop it, and therefore holds full accountability and commercial liability where there is a one million dollar compensation fee for any harm caused to any man, woman, boy or girl living in the land of New Zealand

8. That Janine as Commander over all the debtor corporations and their officers with immediate effect restores the rights of every individual living in the land known as the colony of New Zealand are fully restored with immediate effects of the inalienable rights of all men women, boys and girls being the right to freedom, equality and dignity, no discrimination, right to life, liberty and security, right to not be held in slavery or any form of torture or degrading treatment or punishment, right to be treated fairly, no unfair detainment, innocent until proven guilty, the right to privacy, the right to freedom of

movement and residence, right to acquiring, possessing and protecting property, right to nationality, to marry and have family, to own things, freedom of thought and religion, freedom of opinion and expression, right to assemble, right to democracy, right to work, right to social security and social service, right to rest and holiday, right to education, right to participate in art and culture, right to freedom of travel around the world at same time respecting the rights and freedoms of others. These rights can not be taken away, includes the right to make informed decisions around one's own health and wellbeing. and also includes freedom of speech in mainstream media and social media with censorship being unlawful and a chargeable offence unless there is proof of a crime of violence or harm.

9. That **Diana Sarfati** and **Chris Luxon** and **Shane Reti** and **Lester Levy** were instructed as individuals and representatives of the listed Debtor corporations by 19 September 2024 to release in the media that the covid-19 mandates are fully removed due to my unrebutted High Court evidence provided at the time of the Mandates that the vaccines were neither safe or effective and all licenses and jobs reinstated with immediate effect to help solve the health crisis of insufficient clinicians to provide health services. They were also instructed to state in the media that the inalienable rights have been restored back of every man and woman to have full disclosure of information and the right to choose for their own health and wellbeing. That Big Pharma are required to inform the public of the full ingredient list in cancer drugs and all other drugs the profit mark up and the success rate of each drug where all alternative treatment options be released with the same information that men and women can make informed choices and choose what is best for them. The same information is also required to be released to the public for <u>every</u> vaccine for <u>full</u> disclosure of contents in each vaccine and if MRNA has been added to other vaccines as well as covid vaccines, the profit margin markup and full research and statistics to the safety and effectiveness. Decisions around health and wellbeing will now be health driven by individual men and women not big pharma or corporation profit driven or control. As these instructions were not followed **Diana Sarfati** and **Chris Luxon** and **Shane Reti** and **Lester Levy** are not only facing commercial liability for harm towards individuals but also criminal charges and crimes against humanity charges where they will now be brought before a world court.

10. That Janine as Commander over all the debtor corporations and their officers is the new lawful and legal owner has the right to seize and take control over all assets and the officers and workers or contractors within the corporation must obey orders given by her, and if anyone tries to obstruct her she has the lawful right to remove them and charge with obstruction of justice with a commercial charge of harm or for one million dollars per event and per man or woman effected.

11. That the claimant and Commander Janine over the debtor corporations provided the means to pay off the National Debt on nineteenth day of July 2024 and from that date she actions with full lawful right the cancellation of the national debt over every man, woman, boy and girl plus actions backdated to 19 July 2024 the reduction of individual and corporate and trust taxation to maximum of ten percent plus goods and services taxation is reduced to ten percent and that full accountability be in place where the people of the land known as the colony of New Zealand are fully informed of spending of all claimed tax money and have a vote and say how this tax money is spent, and that if the government corporations do not implement these instructions through their officers by

Monday the seventh day of October 2024 then Janine as the lawful and legal owner will cancel all taxes altogether due to fraud.

12. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers to reduce all property taxes to maximum of one thousand per year per property backdated to nineteenth day of July 2024 with full accountability and releasing of the information to the people on how this money is spent with the people having a vote and say on how this money is spent, and if this is not done by Monday seventh day of October then Janine as the lawful and legal owner will remove property taxes altogether due to fraud.

13. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers backdated to nineteenth day of July 2024 to remove petrol and fuel tax as well as road user charge and toll charges plus public parking fees so that travel on New Zealand roads and parking be free for freedom of movement throughout New Zealand.

14. That the claimant Janine and Commander over the debtor corporations and all associated and successor and parent corporations and their officers actions with full lawful right backdated to nineteenth day of July 2024 that as a result of fuel taxes and road user charges and other taxes being dropped that this would have an immediate flow on effect of food and products and services in New Zealand costing less, as it is costing less to provide food and products to the people.

15. That the claimant and Commander Janine over the debtor corporations and all associated and successor and parent corporations and their officers order their officers backdated to nineteenth day of July in year of 2024 to drop all speeding and parking and property fines and declares that speeding and parking and property fines can only be charged where a crime of harm against another individual can be proven, and the people are now informed that speeding and parking and property fines are not enforceable unless a crime of harm has been committed, and this will stop intentional revenue making off the people. That the police are reestablished as peace officers and councils and the courts of New Zealand return to serving the people and preventing harm rather than revenue making.

16. That the claimant and Commander Janine over the debtor corporations and parent corporations and regencies and successor corporations and their officers order their officers backdated to nineteenth day of July in year of 2024 to cancel all past student debt so that our professional kiwis are free to come back from overseas, and also order that all past taxes owed are wiped so that all individuals have a clean slate from nineteenth day of July 2024. That it is a priority to help New Zealanders into owning their own home and encourage money saved on taxes to be saved as a deposit for a home where the NZ government leadership and debtor corporations and their officers are ordered to place funds into a first home buyers home ownership account overseen by the Commander Janine where each corporation is ordered of immediate effect to place fifteen billion dollars into this fund that any man or woman or couple that have jointly saved 5% deposit has access to these funds at only 2% interest on the loan. If ASB Bank release immediately fifteen billion dollars into a government housing fund overseen by Claimant Janine for first home buyers then the Claimant and Commander Janine will not

liquidate the ASB Bank, and other banks will be encouraged to do likewise or also face liability charges.

17. That the claimant and Commander Janine orders the debtor corporations and parent corporations and regencies and successor corporations and their officers to place with immediate effect a limit on profit margin of the providers to maximum of 20% mark up for monthly charges on communication such as telephone, mobile and internet that every household and individual has the means of communication for his/her essential needs and to communicate with their loved ones wherever they be in the world, and until profit margin is fully controlled to maximum of 20% that the debtor corporations are required to subsidise these services so that the people are not charged more that 20% above cost price.

18. That the claimant and Commander Janine orders the debtor corporations and parent corporations and regencies and successor corporations and their officers to place a limit on profit margin of the providers to maximum of 20% mark up on all power, fuel, energy, lighting, heating, transportation, communication near the cost of producing it so that every household and individual living in New Zealand have affordable access to energy and services where there is transparency of the costs and mark ups for full accountability and prevent harm and extortion plus full and complete transparency of impact on environment where previous decisions have been money and control driven rather that the best interests of the people and the environment. An example here is electric cars where lithium batteries have a very high cost to the environment and this information is being covered up due to other agendas of controlling the movements and whereabouts of people, plus we have unlimited resources of oil underneath and near New Zealand that can be utilised where one major goal should be tapping into this and re-establishing oil refineries in New Zealand. That from nineteenth day of July in year of 2024 the government heads work in partnership with the Commander Janine to return energy assets back into the hands and ownership of the people, and until profit margin is fully controlled to maximum of 20% that the debtor corporations are required to subsidise these services so that the people are not charged more that 20% above cost price.

19. That the claimant and Commander Janine over the debtor corporations and their officers with full lawful right has restored back the right of every man, woman boy and girl living in the land known as the colony of New Zealand to have pure drinking water without chemical additives , so that every household and individual has the right to choose of putting additives into his/her own drinking water, that no government or corporation has the right to add anything into the water unless 100% consensus through a vote on behalf of every man and woman living in New Zealand, where 100% consensus can never be achieved, and orders all debtor corporations and their officers and all associated or successor or parent companies or regencies to stand down and stop adding fluoride or any other harmful chemicals into the water.

20. That the claimant and Commander Janine over the debtor corporations and their officers order the officers of Health New Zealand and Ministry of Health to provide full disclosure of information and the right to choose for every man and woman over his/her own health and wellbeing and that of their offspring, that the corporations are now ordered to inform the public through public notices and the mainstream media full ingredient lists of every drug, the profit mark up, the side effects and the success rate of each drug plus provide

all treatment options with the same information so that men and women can make informed choices and choose what is best for them. The same information is also required to be released to the public for every vaccine for full disclosure of contents in each vaccine and if MRNA has been added to other vaccines as well as covid vaccines. the profit margin markup and full research and statistics to the safety and effectiveness. Decisions around health and wellbeing will now be health driven by individual men and women not big pharma or corporation profit driven or control.

21. The Claimant Janine declares that the creator God of the heavens and earth is a loving God who desires to have a loving relationship with every man, woman, boy and girl. that God's way is the way of giving to all love, freedom and choices where all are fully accountable for his/her actions and if they own wrong actions and make restitution can be restored and reconciled. I am taking action on behalf of every man, woman, boy and girl and on behalf of the Almighty creator God who we are all accountable to. Many corporate actions have been selfish and greed based where they have held power and control for their own benefit at the cost of others and try and hold no liability for their actions. This is all about to change as where all people especially people in leadership positions will be held fully accountable for their actions. I believe I have been inspired by God with a path forward to protect those who want to own their past mistakes and return to acting in the best interests of others. What I am doing is standing in the gap commercially plus spiritually for every man, woman, boy and girl in New Zealand, so those who want to move out of the control are covered and protected commercially and spiritually. As no one has rebutted my Admiralty Statement of Claims that have gone through the High Court of New Zealand I have full lawful right to represent every man. woman, boy and girl in New Zealand and make a commercial claim of harm against any individual or corporation who tries to harm each individual including every individual debtor listed. There is a Holy Bible scripture Romans 3:23 which says that "All have sinned and fall short of the glory of God" but God's desire is not to take people out but to restore them if they take full accountability and restitution. Individual debtors are provided the opportunity to stand up for what is right. I believe my proposal is the best way forward of pay out of my four lawful True Bill Ledgers which included paying off the national debt to work in partnership with the government to action plans for best interests of all people living in New Zealand where all money and assets claimed will be invested back into the land known as the colony of New Zealand also known as Aotearoa. I believe that 99% of people in leadership want to do the right thing and if they inform me who is holding control over them that I have lawful right to place a commercial claim on his/her behalf, plus place a spiritual covering of protection over you and your family to prevent harm. This is the mantel that God has been placed on me with many others standing with me in prayer to provide spiritual covering over me and all who wish to do what is right, plus commercial covering.

22. That penalty ten percent per week accruing interest continues for all outstanding debts where We have f ull lawful rights for payout and seizure of assets off the corporations and individuals and when We are paid out We intend to invest these funds back into New Zealand for the benefit of all New Zealanders with a high priority of the health and wellbeing plus housing of every New Zealander plus sustainable living and ongoing producing of wealth and sustainable economy and social programmes for disadvantaged/vulnerable with goal of hand up. not hand out with principle of teaching a man to fish to feed him for life rather than give him fish and create dependence, and in

the event of non-payment further penalties keep applying with the lawful right to take over all corporations in default of payment on nineteenth day of September where the claim is for total combined value of the four true bill ledgers for four claims of S18,702,472,858,017.40NZ in writing being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents at that time. As the Commander of all the listed debtor corporations on pages one and two and points 1 to 5 of this document Janine orders the Reserve Bank New Zealand and New Zealand Treasury to make immediate payment of being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents due immediately upon receipt of this order in 0.9999 New Zealand gold bullion bars delivered to the Claimant Address of 37 Glue Pot Road, Oropi, Tauranga. The individuals and debtors have the opportunity to work in partnership with Us to take full responsibility to remove actions of harm towards the people living in the land known as the colony of New Zealand including co-ercing the people to take the covid-19 vaccine, the air, water and plant and animal life and the welfare of the people where they will work with Us the Claimants to ensure that decisions going forward are in the best interests the health, wealth and wellbeing of all New Zealanders, or if continuing in dishonour will be removed and replaced. We declare God's Holy word from Colossians chapter 2 verse 14 and 15 and 1 Peter chapter 1 verse 19 that Jesus has already purchased and redeemed us by the pouring out of his own precious blood and We seal this document and all preceeding documents presented and unrebutted by the Claimant Janine on behalf of every man, woman, boy and girl on the land of Aotearoa with the blood of Jesus Christ having wiped out the handwriting of requirements that was against us and having nailed it to the cross disarming all principalities and powers triumphing over them.

I, Janine of the House of Arabella and Walters, certify on my own unlimited commercial liability that I have read the above twenty-two points of this NOTICE OF IMMEDIATE SUMMARY JUDGEMENT and NOTICE OF TAKEOVER OF ALL ASSETS of LISTED DEBTORS dated twentieth day of September 2024 plus four True Bill Ledgers and combined Bill Ledger and all documents associated with the four Admiralty Statements of Claim sent to the debtors and the High Court of New Zealand and do know the contents to be true, correct, complete, the truth, the whole truth and nothing but the truth and do believe with private first-hand knowledge and understanding "So-help-me God" with the right to correct any honest made errors or mistakes.

Summary Judgement Against Major NZ Crown Corporations and their Officers

NOTICE OF IMMEDIATE SUMMARY JUDGEMENT AND TAKE OVER OF DEBTOR CORPORATIONS and ALL ASSETS on 20 September 2024

This is a Public notice and Proclamation of Immediate Lawful Summary Judgement stamped and proclaimed in the High Court of New Zealand from 19 July 2024 and 23 August 2024 and 20 September 2024, where the claimant Janine had the lawful right to takeover each of the debtor corporations, seize the assets of all debtors until paid out in full for liability of harm caused from making every man, women and boy and girl debt slaves plus taking away freedom of choice with co-ercement to take an experimental vaccine where the officers knew it was not safe or effective and are therefore liable for any death or severe reaction and loss of employment and livelihood plus for unknown long term effects where the claimant Janine has placed a one million dollar charge of harm of behalf of all people living in the colony known as New Zealand. See full document for full list of charges and orders in place.

Click on this link for full summary Judgement Document: NOTICE OF IMMEDIATE SUMMARY JUDGEMENT AND TAKE OVER OF DEBTOR CORPORATIONS and ALL ASSETS 20th September 2024

Dated and stamped and received by the High Court of New Zealand on 20th Day of September 2024

For context, this document uses only plain simple English and Counting Systems. You are considered informed that all other meanings in this/all communication/s are taken from the Oxford Dictionary of English unless otherwise definition given or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or any other language. If any definition or meaning is unclear to the reader the interpretations are that of the living woman author

NOTICE OF IMMEDIATE SUMMARY JUDGEMENT and TAKEOVER OF ALL ASSETS of listed Debtors as Commander of every debtor corporation with immediate effect from 5pm 19 September 2024 plus seizure of assets of all debtors due to non-rebuttal and non payment and non-implementation of instructions provided for the total combined value of the four true bill ledgers for four claims of $18,702,472,858,017.40NZ in writing being eighteen trillion, seven hundred and two billion, four hundred and seventy-two million, eight hundred and fifty-eight thousand, and seventeen new zealand dollars and forty cents with ten percent per week accruing interest remaining in place until paid out in full. The Claimant and Commander Janine also has the lawful right of implementation of all instructions provided plus restoration of the rights of all individuals living in the colony known as New Zealand to freedom of choice without any obstruction having the lawful right to have anyone arrested that obstructs her or her appointed agents acting on her behalf and can charge them with obstruction of justice.

My first Action as Commander is to declare that this land known as the colony of New Zealand and Aotearoa is now directly under the jurisdiction of the Holy Creator God Almighty and if any case is brought before the courts of this land and the law or facts or evidence presented is in dispute then the higher jurisdiction will always prevail. The highest jurisdiction is Creator God Almighty and his Holy word in the bible where the two greatest commands from Matthew chapter 22 v37 to 40 are to v37 “love the Lord your God with all your heart and soul and mind” and v39 “to love your neighbour as yourself” and v40 “ the **entire law** is based on these two commandments.” From 20th September 2024 the courts and the police and the councils are re-established to serving the people and keeping the peace and preventing harm rather than revenue making and no fines can be enforced unless harm can be proven. Please read the full attached document with particular attention points 10 and 11 where the debtor corporations and their officers have until 7 October 2024 to implement or taxes will be abolished altogether. Point 16 from 19 July 2024 wipes out all past owed taxes including property taxes and student debt. As the claimant Janine now has lawful Summary Judgement due to non rebuttal and non payment, every man, and woman living in the land of Aotearoa can stand on her claims. In law Aotearoa stands for the whole earth. This sets case precedence for the World. It is declared that the whole earth is now under the Jurisdiction of the Lord God Almighty Creator who will not share his lordship with any other.

As the Commander over Health New Zealand with true lawful authority I drop all charges against Barry Young that were made falsely to try and circumvent liability of the corporation and he is reinstated with immediate effect and can choose a team of

people to work with him to continue compiling data on the harm caused by the MRNA covid vaccine where he will be able to make regular updates to the public of his findings. Barry is to report to me, welcome back Barry and thank you for your courage to bring people the truth.

The corporations and the men and woman running them that are trying to play God and try and corrupt the DNA of mankind through the MRNA going into drugs and vaccines for their own ends and are fully accountable for their actions before God. Due to the seriousness of their actions and the consequences toward the future of mankind I have spoken up and made a stand with the lawful authority as Commander over the corporations plus representing God Almighty. I acknowledge our Father in heaven and creator God who made us all with our own unique DNA and claim back for every living man woman or boy or girl in Aotearoa also known as New Zealand and to the people in the world who have taken the vaccine your own unique DNA, that you are not a patented product or the property of another and that you are a child of the living God and claim on your behalf that your body belongs to the loving God who created you and that your body be restored back to way God intended it to work and speak healing into your bodies and restoration of every organ and system and cell within your body and expel anything harmful from your body through the Powerful name and the precious blood of son of God Jesus Christ to the glory of God and I quote psalm 103 Praise the Lord O my soul and forget not all his benefits who forgives all your sins and heals all your diseases. I also quote Romans chapter 3 verse 23-26 ” for all have sinned and fall short of the glory of God, [24] being justified freely by His grace through the redemption that is in Christ Jesus, [25] whom God set forth *as* a propitiation (our atonement to allow us to be reconciled back to relationship with our Creator God) by His blood, through faith, to demonstrate His righteousness, because in His forbearance God had passed over the sins that were previously committed, [26] to demonstrate at the present time His righteousness, that He might be just and the justifier of the one who has faith in Jesus.” The highest law in the world is the Holy King James Bible and quoting scripture is our defence.

In the attached document the last paragraph written in red on page 12 Declares that Janine has now removed the jurisdiction of the corporations to rule this world and placed us directly under the jurisdiction of Lord God Almighty and has been presented in the physical and heavenly realm. Over time people will understand the power of these words and what they mean.

NOTICE OF IMMEDIATE SUMMARY JUDGEMENT AND TAKE OVER OF DEBTOR CORPORATIONS and ALL ASSETS 20th September 2024

We declare God's Holy word from Colossians chapter 2 verse 14 and 15 and 1 Peter chapter 1 verse 19 that Jesus has already purchased and redeemed us by the pouring out of his own precious blood and We seal this document and all preceeding documents presented and unrebutted by the Claimant Janine on behalf of every man, woman, boy and girl on the land of Aotearoa with the blood of Jesus Christ having wiped out the handwriting of requirements that was against us and having nailed it to the cross disarming all principalities and powers triumphing over them.

United Nations is under a corporation and a corporation can never have authority over living men and women and their offspring.

I, Janine formally and lawfully became the Commander of the all the listed New Zealand Government Corporations at 5pm on 19th day of September 2024 with some preceeding this date and did not authorise Winston Peters to make any decisions on behalf of all the people living in our land. I stand with the people of our land who wish to maintain our sovereignty and will send formal response to the United Nations and Winston Peters to revoke any decisions made that are not in the best interests of the people.

Kia Kaha!, stand strong!, as you are no longer debt slaves or the property belonging to another and your individual inalienable rights have been restored and full rights to freedom, equality and dignity, right to make informed decisions around one's health and wellbeing based on the principal of love and do no harm.

VOLUME 4 - PART 9

PROCLAMATION AND ORDERS FOLLOWING THE SUMMARY JUDGMENT

8-10 October 2024

Documentary Record

PROCLAMATION of Janine of The House of Arabella and Walters on the Eighth day of October I the year of our Lord 2024 as the Commander of the Crown Corporations and all other listed corporations in this declaration.

I Janine of the House of Arabella and Walters firstly lay a foundation of truth as it is the truth that will set you free. The following scriptures are quoted from the Holy word of God from the King James Bible

Genesis Chapter One

Verse 1 In the beginning God created the heavens and the earth.

[26] Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over [a]all the earth and over every creeping thing that creeps on the earth." [27] So God created man in His *own* image; in the image of God He created him; male and female He created them. [28] Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that [b]moves on the earth."

I acknowledge Almighty God as Our Creator that he made man and woman in his image and he made us caretakers of the earth

1 John chapter 1 verse 5-10 says: This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all. 6 If we claim to have fellowship with him and yet walk in the darkness, we lie and do not live out the truth. 7 But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin. 8 If we claim to be without sin, we deceive ourselves and the truth is not in us. 9 If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness. 10 If we claim we have not sinned, we make him out to be a liar and his word is not in us.

If we are to rid our world of evil first we have to address it within our own heart first.

Romans chapter 3 verse 23 says that all have sinned and fall short of the glory of God, however verses 24-26 reminds us of the great love our Creator Father God has for us that Jesus paid the price for our redemption and we can only stand before Almighty God if we repent and receive forgiveness through Jesus and be cleansed and made whole and worthy and pure through him. For this next season we are about to enter we need God's divine help and guidance.

In **James chapter 4 verse 8** Draw near to God and he will draw near to you, resist evil and it shall flee

I believe that God has been divinely leading me with a way to lead the people into freedom and freedom only comes when knowing the truth.

John chapter 8 verse 32 You shall know the truth and the truth will set you free.

My role at this time is to point all to our Father God and Jesus his son where you will find love, truth, hope, freedom and peace. This first step to Freedom is knowing who we are. As we discover that our Creator God loves us and trust him wants the best for everyone of us that there is sufficient love and resources for all it removes all fear, we can get rid of selfish ambition and can start standing together as one.

1 John chapter 4 verse 18 God's perfect love casts out fear. Remain in God's love with faith and trust that ultimately he is in control and he will restore justice and bring healing.

On the nineteenth day of July in the year 2024 as the living Commander over the Crown corporations I have placed the jurisdiction of our land under Creator God Almighty in his right place and his holy word as our right and true foundation and I bring you the following proclamation.

All Rights Reserved

From each of the dates mentioned above I, Janine of the House of Arabella and Walters stepped in as the living Commander over each of the corporations in the full status of a living sentient sovereign being where the corporations' directors and executive officers have been receiving instructions from me. My successful and unrebutted claims were done under the jurisdiction of Almighty God acting on his behalf and on behalf of every man, woman boy and girl living in our land known as Aotearoa and the colony of New Zealand. The corporations were given until the seventh day of October 2024 to comply and follow these instructions and every one of these corporations and their officers are in dishonour so with total and full lawful rights I hereby proclaim and declare to all men and woman and their offspring living in the colony of New Zealand and on the earth on the eight day of October 2024 the following statements and declarations:

That the I Janine the living Commander of the Above listed corporations provided the means to pay off the National Debt on the nineteenth day of July 2024 and due to the officer with instructions not complying and paying off the national debt that from twentieth day of September 2024 actioned with full lawful right the cancellation of the national debt over every man, woman, boy and girl plus actions backdated to 19 July 2024.

That the officers of the listed corporations were instructed to reduce all forms of personal and income and goods and services taxes to maximum of ten percent by the seventh day of October 2024 and this did not occur, so with full lawful right as the Commander I now cancel all personal and income and goods and service taxes that have been placed on the people due to all of these being charged fraudulently and these taxes can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce fraudulent and cancelled taxes upon them with all past taxes owed and student debt cancelled from 19 July 2024.

That I Janine the living Commander of the above listed corporations ordered their officers by seventh day of October 2024 to reduce property taxes to maximum of one thousand per year per property backdated to nineteenth day of July 2024 and I confirm this did not occur so with full lawful authority I cancel all property taxes altogether due to fraud backdated to 19th day of July 2024 and any past charges or debt owed is cancelled backdated to 19 July 2024.

That backdated to nineteenth day of July 2024 fuel tax as well as road user charge and toll charges public parking fees can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce these fraudulent charges so that travel on New Zealand roads and parking be free for freedom of movement throughout New Zealand.

That I Janine the Commander of the above listed corporations and their officers ordered their officers backdated to nineteenth day of July in year of 2024 to drop all speeding and parking and property fines and declares that speeding and parking and property fines can only be charged where a crime of harm against another individual can be proven, and the people are now informed that speeding and parking and property fines are not enforceable unless a crime of harm has been committed, and this will stop intentional revenue making off the people. That the police are reestablished as peace officers and councils and the courts of New Zealand return to serving the people and preventing harm rather than revenue making.

That the original meaning of the word LEGAL was in an 1893 Dictionary of Arts and Science and Encyclopaedia Britannica 1893 volume defined as 'the undoing of God's law' or the removal of God. As we are now under Jurisdiction of God almighty and God's law through the Holy Word of God the legal system is now abolished over the people as it is only crown law which is corporate law that only controls corporations.

That I Janine as the living commander over the Crown corporations call the fraud in the Crown property titles where men and women have been deceived into believing they are buying a property where in actual fact they only hold the document title with geographical markings not the land underneath and the land deed has been withheld from them. Wherever fraud is found documents and titles they become null and void and all crown property titles now revert back to the unextinguished native titles. To protect individuals who have innocently bought property believing their titles to be correct and true they are assured that if they are living on a piece of land they retain the right to keep living on that land where individuals will be shown the process shortly to claim full living rights to remain living on that land.

All Rights Reserved

That as a result of crown titles becoming null and void then mortgages all become null and void due to fraud and deceit. That payment on mortgages can no longer be enforced, and banks and officers working within the banks can be charged for fraudulently continuing to remove funds from bank accounts including taking out fraudulent property taxes. To perfect the law I Janine as the living Commander of all the listed Crown corporations confirm that Crown property titles are now obsolete due to fraud and the mortgage is attached only to the Crown title and so now the Crown title is obsolete the mortgage is also obsolete. To make certain there is no misunderstanding a repeat this a third and final time. Mortgage documents and Crown land title documents were created fraudulently and anywhere there is fraud the documents become null and void.

That if bank corporations continue to charge people for their mortgages which are now null and void the people can lay a charge of harm against the banks and their officers. That if banks are to continue to function they have to show they are willing to work honourably. Banks are no longer to operate as fraudulent debt collectors as they will be charged for being fraudulent third party debt collectors.

That all my past documents were created as living documents only under the jurisdiction of Almighty God and his Holy scripture where upper and lower and title case don't matter, what matters is the truth, where each defendant had the opportunity to rebut and they didn't and as there was no rebuttal my documents stand as truth in law and commerce where the commercial charges still stand and continue going up ten percent per week until settled in full with the lawful right to add further charges of harm as the full truth comes out.

That all the assets belonging to the above listed corporations are now placed in Janine's Trust where I Janine am the settlor and all people living in our land are the beneficiaries for the use and benefit of the people and if an officer of a corporation or agent acting for any of the listed corporations tries to steal any of the assets they can be charged with theft or a whole series of other charges. The corporation property asset lists will be added today so that all people know what now belongs to them as beneficiaries and they can notify me of any unlawful sales notices or activity.

That I Janine as the living commander over the Crown corporations declare that I have all my affairs in order with a successor to step into this role in the event something happens to me or to act on my behalf if not able to be present to action any orders, and my successor has someone to step into the role of Commander and so on, so the actions and orders can not be stopped until all actions and claims of harm are addressed.

That a committee of people now be set up to address harm done by the covid 19 vaccine where men and women can make a commercial claim of harm with evidence for deaths, severe adverse reactions, discrimination, loss of employment and livelihood and these claims lodged with the committee who ensures all claims are genuine where all must be paid out or the individual can request their payout to be taking over one of the Crown corporation assets.

That the roll out cease immediately of all mandated vaccines including children and elderly and flu vaccines until full disclosure is provided what is in these drugs, the rate of success and effectiveness of each drug and profit margin plus all alternative health and treatment options with the same information, that Big Pharma no longer controls people's choices for health and wellbeing.

That if ASB Bank doesn't immediately release fifteen billion dollars into a housing fund overseen by me the living Commander then all ASB Bank assets will be liquidated including those of its directors and Chief executive officer. ASB Bank has in their possession on the True Bill Ledger the bank account number for depositing called House of Talia Dawn Private Foundation.

That I Janine the living Commander declare that no fluoride or any other harmful chemical can be added into any drinking water or waterway and any officer or agent of any corporation that tries to enforce this will be charged with crimes against humanity plus commercial charges of harm and that every man and woman has the right to lay charges of harm against any man or woman who tries to do this with immediate effect using my liability notice with compensation charges which is found attached to this document on the public notice board publicnoticesnz.com where this and other documents will be constantly evaluated and simplified for use.

That recently Nicola Willis in the role of Finance Minister released the information to the public about the profit margin mark up that the power and communication corporations were making and some of these corporations

All Rights Reserved

are partly owned by the Crown, therefore I Janine as the living commander over the Crown corporations orders the profit margins be lowered of the Crown energy and communication providers to maximum of 20% mark up for monthly charges on power, communication such as telephone, mobile and internet that every household and individual has the means of communication for his/her essential needs and to communicate with their loved ones wherever they be in the world. That will set precedent for all other energy and communication providers.

That to date the media has been controlled by corporations outside of our country and we now hold all men and women who work for any type of media that from this date being eighth day of October 2024 that if they spread any false information with the intent to deceive and cause harm they can and will be charged as individuals as well as the corporations they represent where commercial liability charges of harm will be worked out according to their coverage reach and these corporations will quickly be liquidated and assets seized and taken over if this continues. They are now commissioned with telling the truth and no longer causing harm.

That anyone acting on behalf of any corporation that does any action that causes harm to our people or our land or our food, our water, our animals, our plants, our air or any other resources that we need for survival they can and will be charged and held accountable. That the list of ingredients needs to be listed going into foods, medications or products going in or into our bodies plus chemical sprayed on our plants, where if products do not list this information they can be removed from the market and if any product contains harmful substance products they shall be removed from the market.

That the pilots and the corporations they are acting on behalf of any plane or flying aircraft that continues to spray known or unknown harmful substances into the sky they can and will be charged where people can put in rightful claims of harm under God's law, and planes can be taken off these corporations and given to the people for use for good instead of harm.

That the officers or agents acting on behalf of any corporation using any type of technology to manipulate our weather or the earth to cause harm will be charged where the technology or devices or products causing harm and any assets of these corporations can be seized by the people who put in rightful claims of harm under God's law.

That any other matter that I have forgotten to mention where a man or woman does any type of harm on behalf of a corporation both the individual and corporation can be charged by people putting in rightful claims of harm under God's law. I also say here that no officer of any of the corporations can give orders without my written authorisation and any orders given are null and void if not authorised by me and I did not authorise the Crown corporations to join our country to United Nations so we remain independent and sovereign.

BE IT KNOWN THAT on 28 October 1835 on our land known at that time as Aotearoa a declaration of Independence was signed between King William 4th and Hongi Hika where King William agreed that the natives living in the land would retain their sovereignty and independence and this declaration was broken down into four articles. This continues to stand as truth that can not be denied.

BE IT KNOWN THAT on 6 February 1840 the treaty of Waitangi was signed between 43 chiefs and William Hobson on behalf of Queen Victoria that was a trading agreement where land was able to be purchased for the white man to settle based on Queen Victoria providing the natives protection and maintaining their independence and sovereignty to manage their own affairs. The maori translation was different than the English translation and the native translation is the true recognised version.

BE IT KNOWN THAT some native land deeds were sold lawfully to Tauiwi coming to live in this land. Tauiwi means the people who have come from overseas.

BE IT KNOWN THAT some native land was sold unlawfully or seized without any payment to the native people

BE IT KNOWN THAT since this time that the Crown corporations have made some large land settlement payments to iwi to try and correct wrongs of the past.

BE IT KNOWN THAT since this time many innocent Tauiwi have purchased land in this country.

All Rights Reserved

BE IT KNOWN THAT Queen Victoria did not honour the agreement to provide protection for the native people where armed forces rose against them to remove them from their own land which make the treaty null and void with land wars occurring 1843-1872 where there was loss of life and large blocks of land forcefully confiscated off the native people.

BE IT KNOWN THAT there have been many wrong land confiscations where some have been acknowledged and have received settlement and compensation and others haven't, and that all unresolved land claims must be settled and compensated.

BE IT KNOWN THAT God created the land and no man can own land, he can only live on it and take care of it and be guardians on it. God created men and women and men and women created corporations and a corporation can never have control of a man or woman. When God created men and women they were supposed to protect and care for each other and the land, that all men and woman were created equal with no one having the right to control another.

BE IT KNOWN THAT the principle of the original treaty agreement was that guardianship of the land was going to be done in partnership, however the white man and corporations took over that control. Crown corporations have tried to administer the affairs of men and women and land but done it in such a way to cause harm and slavery and hardship and have demonstrated poor guardianship of this land and never held the lawful right to do this. The guardianship of the land is now returned to a partnership agreement with all native people where to obtain harmony need to enter into a new treaty agreement that will start as a 50/50 agreement between Mauri and Tauiwi until such time it is determined true percentage of guardianship that each man, woman and tribe hold where I bring the assets that belong to the corporations to be also held in trust on behalf of the people. Mauri are the native people form our land and Tauiwi are the people who have comes from overseas to live in this land.

BE IT KNOWN THAT whoever has bought land with honest intent and paid market value continue to have the right to remain living on that land. That all have the right to make a land claim to become guardians of the land.

BE IT KNOWN THAT the Mauri people are now restored back to the original 1835 declaration of Independence with the lawful right to sovereignty and independence. This first agreement was with one white man – King William where this agreement was made with mutual love, respect and trust. The Mauri Nation are now free to govern their own people, no longer under Crown law and can make their own law. I encourage you to keep it simple, don't fall into the trap of copying their system, ask how you would like things to be, place people in leadership that demonstrate the values love God and love their neighbour as themselves. The second agreement in 1840 presented by another white man was made using deceit and greed. We can not change the actions of the past however we can choose to change our future.

BE IT KNOWN THAT I wish for Mauri People to consider partnering with me Janine as a white woman who wishes to stand on truth and honour and with mutual love and respect where the Crown and corporation assets which are now under my control are placed in a trust where we appoint some Mauri and Tauiwi to be care takers of these assets, where we agree that going forward from this day we are under the law of God where all the law is summed up with loving God and loving our neighbour as ourself where we recreate our country and local communities to a place of freedom, where we love our Creator God, love our neighbour as ourself and do no harm. Once we free ourselves of restraints just imagine how we can be where we don't have to compete for resources, there is sufficient for all. Our starting point is stepping into our own freedom and independence and sovereignty, then finding a way to live in unity with others. The Mauri people have a large role in achieving this and I want to see all restored and come to a place where we can leave the past behind to move towards an exciting future of creating what we have always wanted – love, peace and harmony which starts with everyone of us, and I will be attending Waitangi on 28 October 2024 by invitation, and also hope to have a private meeting with our new Mauri queen of how we can work in partnership.

BE IT KNOWN THAT I am setting up a place to meet on 26 October 2024 with all who are interested Mauri and Tauiwi to find our way forward, find our shared values and common goals and what each other's interests are as we need the assistance of everyone to address all the needs of our country and I am doing this in conjunction with Lady Crown Turikatuku III from Nga Puhi.

Now I wish to speak on a personal level **Firstly**, with my hand on my heart, I would like to take this opportunity to acknowledge the past injustices and the massive consequences that have been occurred to the Mauri people, where their rights and freedom were wrongfully taken away. The first step in healing is full acknowledgement of the wrongful deeds of our past. I Janine with full sincerity humbly apologise to all Mauri peoples of Aotearoa (New Zealand) for the injustices, breaches, theft of land, slaughtering of their people and crimes committed against them by the colonists and my forefathers before me. It is for this reason that I make this proclamation at this time.

I would like to tell you a little about my journey that has lead me to where I am today. I grew up in a home with a loving mother and father who believed in me and taught me I could do anything. I took this strong belief into my life, however another member in my family was in a bad space due to significant trauma that happened to him before I was born, where from day one he chose to hate me and treat me badly and I developed the belief that I am worthless and I ended up marrying someone who treated me this way. Our life experiences shape us, but it is actually our beliefs around those experiences that really shape us. I took on that I was worthless until much later God showed me that I was lovingly created by him that things changed for me. In order for me to heal and change my future I had to change my beliefs from being worthless to one deserving of love and being treated differently. After my first marriage broke up I discussed with my children and my parents that I would like to change my name and will their full support I changed my name to 'Arabella' which has two meanings -lovable and God is faithful and he answers prayer. Up until that time I had tried to do what is right and I made a decision to trust God that he would turn things around for good, and that he would bring a man into my life who trully loved me and that I would be fully restored in every capacity. I met Richard in 2012 and he is definitely a man who loves me and supports me who I am proud to be have by my side.

The reason I am sharing this story is realising the power of words, I changed my name and my view of myself and I changed my destiny. Way back near when the white first came here they gave you the name Ma-ori which was not in your language before that time. I have had one of your people break down the meaning of the word. It means victim and from that time you were victimised. You have the power to change your name and change your destiny. Some of your people have started calling themselves 'Mauri' and this means the essence of life. I wish to share that "Ma" means "first" and "Uri" means one's vital essence—the Crown, the first breath. Start seeing yourselves as Mauri that are the essence of life where you have the ability to recreate life the way you want it to be. You are no longer victims.

Again, 'Pakehā' carries a negative undertone, as 'Pa' means 'to block or obstruct,' while 'Keha' refers to 'a blood-sucking insect.' This implies us being blood-sucking insects. Here is a more positive term for people like me 'Tauiwi'. Tauiwi means people who have come from overseas. Let us start viewing each other differently as we all at some point came from overseas to be here. If we start viewing each other differently rather than being enemies and looking at our differences let's find our common values.

I remember well one of my first proper overseas travel where I went to America first starting in Florida and Georgia then moving right up the east coast to New York and was fascinated as the people were just like me – we had the same hopes and dreams, wanted peace and harmony, wanted the best for our children. Let the Mauri in our land and the Tauiwi start viewing each other as most of us wanting the same things. As we connect with each other and listen to each other's hearts we will discover that we are all alike.

The other matter I wish to share is that I started this journey of justice as a grieving mother wanting to hold people and the corporations they work accountable for their actions. My initial place was one of anger and wanting vengeance against the people who harmed my daughter. At some point I needed at address the evil within my heart and that vengeance was a wrong motive and had to ask for God's help for me to forgive so that I could continue the actions I am taking with pure motives where justice and mercy are in balance so if the people who have done harm are willing to own their actions they have the opportunity to make amends.

God showed me his way is one of Love, Freedom and Choices however with freedom of choices comes full accountability and if we make amends we can be restored. This is the path we need to choose. We need to

All Rights Reserved

acknowledge the evil within us first if we are to stand and fight against evil and realise that we are all here by the Grace of God and we all need him in our own personal lives plus to help unify us and help create a world with love and peace and harmony that can only be achieved through him. I encourage all to do the same.

God has given us an amazing opportunity to do things his way, this is not the time to copy anything from the system we have known but to start with a blank slate where our foundation is that we were created by God and his two greatest commands are love the Lord your God with all your heart and soul and mind and love your neighbour as yourself. The way forward is love, forgive, make amends and unite. People let us unite as one!

I Janine of the House of Arabella and Walters have made this Proclamation as the Commander of the listed Corporations before three witnesses and before Almighty God knowing the contents to be true and correct with first-hand knowledge and innerstanding "So-help-me God" with the right to correct any honest made errors or mistakes.

Date: 10th day of the month of October in the year 2024

To all to whom these presents shall come:

All listed and crown corporations are informed that I, Janine the House of Arabella, took over as Commander and Chief over all listed and crown corporations from Friday the 19th day in the month of July in the year of 2024, with further takeovers on 20th day in the month of August 2024 with full control and ownership/guardianship over all the assets of all listed and crown corporations in place by 20th day of the month of September 2024. The takeover dates of each corporation are listed in paragraph 24. All of the assets are now held in Janine's Trust of which I Janine of the House of Arabella am the co-settlor where all the people of New Zealand are the beneficiaries.

Whereas, due to the lawful process we have gone through, unrebutted acquiescence, tacit admission, on behalf of Almighty God and on behalf of all men, women, boy and girls, living in and on our lands, all listed and crown corporations were taken over due to fraud and deceit, and being in dishonour of payment of the lawfully placed commercial liens. As we have taken over the running of all listed and crown corporations that makes Crown Corporate Law, I Janine have the lawful right to add, alter, amend and delete any laws/orders made that are causing injustice and harm, and add laws/orders for protection of the people and the lands.

Orders from the day of Friday the 19th in the month of July in the year of 2024 can only come from the lawful Commander and Chief of each of the above crown corporations and as I, Janine shall now declare that any orders or decisions made after this date by all listed and crown corporation agents and officers, are null and void, unless there is written authorisation made by me, Janine. My orders are clear for all recipients of this communication and have attached to all listed and crown corporations the full orders that have gone out with a summary as stated herein;
Therefore I, Janine of the House of Arabella, the Commander and Chief of all listed and crown corporations in Aotearoa, in the realm of New Zealand, have backdated the following orders from Friday the 19th day of the month July in the year 2024 and *shall* with full authority;

1. **Declare that** I have placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote **Exodus chapter 20 verses 15 and 16** *"Thou shall not steal and though shall not bear false witness against thy neighbour."* The corporation and their officers shall now held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis **Chapter one verse 27** *"so God created man and woman in his own image, the image of God he created them, male and female he created them."* God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman;

2. **Declare that I have issued an Immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply within this land known as Aotearoa, in the realm of New Zealand into our water or onto our land or into our air or into our food supply or into our animals or plants or into vaccinations or other recommended pharmaceutical drugs, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event, where the government own data released on 31 March 2024 had the population at that time being 5,388,900 which brings the total amount of commercial liability for placing fluoride or any harmful chemicals or substances to five trillion, three hundred and thirty-eight billion, and nine hundred million dollars that will be released instantly to the people or the people of each council local government area can seize all the local assets and take over the running of their local communities in such a way that no harm is done, plus can take over immediately the personal assets of any agent, officer, minister or employee of any crown or council corporation continue with any actions of harm;**

All Rights Reserved Absolutely

3. **Declare that I have** provided the means to pay off the National Debt on the 19th July 2024 and the officers did not comply with the order. So with full lawful rights and authority, from the 20th of September 2024 I actioned the cancellation of the national debt over every man, woman, boy and girl, as it was never their debt to begin with;

4. **Declare that I have** instructed the officers of the listed crown corporations to reduce all forms of personal & income & goods & services taxes to a maximum of ten percent by the 7th of October 2024 and the officers did not comply with the order. So with full lawful rights and authority, I have cancelled all personal & income & goods & service taxes that have been placed on the people due to all of these being charged fraudulently and these taxes can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce fraudulent & cancelled taxes upon them with all past taxes owed & student debts cancelled from 19 July 2024;

5. **Declare that** I had ordered that the crown corporations reduce property taxes/rates to a maximum of one thousand per year per property backdated to the 19th day of July in the year 2024 and the officers did not comply with the order. So with full lawful rights and authority, I have cancelled all property taxes and rates altogether due to fraud backdated to the 19th of July 2024 with any past charges or debt owed cancelled and unenforceable;

6. **Declare that** I have ordered that all listed and crown corporations can no longer enforce fuel taxes, road user charges, toll fees, or public parking fees on individual men and women. No officer or representative *shall* have the authority to impose or enforce these unlawful charges. Travelling on New Zealand roads and parking is now free to ensure the right to freedom of movement within and across the realm of New Zealand;

7. **Declare that** I have ordered that all fines related to speeding, parking, and property violations shall be immediately suspended, as such fines can only be imposed when a crime involving harm to another individual is proven. Consequently, only crimes involving harm *shall* be enforceable. This measure aims to prevent the unjust collection of revenue from the public. I also order that police officers *shall* be reestablished as 'peace men and women.' Additionally, local councils and courts in New Zealand shall shift their focus from revenue generation to serving the public and preventing harm;

8. **Declare that** I have abolished the legal system as applied to the people, as the original meaning of the term 'legal,' according to the 1893 Dictionary of Arts and Science and Encyclopaedia Britannica (1893 volume), is defined as *'the undoing of God's law'* or the removal of God. Henceforth, we are now under the jurisdiction of God Almighty and the laws of God, as revealed in the Holy Word. Furthermore, Crown law is corporate law, which only governs corporations, not individuals;

9. **Declare that** due to having exposed the deception within Crown property land titles, where individuals have been misled into believing they are purchasing actual property. In reality, they only possess a document title with geographical markings, while the land deed has been withheld from them. Wherever fraud is found on documents and titles they have become null and void and all crown property titles now revert back to the unextinguished native titles. To protect individuals who have innocently bought property believing their titles to be true and correct, they are assured that if they are living on a piece of land they retain the right to keep living on that land where individuals *shall* be shown the process shortly to claim full living rights to remain living on that lands;

All Rights Reserved Absolutely

10. **Declare that** as a result of Crown property land titles over lands becoming null and void then mortgages have become null and void due to fraud and deceit. That payment on mortgages can no longer be enforced, and banks and officers working within the banks can be charged for fraudulently continuing to remove funds from bank accounts including taking out fraudulent property taxes/rates. So with full lawful rights and authority, to perfect the law, I confirm that Crown property titles are now obsolete due to fraud, and the mortgage is attached only to the Crown title, and so now the Crown title is obsolete, and the mortgage is also obsolete. To make certain there is no misunderstanding. I repeat this a third and final time. Mortgage documents and Crown land title documents were created fraudulently and anywhere there is fraud the documents become null and void;

11. **Declare that** I have rendered mortgages void. Therefore if bank corporations continue to charge individuals for these now null and void mortgages, the affected individuals *shall* file claims of harm against the banks and their officers. If banks wish to continue their operations, they must demonstrate a commitment to acting honourably. They are no longer permitted to function as fraudulent debt collectors and will face charges for operating as fraudulent third-party debt collectors;

12. **Declare that** all my previous documents were created as living documents solely under the jurisdiction of Almighty God and His Holy Scripture. The case format, whether upper, lower, or title case, is irrelevant; what matters is the truth. Each individual of the crown corporations had the opportunity to rebut, and their failure to do so means that my documents stand as truth in law and commerce. Consequently, the commercial charges remain in effect and *shall* continue to increase by ten percent per week until fully settled, with the lawful right to impose additional charges for harm as the complete truth is revealed;

13. **Declare that** all assets belonging to the aforementioned corporations shall be placed in Janine's Trust, where I, Janine, am a co-settlor, and all individuals residing in the lands are the beneficiaries. These assets are for the use and benefit of the people. If any officer of a corporation or agent acting on behalf of any of the listed corporations attempts to misappropriate any of these assets, they *shall* be subject to theft charges, along with various other legal charges. The asset lists of these corporations are now considered public property, and the people have been notified that all corporate assets belong to them as beneficiaries. They can inform me of any unlawful sale notices or activities;

14. **Declare that** the original 1835 Declaration of Independence initiated between King George IV and Ariki Hongi Hika and the Treaty of Waitangi 1840 where the native translation is the true recognised version, where both continue to stand as truth that can not be denied, with the Mauri Native people having the lawful right to sovereignty and independence, free to assemble and operate without interference from the crown corporations or the New Zealand police force, enabling Rangatira and lawmakers to establish, organise, and assert all their rights, powers, privileges, and authorities as they see fit for their Nation; where no man or woman or boy or girl living in this land are subject to Crown Corporation Law, fully able to set up their own governance on the lands providing all men and women with the opportunity to choose.

All Rights Reserved Absolutely

15. **Declare that I have issued an Immediate Cease and Desist on all agents and ministers of the listed corporations and crown corporations, as well as Te Tii Trust Board, Ratana, Waitangi Trust Board, Kingiitanga, Ngapuhi Iwi, Minister of Maori Development, Minister of Treaty of Waitangi Negotiations and any other current or successor signatories; are to cease signing the annual Waitangi contract on or around 6th February every year, to keep all listed corporations and crown corporations in power, knowing they are foreign entities registered in Washington D.C and the United Kingdom. Any monies or cheques that enter Aotearoa for the nation shall be given back to the Crown of the Mauri Native Nation (previously known as Maori) for the benefit of their people. Any individual found to be a signatory to this annual Waitangi contract or withholding the people's money shall be charged with full commercial liability in the private which will mean seizure and takeover of all personal assets; a minimum one million dollar charge of harm against any man, woman, boy or girl in Aotearoa New Zealand affected; and you will lose all lawful rights of claim of any land claims in Aotearoa New Zealand for any actions of harm against the Crown of the Mauri Native Nation, Rangatira, Lawmakers and their people;**

16. **Declare that** I have arranged all my affairs, including the designation of a successor to take on my responsibilities in the event that something happens to me, or to act on my behalf if I am unable to be present to implement any orders. My successor *shall* also have an appointed individual to assume the role of Commander, ensuring that actions and orders can proceed without interruption until all actions and claims of harm are fully addressed;

17. **Declare that** a committee is established to address harm caused by the COVID-19 vaccine. This committee will allow individuals to file commercial claims for harm, including evidence of deaths, severe adverse reactions, discrimination, and loss of employment or livelihood. Claims submitted to the committee will be thoroughly verified for authenticity. All valid claims shall be compensated, or the individual can request their payout to be fulfilled through one of the Crown corporation's assets;

18. **Declare that** the rollout of all mandated vaccines, including those for children, the elderly, and flu vaccines, *shall* cease immediately until there is full disclosure regarding the contents of these medications, the rates of success and effectiveness of each drug, their profit margins, and all alternative health and treatment options, along with the same information. It is essential that individuals are not subjected to the control of Big Pharma companies over their health and well-being, with a minimum one million dollar charge of harm in place for any type of harm that happens to any man, woman boy or girl in Aotearoa New Zealand;

19. **Declare that** the current debt of all the listed corporations is **$24,892,991,374,021.20 Twenty-four trillion, eight hundred ninety-two billion, nine hundred ninety-one million, three hundred seventy-four thousand, twenty-one dollars and twenty cents any currency of my choosing or Pure Gold (Tender: 99.99% 1 troy once Pure Gold Legal Tender Minted Coins)** due for immediate payment, into the housing fund or any account nominated by me, that I oversee as the living Commander, and if there is not an immediate payment we will exercise with full lawful rights and authority the liquidation of all assets belonging to its directors and any officers holding liability. ASB Bank and Crown corporations possess the bank account number for the deposit, known as the **House of Talia Dawn Private Foundation,** recorded on the Live True Bill Ledger which has Ten percent accruing interest per week until settled in full, and the lawful right to add further charges of harm, for minimum of one million dollars for every man, woman, boy and girl per event;

20. **Declare that** recently, Nicola Willis, in her capacity as Finance Minister, disclosed to the public the profit margins being generated by power and communication corporations, some of which are partially owned by the Crown. Therefore, I, Janine, as the living Commander overseeing the Crown corporations, order that the profit margins for Crown energy and communication providers *shall* be reduced to a maximum markup of 20% for monthly charges related to power, telephone, mobile, and internet services. This ensures that every household and individual can maintain essential communication with their loved ones, regardless of their location in the world. This directive shall establish a precedent for all other energy and communication providers;

21. **Declare that** to date, the media has been controlled by corporations based outside of our country. Therefore, as of the 8th October 2024, we hold accountable all individuals who disseminate false information with the intent to deceive and cause harm. These individuals, as well as the corporations they represent, can and *shall* be charged minimum one million dollars for every man, woman, boy or girl that has been affected. From this date forward, they are commissioned to convey the truth and refrain from causing harm, bearing full liability for the continued spread of false information;

22. **Declare that** any individual acting on behalf of a corporation who engages in actions that cause harm to our people, children, land, food, water, animals, plants, air, or any other essential resources for survival will be held accountable and charged. This includes those participating in euthanasia and abortion. Additionally, all ingredients in foods, medications, or products that enter our bodies, as well as chemicals sprayed on plants, must be listed. If any product fails to provide this information, it *shall* be removed from the market. Furthermore, any product containing harmful substances will also be removed from circulation;

23. **Declare that** pilots and the corporations they represent, who continue to spray known or unknown harmful substances into the atmosphere, *shall* face charges. Individuals will have the right to file lawful claims for harm under God's law. Additionally, aircraft operated by these corporations can be repurposed and given to the people for beneficial use rather than harmful activities;

24. **Declare that** any officers or agents representing a corporation who utilise technology to manipulate the weather or the earth in a harmful manner will face legal charges. The technology, devices, or products responsible for causing harm, along with the assets of these corporations, *shall* be seized by individuals filing lawful claims of harm under God's law;

25. **Declare that** for any other matters I may have overlooked, where an individual causes harm on behalf of a corporation, both the individual and the corporation *shall* be held accountable by the people through legitimate claims of harm under God's law. Furthermore, I stipulate that no officer of any corporation *shall* issue orders without my written authorisation. Any orders given without my approval are considered null and void. Additionally, I did not authorise the Crown corporations to affiliate our country with the United Nations; therefore, we maintain our independence and sovereignty;

26. **Declare with** full lawful clarity corporations HEALTH NEW ZEALAND, ASB BANK and ASB HOLDINGS were taken over on Friday the 19th day in the month of July in the year of 2024, and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS were taken over on the 20th day in the month of August 2024 and all other listed crown corporations TAURANGA CIVIL HIGH, COURT, HIGH COURT OF NEW ZEALAND, NEW ZEALAND HIGH COURT, HIGH COURT NZ, NZ HIGH COURT, MINISTRY OF JUSTICE, HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND, THE QUEEN'S MOST EXCELLENT MAJESTY IN RIGHT OF NEW ZEALAND, THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE, MINISTRY OF FOREIGN AFFAIRS AND TRADE, RESERVE BANK OF NEW ZEALAND, INLAND REVENUE, INLAND REVENUE DEPARTMENT, LOCAL GOVERNMENT NEW ZEALAND, NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY, NEW ZEALAND TREASURY, NEW ZEALAND DEBT MANAGEMENT, NEW ZEALAND POLICE and MINISTRY OF HEALTH were taken over with full control and ownership/guardianship over all the assets of all listed and crown corporations in place by 20th day of the month of September 2024. All Rights Reserved Absolutely

27**. Declare that** in matters involving inalienable rights of every man and woman, individuals are considered to be solely responsible for their actions and ***"I was only doing my job",*** quoted from Nuremberg principles *'acting on advice', 'acting under direction', 'acting under orders'* or any justification which involves a *'superior authority'* (such as an unsafe court decision) does not present as an acceptable defence, with a one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event;

FLAG OF THE UNITED KINGDOM OF GOD

BRIEF CONSTITUTION

AND

SUMMARY OVERVIEW OF THE NEW SYSTEM

Documentary record of the stated change of jurisdiction and implementation of the new system for this jurisdiction

Flag of the United Kingdom of God Constitution Summary

1.Love our Creator God - most people can accept that if there is design there must be a designer, and that if we acknowledge and show gratitude to our creator/designer that the principle of gratitude leads to attracting more good things into our life, where our Creator is the ultimate source of love. (Delight ourself in God and he shall give us the desires of our heart- Psalm 37:4)

2. Love our neighbour as ourself – everything is relationship based, if we show love and learn to forgive, we will communicate kindly and put effort in getting on with each other to try find win/win solutions

3. Do no harm – we are all accountable for our actions, accountability at all levels

4. Society works if all contribute – we get what we put in, principles of sowing and reaping, self responsibility

Leadership and Framework of Law/Justice

5. **A leader's role is to listen to the people and serve their needs.**
6. **Leaders will be chosen in each community according to character of being able to serve the interests of the people, not with self interest.** These community leaders represent the people at regional and national level, so that all communities represented at national level, but everything centred back to communities. removing layers of management with full accountability to improve effectiveness and reduce spending.
7. **Community leaders can become judges where trained in basic principles of law, love neighbour and do no harm and restorative justice model where all cases must have 2-3 witnesses to confirm done fairly and difficult cases can be heard by 3 judges.** (some practice models that show how this works)
8. **Legal man made entities such as corporations or trusts have no authority or administration or dominion over living men and women or their offspring.**
   All living men and women have had their standing returned of being alive and able to manage their own affairs without interference from others unless harm is being done.
9. **All hidden meanings in language have now been made null and void.**
   All that matters is the truth. If anyone uses legalese or any other hidden meaning or language with intent to deceive they can be charged for using deceit to cause harm. It is declared that all law documents are only to use plain simple English or the commonly known language of the people and Counting Systems, taken from the Oxford or Collins Dictionary of English prior to 2024 (to ensure no changing of meanings) where all character, form, style, colour and page layout, whether capitalised, lower case, bold or italics or underlined or brackets or any combination are to be taken as the plain simple English meanings of the words or have the definition clearly defined at the top or bottom of any law documents to help prevent fraud and deceit.

10. **All Living men and women are equal in the eyes of God and need to be treated as equal.** This constitution is inclusive of all as long as all agree to values of Love our Creator, Love our Neighbour as Ourself and Do no Harm and model already used demonstrating that it works.

Flag of the United Kingdom of God

Above is the Flag of the United Kingdom of God created on 10 October 2024 and copy and trade marked on 18 October 2024 by Janine of the House of Arabella and Walters where Flag symbol on first orders of Janine on 10 October 2024

Through Immediate Summary Judgement in the High Court of New Zealand claimed as Truth in Law and Commerce on 19 September 2024 the Jurisdiction of all living creatures and Land, Sea and Air and everything else was placed under Almighty God for New Zealand and the World

Declaring and bringing the Kingdom of God here on Earth

Explanation and description of the Flag of the United Kingdom of God

A flag recognizes jurisdiction where the principles and rules of the contract or covenant shall prevail, plus is a tool used for trade and allows entry into the countries and waters it holds jurisdiction over.

Colours: purple and gold represent royalty

Picture of lion wearing crown: represents the son of God Yeshua who is the King of Kings. The facial expression is one showing wisdom, authority, righteousness and compassion in perfect balance

Rays of light: coming out from the Son of God as he is the source of light

Meaning of the Words 'King of Kings' with symbol of cross alongside

In Genesis chapter 1:26,27 God made man in His own image, male and female He created them and gave us dominion over the earth as guardians of the land and all living creatures. Man wanted to become his own God and sin entered the

world severing the close relationship with our Creator. Our Creator always intended to be our King, Father and Advisor. Everything went wrong when man decided to be his own king or appoint another King in the place of our Creator.
The bible uses the word man to refer to male and female so whenever this word is used it refers to both men and women.
We were given dominion to be good stewards of the land, its resources and all living creatures.
The son of God Yeshua (Jesus Christ) came to Earth, lived a perfect life and gave his life on the cross to provide all men and women the opportunity to be restored back into a harmonious relationship with Our Creator of the Heavens and the Earth. When we acknowledge that He is Lord and King of Kings we allow Him to change and perfect us to be all that he created us to be, to walk in love and purity and to be one in Unity with our creator and our fellow man. For all have sinned and fall short of the Glory of God, and all are justified freely by his grace through the redemption that came by Christ Jesus. (Romans 3:23,24)

As our Creator God is a God of love He gave us freedom and the ability to choose, but with choice comes full accountability for our decisions. Each of us will give an account of ourselves to God. (Romans 14:12)
If we confess our sins He is faithful and just and will forgive us and cleanse us (1 John 1:9)
"For if you forgive other people when they sin against you, your heavenly Father will also forgive you. But if you do not forgive others their sins, your Father will not forgive your sins." – Matthew 6:14-15
We reap what we sow (Galatians 6:7) but God in his goodness creates paths to restore us when we confess our sins and take action to undo harm from our actions.

Meaning of the words 'Love our Creator God and Love Our Neighbour as Ourself'
Before the son of God Yeshua (the Hebrew name given to Jesus at birth) left the earth He left us with two important instructions: Love your Creator God and love your neighbour as yourself. (Matthew 22:37-40). Upon these scriptures hangs all the law. This means loving ourself as well as our neighbour and if we love we do no harm. Do for others as you would have them do to you. (Matthew 7:12). We discover how to love once we have experienced it, we love because he first loved us (1 John 4 :19)

Our forgiveness of others directly impacts our relationship with God. When we extend forgiveness, we experience the freedom it brings, allowing us to grow in grace and maintain our connection to God's love and mercy. "Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you." – (Colossians 3:13)

Philippians 2:10,11 Every knee shall bow and every tongue confess that Yeshua (Jesus) the Son of God is Lord

There are three slight variations of wording one saying name Yeshua, second as above, third saying Jesus Christ.

Freedom comes from surrender. Exodus 20:3 says that you shall have no other Gods – whatever we worship is what influences or controls us. How we spend our time gives us strong indicators of what influences or controls us. If we spend majority of our time on social media, maybe our God/influencer is worrying about what others think. If we spend all our time on our appearance then we become self-centered, if we go to drugs or alcohol to meet our needs then they become the things that control us. Our creator is a God of love who wants the best for us. If we have given Him first place in our lives, he will lead us on a path of fulfilment and purpose as he knows us intimately with each having a purpose to fulfil.

Another aspect is that the battle we face here on earth is a spiritual one. One of the high-ranking angels was lucifer (Satan) who decided he wanted to be worshipped and this was his downfall. This tainted his character and when he went down, he took down a third of the angels and mankind as well. There is now a battle between good and evil.

God is light, and in Him is no darkness at all. If we say we have fellowship with Him while we walk in darkness, we lie and do not practice the truth. But if we walk in the light, as He is in the light, we have fellowship with one another, and the blood of Jesus His Son cleanses us from all sin. (1 John 1:5-7)

All Rights Reserved

We win this battle by declaring the Son of God Yeshua as Lord and walking fully in the light by allowing Him to refine our character. The evil forces of this world and the current systems we live in have been corrupted by elite families who are active Satan worshippers whose intent has been to enslave mankind. They are terrified of the name of Yeshua as they know He is the true king and once we all acknowledge Him and become restored back into relationship with our Creator they lose their power.

Summary meaning of the Flag of the United Kingdom of God

The flag of the United Kingdom of God is about bringing the Kingdom of God back here on earth. Having earthly rulers has only led to control, enslavement and classes where our loving Creator God intended for us all to be equal.

This flag shows that the jurisdiction has changed from the corporations and kingdoms of this world back under God where all fraud, deceit and lies are now longer tolerated where all that matters is the truth and Love God and Love our Neighbour as Ourself and Do no Harm.

This flag allows right of entry into all countries and waters as man and woman who are independent living sentient beings with diplomatic status and peacemakers and the right to trade. Diplomats are still under the principles of Love God, love your neighbour as yourself and to do no harm, and diplomatic status can be removed if harm done.

Flag Constitution

Defining How the United Kingdom of God Works in Action

1. Love our Creator God – the creator and designer of all the heavens and the earth

In the beginning was the word and the word was with God and the word was God. (John 1:1)
The word of God is our guideline and judge and all principles are to come from the word of God where the two greatest commands from the Father and Son are to Love God and Love Our Neighbour as Ourself.
John 14: 26 "the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things"
Hebrews 10:16 "This is the covenant that I will make with them after those days, says the LORD: I will put My laws into their hearts, and in their minds I will write them," It is acknowledged that some people have tried to corrupt the scriptures, so have gone back to original Hebrew and Greek text for true meaning and intent.

Who is the true King to rule and govern?

The Son of God Yeshua (Jesus Christ) is the King and Governor and Ruler and we all come under Him. Our Father the Creator God raised Yeshua from the dead and seated him at his right hand in the heavenly places, far above all rule and authority and power and dominion, and above every name that is named, not only in this age but also in the one to come. (Ephesians 1:20,21)
Words of Yeshua in John chapter 15 v4 Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me. 5 I am the vine; you are the branches. Whoever abides in me and I in him, he will bear much fruit, for apart from me you can do nothing. 6 If anyone does not abide in me he is thrown away like a branch and withers; and the branches are gathered, thrown into the fire, and burned. 7 If you abide in me, and my words abide in you, ask whatever you wish, and it will be done for you. 8 By this my Father is glorified, that you bear much fruit and so prove to be my disciples. 9 As the Father has loved me, so have I loved you. Abide in my love. 10 If you keep my commandments, you will abide in my love, just as I have kept my Father's commandments and abide in his love. 11 These things I have spoken to you, that my joy may be in you, and that your joy may be full. 12 "This is my commandment, that you love one another as I have loved you.
As Yeshua returned to heaven He sent the Holy Spirit to be our Helper (John 14:26)

2. Love Our Neighbour as Ourself -**Everything is relationship based** starting on small level of a family

who care about each other and in connection with others in local community up to leaders in a nation. Disputes are resolved using principles from Matthew 7:5 (getting plank out of our own eye before getting speck out of our brother's eye), and Matthew 18:15 where try and resolve dispute directly with a brother or fellow man without

involving others. **We can only truly love ourselves and others when we know what love is. We love because God first loved us (1John 4:19)**

Being reconciled with God helps us to reconcile with others. 2 Corinthians 5v10 For we must all appear before the judgment seat of Christ, so that each of us may receive what is due us for the things done while in the body, whether good or bad. v17 Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. 18 Now all things are of God, who has reconciled us to Himself through Jesus Christ, and has given us the ministry of reconciliation, 19 that is, that God was in Christ reconciling the world to Himself, not holding their trespasses to them, and has committed to us the word of reconciliation. "For if you forgive other people when they sin against you, your heavenly Father will also forgive you. But if you do not forgive others their sins, your Father will not forgive your sins." – Matthew 6:14-15

3. **Do no harm** – we are all accountable for our actions, accountability at all levels

Romans 14:12 So then, each of us will give an account of ourselves to God. All have sinned and fall short (Romans 3:23). Ownership of our wrongs and mistakes is the first step, learning the lesson, then taking responsibility to undo harm or fix leads to restoration. It is taking responsibility that leads to learning and change and restoration. The greater the harm the longer the lesson and time taken to remedy to wrong. Firm judgement will come against those who act with intentional evil to do harm. Romans 1:18 "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness."

We reap what we sow Galatians 6:7 but God in his goodness creates path to restore us when we confess our sins and take action to undo harm. The word repent means to turn away from our sinful actions. Courts are required to set up paths of restoration where a man or woman takes responsibility for his or her own actions to undo harm as much as possible.

4. **Society works if all contribute** – we get what we put in, principles of sowing and reaping and self-responsibility. 2 Corinthians 9:6 "He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully."

Leadership and Framework of Law/Justice

5. **A leaders role is to listen to the people and serve their needs.** Matthew 20:25 Jesus called them together and said, "You know that the rulers of the Gentiles lord it over them, and their high officials exercise authority over them. 26 Not so with you. Instead, whoever wants to become great among you must be your servant.

6. **Leaders will be chosen in each community according to character of being able to serve the interests of the people, not with self interest.** These community leaders will represent the people at regional and national level removing layers of management with full accountability to improve effectiveness and reduce spending. Leaders are chosen from relationship and trust and character by the men and women they are serving and can be removed if not acting with best interests of the community they are serving. If we live according to agreed values there is no longer need for political parties, all can be run from community model. 1 Timothy 3 v 2 Now the overseer (elder/leader) is to be above reproach, faithful to his wife, temperate, self-controlled, respectable, hospitable, able to teach, 3 not given to drunkenness, not violent but gentle, not quarrelsome, not a lover of money. 4 He must manage his own family well and see that his children listen and attend to him, and he must do so in a manner worthy of full respect. **(Pronouns refer to both male and female as in woman can be leaders as well).**

7. **Community leaders can become judges where trained in basic principles of law, love neighbour and do no harm and restorative justice model where all cases must have 2-3 witnesses to confirm done fairly and difficult cases can be heard by 3 judges.** (have some practice models that show how this works)

All Rights Reserved

Choose wise, understanding, and knowledgeable men from among your tribes, and make them leaders of thousands, leaders of hundreds, leaders of fifties, leaders of tens (Deuteronomy 1 v13-15) where they assist with resolving disputes and judging where more difficult cases get passed up to more senior leadership where all leaders are trained in scriptural principals of law, justice and mercy. All cases require minimum of 2-3 witnesses, and difficult cases could be heard by three judges.

The word of God is the judge and measure rule. Every word of truth must be established by the testimony of 2-3 witnesses (2 Corinthians 13:1) for the earthly court. The heavenly court has as witnesses the Father, Son and Holy Spirit

The measure we judge shall be measured back to us. Matthew 7 v1 "Do not judge, or you too will be judged. ² For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you.

Freedom comes from Knowing and Loving our Creator and Loving our Neighbour as Ourself

1 Corinthians 6:12 "All things are lawful for me, but not all things are beneficial and I will not be brought under the power of any. We are the temple of God where our loving Holy Creator desires to live within us. 2 Corinthians 6:16

Galatians 5v1 It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. v13 You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love. 14 For the entire law is fulfilled in keeping this one command: "Love your neighbor as yourself." 15 If you bite and devour each other, watch out or you will be destroyed by each other.

8. Legal man made entities such as corporations or trusts have no authority or administration or dominion over living men and women or their offspring.

All living men and women have had their standing returned of being alive and able to manage their own affairs without interference from others unless harm is being done.

Any reference in legal documents and man made legislation of 'person' or using all capital letters for names refers to an artificial constructed legal fiction or trading entity that was set up to charge people as debtors, where the charges do not apply to living men and women. Living men and women will be dealt with according to scriptural principles in point 4 of resolving disputes and serving justice. Men and women are only under their Creator God and the principles Love God, Love Our Neighbour as Ourself and do no harm. All men and women are accountable to God for their own actions if they have done harm, however God's way always has a path of restorative justice as "All have sinned and fall short" (Romans 3:23). "For if you forgive men when they sin against you, your heavenly Father will also forgive you. But if you do not forgive men their sins, your Father will not forgive your sins." – Matthew 6:14-15

We reap what we sow (Galatians 6:7) but God in his goodness creates paths to restore us when we confess our sins and take action to undo harm from our actions. (John 1:9)

9. All hidden meanings in language have now been made null and void.

All that matters is the truth. If anyone uses legalese or any other hidden meaning or language with intent to deceive they can be charged for using deceit to cause harm. It is declared that all law documents are only to use plain simple English or the commonly known language of the people and Counting Systems, taken from the Oxford or Collins Dictionary of English prior to 2024 (to ensure no changing of meanings) where all character, form, style, colour and page layout, whether capitalised, lower case, bold or italics or underlined or brackets or any combination are to be taken as the plain simple English meanings of the words or have the definition clearly defined at the top or bottom of any law documents to help prevent fraud and deceit.

All Rights Reserved

Any content or character or page layout is not to be confused with legalese or syntax or any other language. The only accepted meaning for 'people' under God is living men and women and it is not plural for artificially created legal fiction person.

10. Living men and women are the constitution and are only under God where all are equal in the eyes of God

This constitution is inclusive of all as long as all agree to values of Love our Creator, Love our Neighbour as Ourself and Do no Harm and model already used demonstrating that it works.

All living men and women and their offspring have a living constitution through the blood flowing through arteries and veins and whole body as well as organs and bone marrow and flesh. As all men and women have a constitution through his or her blood they can claim full inheritance as rightful heir and receivers of the inheritance here on earth and in heaven. The son of God, Yeshua (Jesus Christ) lived a perfect life and died on the cross being the only one with pure blood to create a path of restoration and forgiveness for all who choose to receive it. All can call upon the name of our Lord Yeshua and be saved and receive forgiveness for our sins through the son of God, Yeshua, and this restores us back to being sons and daughters of our heavenly Father and Creator. For there is no difference between Jew and Gentile—the same Lord is Lord of all and richly blesses all who call on him (Romans 10:12) We are all equal and have freedom as long as we do no harm.

The scriptural principles of this Constitution remain as absolutes however as men and women are living and we worship a living God the constitution remains a living document that can be added to or revised if it is discovered that something important has been missed or needs amending.

I, Janine of the House of Arabella and Walters being of sound mind and over the age of consent with full lawful authority won Immediate Summary Judgement against all the Crown Corporations of New Zealand on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations on 19th day of September 2024; and this placed me in a position above the crown corporations and corporate law as the Commander and Chief plus step in as Crown with full authority to change the jurisdiction of the land of New Zealand and Aotearoa which encompasses the whole world under Almighty God the Creator of all mankind and the heavens and the earth who all are accountable to. I affirm that the Flag of the United Kingdom of God and its Constitution have been designed and created by me, Janine of the House of Arabella and Walters through inspiration by God to do this on behalf of Almighty God and all men, women, boys and girls in the world to restore men and women and their offspring back to Freedom and claim their full inheritance on earth and in heaven as sons

and daughters of the Almighty Creator God. I hold the intellectual and spiritual property rights on the flag and the constitution where anyone that uses this flag and its constitution needs to fully innerstand that they are fully accountable for all actions under Almighty God to act with honour and implement the principles of Love our Creator God and Love our Neighbour as Ourself and do no harm.

As we came back under the jurisdiction of God Almighty a court system required to be set up operating through the principles of the Holy Scriptures where as per the constitution that every word of truth needs to be established by two to three witnesses from 2 Corinthians 13:1 and the word of God is the Judge and the measure rule (John 1:1). All of the scriptures of the flag of the United Kingdom of God and it's constitution have been implemented into the court system where once truth has been established the sentencing is based on if there has been true heart repentance then there will be a path of restorative justice where the man or woman who has done harm will have the opportunity to undo harm as much as able. As a court has been set up, two seals were developed – one for New Zealand and the other for whole world to encompass international trials and courts where all are accountable for his or her actions and no one is immune to judgement if actively doing harm.

Below is the autograph of Janine with the two court seals plus commander seal plus autographed by three witnesses

Justice Model

Jurisdiction: Almighty God, Creator of the Heavens and the Earth

Foundation: To maintain peace and restore order and relationship as much as possible

4 Highest Laws Used to Judge:

First Highest Law and Value: Love

If 2 two laws in conflict, then the highest law is always love

Example: world war 2 nazi officer at door demanding any Jews in the home

Conflict – telling the truth or protecting those who are innocent.

The higher law is love our neighbour and protect the innocent.

Second Highest Law and Value: The Truth

Measure used in Decision making/Judgment:

Emphasis on encouraging honesty for better outcomes

Truth established by 2-3 witnesses

Scripture holds truths and absolutes that can not be argued with
e.g. Don't steal and don't bear false witness

Truth and Fairness: Must be established by 2–3 witnesses of good standing attending a hearing who confirm outcome is fair (2 Corinthians 13:1)

Third Highest Law: Personal Responsibility, Accountability and Ownership

God's perspective:

Each of us shall give an account before God Romans 14:11,12, 2 Corinthians 5:10

None of us is perfect Romans 3:23

Son of God sent to save the world through love, not condemn it John 3:16

Judge others the way you would like to be judged Matthew 7:1

A man reaps what he sows Galatians 6:6,7

Taking ownership leads to path of restoration 1 John 1:9

Fourth Highest Law: Forgiveness and Restoration

Forgive and you shall be forgiven

Relationships and wholeness restored through forgiveness/reconciliation

Forgiveness

Own our mistakes, accepting forgiveness from our Creator, self- forgiveness

Choosing to not allow the actions of others to ruin our lives

Letting go of hurt

You forgive for your sake, not for the one harming you.

Forgiveness involves only you and your Creator

Reconciliation

Is about restoring of the relationship

Takes two people.

Reconciliation cannot occur unless whoever has done wrong has owned and dealt with their part of the problem.

It is important to keep boundaries in place for own protection until individual has changed.

Restorative Outcome: as much as possible natural consequences related to the harm caused, path to undo harm as much as possible and lead to restored relationships

Outcome depends on severity of the crime and level of ownership/accountability of offender.

Example: offender has stolen from someone $10,000 in value

Outcome what does offender have to offer, what does victim need- could be pay back double or pay back amount stolen plus do equivalent value in hours of service

NOTE: small numbers of offenders of serious crimes of harm are either unwell or acting with evil intent with minimal potential for rehabilitation where need to be secured away from others for the public safety to prevent further harm.

Understanding the Difference Between a Judge and a Mediator

Mediator	Judge
Helps resolve a dispute	2 or more parties that can't resolve situation
Facilitates conversation so all hear and understand	Hears all sides
Help face responsibility and find remedy	Establish truth and path of justice
Help heal relationship and find agreement	Authority to decide and enforce an outcome
Seek reconciliation between parties	Has reputation for fairness and just decisions

Order of Progression:

One: mediation if parties willing to meet

Two: case goes before a judge who determines outcome using scriptural principles

Three: serious cases go to senior judge

Four: serious complex cases go to 3 judges

If believe decision not made fairly can request retrial by 3 judges or by odd number of good standing leaders trained in mediation and universal biblical law

All cases must have minimum of two witnesses
to establish truth and ensure the process and outcome is fair

All corrupt judges are not part of the new system, character is more important than training

Healing Through Habilitation and Rehabilitation

Harm often arises from **unmet needs** or **lack of guidance, address both**.

◆ Habilitation

- **Focus**: Teaching foundational life skills, emotional wellbeing, and values.
- **Goal**: Equip with what was never provided to help them function as honourable members of society.

◆ Rehabilitation

- **Goal**: Rebuild what was damaged or forgotten—trust, self-worth, and purpose.

NOTICE OF LIABILITY WITH IMMEDIATE EFFECT

Notice to Principal is Notice to Agent, Notice to Agent is Notice to Principal,
This is a self-executing order

I, Janine of the House of Arabella, as Commander and Chief over all the Crown Corporations issue this Liability Notice to any and all councilors and chief executive officer on behalf of Ashburton District Council (name of council corporation). The data from the government website stats.govt.nz shows in 2023 that 34,746 people living in this district council or regional council area. There is a one million dollar charge of harm for every man, woman, boy and girl living in your area for fraudulently charging the people rates and making them guarantors without their knowledge or consent of their own corporation debt. There is also a one million dollar charge of harm for placing or intentional threats of placing fluoride into the water when there is evidence that this is harmful especially to the brain. The two charges calculates to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of $69,492,000,000.00 for immediate payment and in event of non payment the lawful authority to seize all property assets of corporation of Ashburton District Council where all assets will be held in Janine's Trust as the settlor where all people's in our community are the beneficiaries of these assets.

Whereas, due to the lawful process we have gone through, unrebutted acquiescence, tacit admission, on behalf of Almighty God and on behalf of all men, women, boy and girls, living in and on our lands, all listed and crown corporations were taken over due to fraud and deceit, and being in dishonour of payment of the lawfully placed commercial liens. As we have taken over the running of all listed and crown corporations that makes Crown Corporate Law, I Janine the Commander and Chief of the Crown Corporations have full lawful rights to add, alter, amend and delete any laws/orders made that are causing injustice and harm, and add laws/orders for protection of the people and the lands;

I, Janine of the House of Arabella and Walters, the Commander and Chief over the Crown Corporations **declare with full lawful authority** that corporations HEALTH NEW ZEALAND, ASB BANK and ASB HOLDINGS were taken over on Friday the 19th day in the month of July in the year of 2024, and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS were taken over on the 20th day in the month of August 2024 and all other listed crown corporations TAURANGA CIVIL HIGH COURT, HIGH COURT OF NEW ZEALAND, NEW ZEALAND HIGH COURT, HIGH COURT NZ, NZ HIGH COURT, MINISTRY OF JUSTICE, HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND, THE QUEEN'S MOST EXCELLENT MAJESTY IN RIGHT OF NEW ZEALAND, THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE, MINISTRY OF FOREIGN AFFAIRS AND TRADE, RESERVE BANK OF NEW ZEALAND, INLAND REVENUE, INLAND REVENUE DEPARTMENT, LOCAL GOVERNMENT NEW ZEALAND, NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY, NEW ZEALAND TREASURY, NEW ZEALAND DEBT MANAGEMENT, NEW ZEALAND POLICE and MINISTRY OF HEALTH were taken over with full control and ownership/guardianship over all the assets of all listed and crown corporations in place by 20th day of the month of September 2024. All of the assets are now held in Janine's Trust of which I Janine of the House of Arabella am the co-settlor where all the people of New Zealand are the beneficiaries. Further corporations will be taken over if harm continues and this includes all local, district and regional council corporations;

1. **Therefore I declare that** I have placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 “Thou shall not steal and though shall not bear false witness against thy neighbour.” The corporation and their officers shall now be held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis Chapter one verse 27 “so God created man and woman in his own image, the image of God he created them, male and female he created them.” God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman;

2. **Whereas I declare that** I have issued an Immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply within this land known as Aotearoa, in the realm of New Zealand into our water or onto our land or into our air or into our food supply or into our animals or plants or into vaccinations or other recommended pharmaceutical drugs, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event, where the government own data released on 31 March 2024 had the population at that time being 5,338,900 which brings the total amount of commercial liability for placing fluoride or any harmful chemicals or substances to five trillion, three hundred and thirty-eight billion, and nine hundred million dollars that will be released instantly to the people or the people of each council local government area can seize all the local assets and take over the running of their local communities in such a way that no harm is done, plus can take over immediately the personal assets of any agent, officer, minister or employee of any crown or council corporation if he/she continue with any actions of harm;

3. That the officers of the listed corporations were instructed to reduce all forms of personal and income and goods and services taxes to maximum of ten percent by the seventh day of October 2024 and this did not occur, so with full lawful right and authority as the Commander I have cancelled all personal and income and goods and service taxes that have been placed on the people due to all of these being charged fraudulently and these taxes can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce fraudulent and cancelled taxes upon them with all past taxes owed and student debt cancelled from 19 July 2024;

4. That I Janine the living Commander of the above-listed corporations ordered their officers by seventh day of October 2024 to reduce property taxes to maximum of one thousand per year per property backdated to nineteenth day of July 2024 and I confirm this did not occur so with full lawful authority I cancelled all property taxes altogether due to fraud backdated to 19th day of July 2024 and any past charges or debt owed is cancelled backdated to 19 July 2024.

The takeover dates of each corporation are listed in paragraph 24. All of the assets are now held in Janine's Trust of which I Janine of the House of Arabella am the co-settlor where all the people of New Zealand are the beneficiaries.

Whereas, due to the lawful process we have gone through, unrebutted acquiescence, tacit admission, on behalf of Almighty God and on behalf of all men, women, boy and girls, living in and on our lands, all listed and crown corporations were taken over due to fraud and deceit, and being in dishonour of payment of the lawfully placed commercial liens. As we have taken over the running of all listed and crown corporations that makes Crown Corporate Law, I Janine have the lawful right to add, alter, amend and delete any laws/orders made that are causing injustice and harm, and add laws/orders for protection of the people and the lands.

Orders from the day of Friday the 19th in the month of July in the year of 2024 can only come from the lawful Commander and Chief of each of the above crown corporations and as I, Janine shall now declare that any orders or decisions made after this date by all listed and crown corporation agents and officers, are null and void, unless there is written authorisation made by me, Janine. My orders are clear for all recipients of this communication and have attached to all listed and crown corporations the full orders that have gone out with a summary as stated herein;
Therefore I, Janine of the House of Arabella, the Commander and Chief of all listed and crown corporations in Aotearoa, in the realm of New Zealand, have backdated the following orders from Friday the 19th day of the month July in the year 2024 and *shall* with full authority;

1. **Declare that** I have placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man made laws and contracts. I, Janine quote **Exodus chapter 20 verses 15 and 16** *"Thou shall not steal and though shall not bear false witness against thy neighbour."* The corporation and their officers shall now held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis **Chapter one verse 27** *"so God created man and woman in his own image, the image of God he created them, male and female he created them."* God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman;

2. **Declare that I have issued an Immediate Cease and Desist from placing of any fluoride or other harmful chemicals or substances in any water supply within this land known as Aotearoa, in the realm of New Zealand into our water or onto our land or into our air or into our food supply or into our animals or plants or into vaccinations or other recommended pharmaceutical drugs, with a minimum one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event, where the government own data released on 31 March 2024 had the population at that time being 5,388,900 which brings the total amount of commercial liability for placing fluoride or any harmful chemicals or substances to five trillion, three hundred and thirty-eight billion, and nine hundred million dollars that will be released instantly to the people or the people of each council local government area can seize all the local assets and take over the running of their local communities in such a way that no harm is done, plus can take over immediately the personal assets of any agent, officer, minister or employee of any crown or council corporation continue with any actions of harm;**

All Rights Reserved Absolutely

3. **Declare that I have** provided the means to pay off the National Debt on the 19th July 2024 and the officers did not comply with the order. So with full lawful rights and authority, from the 20th of September 2024 I actioned the cancellation of the national debt over every man, woman, boy and girl, as it was never their debt to begin with;

4. **Declare that I have** instructed the officers of the listed crown corporations to reduce all forms of personal & income & goods & services taxes to a maximum of ten percent by the 7th of October 2024 and the officers did not comply with the order. So with full lawful rights and authority, I have cancelled all personal & income & goods & service taxes that have been placed on the people due to all of these being charged fraudulently and these taxes can no longer be enforced with individual men and women having the right to charge an officer or agent who tries to enforce fraudulent & cancelled taxes upon them with all past taxes owed & student debts cancelled from 19 July 2024;

5. **Declare that** I had ordered that the crown corporations reduce property taxes/rates to a maximum of one thousand per year per property backdated to the 19th day of July in the year 2024 and the officers did not comply with the order. So with full lawful rights and authority, I have cancelled all property taxes and rates altogether due to fraud backdated to the 19th of July 2024 with any past charges or debt owed cancelled and unenforceable;

6. **Declare that** I have ordered that all listed and crown corporations can no longer enforce fuel taxes, road user charges, toll fees, or public parking fees on individual men and women. No officer or representative *shall* have the authority to impose or enforce these unlawful charges. Travelling on New Zealand roads and parking is now free to ensure the right to freedom of movement within and across the realm of New Zealand;

7. **Declare that** I have ordered that all fines related to speeding, parking, and property violations shall be immediately suspended, as such fines can only be imposed when a crime involving harm to another individual is proven. Consequently, only crimes involving harm *shall* be enforceable. This measure aims to prevent the unjust collection of revenue from the public. I also order that police officers *shall* be reestablished as 'peace men and women.' Additionally, local councils and courts in New Zealand shall shift their focus from revenue generation to serving the public and preventing harm;

8. **Declare that** I have abolished the legal system as applied to the people, as the original meaning of the term 'legal,' according to the 1893 Dictionary of Arts and Science and Encyclopaedia Britannica (1893 volume), is defined as *'the undoing of God's law'* or the removal of God. Henceforth, we are now under the jurisdiction of God Almighty and the laws of God, as revealed in the Holy Word. Furthermore, Crown law is corporate law, which only governs corporations, not individuals;

9. **Declare that** due to having exposed the deception within Crown property land titles, where individuals have been misled into believing they are purchasing actual property. In reality, they only possess a document title with geographical markings, while the land deed has been withheld from them. Wherever fraud is found on documents and titles they have become null and void and all crown property titles now revert back to the unextinguished native titles. To protect individuals who have innocently bought property believing their titles to be true and correct, they are assured that if they are living on a piece of land they retain the right to keep living on that land where individuals *shall* be shown the process shortly to claim full living rights to remain living on that lands;

All Rights Reserved Absolutely

10. **Declare that** as a result of Crown property land titles over lands becoming null and void then mortgages have become null and void due to fraud and deceit. That payment on mortgages can no longer be enforced, and banks and officers working within the banks can be charged for fraudulently continuing to remove funds from bank accounts including taking out fraudulent property taxes/rates. So with full lawful rights and authority, to perfect the law, I confirm that Crown property titles are now obsolete due to fraud, and the mortgage is attached only to the Crown title, and so now the Crown title is obsolete, and the mortgage is also obsolete. To make certain there is no misunderstanding. I repeat this a third and final time. Mortgage documents and Crown land title documents were created fraudulently and anywhere there is fraud the documents become null and void;

11. **Declare that** I have rendered mortgages void. Therefore if bank corporations continue to charge individuals for these now null and void mortgages, the affected individuals *shall* file claims of harm against the banks and their officers. If banks wish to continue their operations, they must demonstrate a commitment to acting honourably. They are no longer permitted to function as fraudulent debt collectors and will face charges for operating as fraudulent third-party debt collectors;

12. **Declare that** all my previous documents were created as living documents solely under the jurisdiction of Almighty God and His Holy Scripture. The case format, whether upper, lower, or title case, is irrelevant; what matters is the truth. Each individual of the crown corporations had the opportunity to rebut, and their failure to do so means that my documents stand as truth in law and commerce. Consequently, the commercial charges remain in effect and *shall* continue to increase by ten percent per week until fully settled, with the lawful right to impose additional charges for harm as the complete truth is revealed;

13. **Declare that** all assets belonging to the aforementioned corporations shall be placed in Janine's Trust, where I, Janine, am a co-settlor, and all individuals residing in the lands are the beneficiaries. These assets are for the use and benefit of the people. If any officer of a corporation or agent acting on behalf of any of the listed corporations attempts to misappropriate any of these assets, they *shall* be subject to theft charges, along with various other legal charges. The asset lists of these corporations are now considered public property, and the people have been notified that all corporate assets belong to them as beneficiaries. They can inform me of any unlawful sale notices or activities;

14. **Declare that** the original 1835 Declaration of Independence initiated between King George IV and Ariki Hongi Hika and the Treaty of Waitangi 1840 where the native translation is the true recognised version, where both continue to stand as truth that can not be denied, with the Mauri Native people having the lawful right to sovereignty and independence, free to assemble and operate without interference from the crown corporations or the New Zealand police force, enabling Rangatira and lawmakers to establish, organise, and assert all their rights, powers, privileges, and authorities as they see fit for their Nation; where no man or woman or boy or girl living in this land are subject to Crown Corporation Law, fully able to set up their own governance on the lands providing all men and women with the opportunity to choose.

All Rights Reserved Absolutely

15. **Declare that I have issued an Immediate Cease and Desist on all agents and ministers of the listed corporations and crown corporations, as well as Te Tii Trust Board, Ratana, Waitangi Trust Board, Kingiitanga, Ngapuhi Iwi, Minister of Maori Development, Minister of Treaty of Waitangi Negotiations and any other current or successor signatories; are to cease signing the annual Waitangi contract on or around 6th February every year, to keep all listed corporations and crown corporations in power, knowing they are foreign entities registered in Washington D.C and the United Kingdom. Any monies or cheques that enter Aotearoa for the nation shall be given back to the Crown of the Mauri Native Nation (previously known as Maori) for the benefit of their people. Any individual found to be a signatory to this annual Waitangi contract or withholding the people's money shall be charged with full commercial liability in the private which will mean seizure and takeover of all personal assets; a minimum one million dollar charge of harm against any man, woman, boy or girl in Aotearoa New Zealand affected; and you will lose all lawful rights of claim of any land claims in Aotearoa New Zealand for any actions of harm against the Crown of the Mauri Native Nation, Rangatira, Lawmakers and their people;**

16. **Declare that** I have arranged all my affairs, including the designation of a successor to take on my responsibilities in the event that something happens to me, or to act on my behalf if I am unable to be present to implement any orders. My successor *shall* also have an appointed individual to assume the role of Commander, ensuring that actions and orders can proceed without interruption until all actions and claims of harm are fully addressed;

17. **Declare that** a committee is established to address harm caused by the COVID-19 vaccine. This committee will allow individuals to file commercial claims for harm, including evidence of deaths, severe adverse reactions, discrimination, and loss of employment or livelihood. Claims submitted to the committee will be thoroughly verified for authenticity. All valid claims shall be compensated, or the individual can request their payout to be fulfilled through one of the Crown corporation's assets;

18. **Declare that** the rollout of all mandated vaccines, including those for children, the elderly, and flu vaccines, *shall* cease immediately until there is full disclosure regarding the contents of these medications, the rates of success and effectiveness of each drug, their profit margins, and all alternative health and treatment options, along with the same information. It is essential that individuals are not subjected to the control of Big Pharma companies over their health and well-being, with a minimum one million dollar charge of harm in place for any type of harm that happens to any man, woman boy or girl in Aotearoa New Zealand;

19. **Declare that** the current debt of all the listed corporations is **$24,892,991,374,021.20 Twenty-four trillion, eight hundred ninety-two billion, nine hundred ninety-one million, three hundred seventy-four thousand, twenty-one dollars and twenty cents any currency of my choosing or Pure Gold (Tender: 99.99% 1 troy once Pure Gold Legal Tender Minted Coins)** due for immediate payment, into the housing fund or any account nominated by me, that I oversee as the living Commander, and if there is not an immediate payment we will exercise with full lawful rights and authority the liquidation of all assets belonging to its directors and any officers holding liability. ASB Bank and Crown corporations possess the bank account number for the deposit, known as the **House of Talia Dawn Private Foundation,** recorded on the Live True Bill Ledger which has Ten percent accruing interest per week until settled in full, and the lawful right to add further charges of harm, for minimum of one million dollars for every man, woman, boy and girl per event;

20. **Declare that** recently, Nicola Willis, in her capacity as Finance Minister, disclosed to the public the profit margins being generated by power and communication corporations, some of which are partially owned by the Crown. Therefore, I, Janine, as the living Commander overseeing the Crown corporations, order that the profit margins for Crown energy and communication providers *shall* be reduced to a maximum markup of 20% for monthly charges related to power, telephone, mobile, and internet services. This ensures that every household and individual can maintain essential communication with their loved ones, regardless of their location in the world. This directive shall establish a precedent for all other energy and communication providers;

21. **Declare that** to date, the media has been controlled by corporations based outside of our country. Therefore, as of the 8th October 2024, we hold accountable all individuals who disseminate false information with the intent to deceive and cause harm. These individuals, as well as the corporations they represent, can and *shall* be charged minimum one million dollars for every man, woman, boy or girl that has been affected. From this date forward, they are commissioned to convey the truth and refrain from causing harm, bearing full liability for the continued spread of false information;

22. **Declare that** any individual acting on behalf of a corporation who engages in actions that cause harm to our people, children, land, food, water, animals, plants, air, or any other essential resources for survival will be held accountable and charged. This includes those participating in euthanasia and abortion. Additionally, all ingredients in foods, medications, or products that enter our bodies, as well as chemicals sprayed on plants, must be listed. If any product fails to provide this information, it *shall* be removed from the market. Furthermore, any product containing harmful substances will also be removed from circulation;

23. **Declare that** pilots and the corporations they represent, who continue to spray known or unknown harmful substances into the atmosphere, *shall* face charges. Individuals will have the right to file lawful claims for harm under God's law. Additionally, aircraft operated by these corporations can be repurposed and given to the people for beneficial use rather than harmful activities;

24. **Declare that** any officers or agents representing a corporation who utilise technology to manipulate the weather or the earth in a harmful manner will face legal charges. The technology, devices, or products responsible for causing harm, along with the assets of these corporations, *shall* be seized by individuals filing lawful claims of harm under God's law;

25. **Declare that** for any other matters I may have overlooked, where an individual causes harm on behalf of a corporation, both the individual and the corporation *shall* be held accountable by the people through legitimate claims of harm under God's law. Furthermore, I stipulate that no officer of any corporation *shall* issue orders without my written authorisation. Any orders given without my approval are considered null and void. Additionally, I did not authorise the Crown corporations to affiliate our country with the United Nations; therefore, we maintain our independence and sovereignty;

26. **Declare with** full lawful clarity corporations HEALTH NEW ZEALAND, ASB BANK and ASB HOLDINGS were taken over on Friday the 19th day in the month of July in the year of 2024, and WESTERN BAY OF PLENTY DISTRICT COUNCIL and BOP LASS were taken over on the 20th day in the month of August 2024 and all other listed crown corporations TAURANGA CIVIL HIGH, COURT, HIGH COURT OF NEW ZEALAND, NEW ZEALAND HIGH COURT, HIGH COURT NZ, NZ HIGH COURT, MINISTRY OF JUSTICE, HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND, THE QUEEN'S MOST EXCELLENT MAJESTY IN RIGHT OF NEW ZEALAND, THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE, MINISTRY OF FOREIGN AFFAIRS AND TRADE, RESERVE BANK OF NEW ZEALAND, INLAND REVENUE, INLAND REVENUE DEPARTMENT, LOCAL GOVERNMENT NEW ZEALAND, NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY, NEW ZEALAND TREASURY, NEW ZEALAND DEBT MANAGEMENT, NEW ZEALAND POLICE and MINISTRY OF HEALTH were taken over with full control and ownership/guardianship over all the assets of all listed and crown corporations in place by 20th day of the month of September 2024. Further corporations will be taken over if harm continues and this includes all local, district and regional council corporations;

All Rights Reserved Absolutely

27. **Declare that** in matters involving inalienable rights of every man and woman, individuals are considered to be solely responsible for their actions and ***"I was only doing my job",*** quoted from Nuremberg principles *'acting on advice', 'acting under direction', 'acting under orders'* or any justification which involves a *'superior authority'* (such as an unsafe court decision) does not present as an acceptable defence, with a one million dollar charge of harm on behalf of every man, woman, boy and girl in Aotearoa, New Zealand per event;

28. **Declare that** you are informed that God Almighty has instructed me to call down the Holy Watchers revealed in Daniel Chapter 4 verse 17 who are watching the actions of all men and women and those who do harm from this time are invoking the judgement of God upon themselves;
