To Steven Jurkovich in the private
Also acting as Chief Executive Officer of Kiwibank
Level 3 155-167 Fanshawe Street

Auckland 1010

AFFIDAVIT AND NOTICE THAT KIWI GROUP CAPITAL NOW INSOLVENT WITH LIABILITY OF KIWIBANK

To Steven Jurkovich who goes by the name of Steve

1. My name is Janine of the Royal House of Walters. This notice is to inform you Steve on behalf of Kiwibank that Kiwi Group Capital was declared insolvent on the third day of January 2025 and this company holds 66.03% shares in Kiwibank. I am the Assignor by law and these shares I am now in charge of as the Royal assignor in law. This is your opportunity to work with me or risk that Kiwibank becomes insolvent; and

2. That due to commercial charges of harm and unpaid debts all government corporations were liquidated on either 18th day of December or 3rd day of January 2025. The outstanding debt against the government corporations on the 18th day of December 2024 was two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 where the required was to be paid out in 0.9999 gold bullion in ten troy once bars; and

3. That due to the corruption level of the legal corporation system everything is about to collapse due to the level of harm they are causing due to greed and control. I am making one final attempt to form a business partnership with you which prevents a full collapse and allows banks to continue operating with honesty where the profit margins are much less, however we establish back a society with honesty and integrity for the good of all, not just the elite rich; and

All Rights Reserved

4. For your information the word legal means to remove God. The legal and corporate system was designed by the elite rich whose primary agenda has been making money and control. They found a way to try and remove God, so there would be no liability or accountability and they could do what they want, where the whole system is based on fraud and deceit for the purposes of greed and control. Now that you Steve Jurkovich on behalf of Kiwibank know this you have no excuses and hold full accountability; and

5. As serious harm has been continuing I have gone through a thorough and complete process in law to become God's representative here on Earth and in law are now over the crown corporations where I have stepped in as royal Crown over the Crown corporations and set up the Royal Court of New Zealand with full lawful rights to do so, where the Kingdom of God is now being established on the earth where all are held are accountable. The corporations' way is about power and greed, money and control with no accountability and liability. God's way is about love, freedom and choices, however with freedom comes full accountability and ownership of actions with a path of restoration if willing to own one's mistakes. All are accountable for their actions but paths can be created of restorative justice where if the leaders acknowledge their mistakes they can step back into honour and be part of the solution. Those who continue in dishonour will be held accountable; and

6. This is to inform you Steve Jurkovich acting as chief executive officer of Kiwibank that you have contributed to harm by making the people debt slaves through loans made by fraud and deceit where nothing of substance is loaned and money has been created by the wet ink signatures of each man and women requesting a loan where the bank does not even sign their copy of the loan then create a mortgage, and take a lien over the legal fiction titles of that man or woman who does not even know that a legal fiction corporate name has been set up to present them to trade and taking over irrevocable power of attorney over their property and bank accounts through fraud and deceit where once fraud and deceit is found that any previous signed contract becomes null and void and fraud is found in all mortgages so all mortgages are null and void, and

7. You Steve Jurkovich as chief executive officer of Kiwibank corporation are provided with one opportunity to remedy actions of fraud or otherwise kiwibank will become insolvent. I am the only lawful claimant of the outstanding debt and have full lawful rights to receive these funds as a bill of exchange. Once the exchange has occurred the bank of my choice who receives these funds will hold the majority of the funds for the whole country. This will set up a new economic platform for all where two million will be released to every adult which will give the ability to pay off debt and ensure everyone has the ability to purchase their own home. Banks get paid and from that date there will be no more mortgages and there will be strong oversight of any loans to ensure all done with honesty and integrity. I am offering kiwibank the first right of claim of this opportunity where this opportunity ends on 14th day of January 2025. If you Steve as CEO of Kiwibank do not co-operate with me there is no other option but declare Kiwibank insolvent for the full debt owing of two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 plus lawful right to seize all financial and operational records public and private, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full. The only remedy to prevent insolvency is full pay out of the outstanding debt; and

8. The current debt based system has to collapse or be zeroed out. I, Crown Janine hold the lawful authority to cancel all and zero out all debts; and

All Rights Reserved

9. You have until 4pm on the fourteenth day of January in the year of two thousand and twenty-five to rebut these claims point by point one through to twelve and sign with your wet ink signature where non rebuttal is taken as silent acquiescence and tacit acceptance of your full accountability and liability of all claims written or make payment in full of two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 where the true bill ledger is included as Exhibit A with this affidavit where 1% is to be paid out in 0.9999 gold bullion in ten once bars or the remaining 99% balance to be placed into the following bank account House of Talia-Dawn Private foundation 38-9024-0122732-00 by 4pm on the 14th day of January 2025 where I am notified by email to nowfreedomforall@protonmail.com att Janine that this has occurred. A court hearing will be occurring on 15 January 2025 to make Kiwibank insolvent if payment not made where you also hold personal liability for you actions or non action; and

10. I, Royal Crown Janine with full lawful rights under the Jurisdiction and blessing of God Almighty declare that the legal system jurisdiction has been made null and void due to fraud and all that matters now is the truth where all are held accountable for his or her own actions before Almighty God for the good or harm that they have caused; and

11. I, Royal Crown Janine over the crown corporations and in the Kingdom of God now established back on earth affirm that all my words are truth and correct and true and that the son of God Jesus is the King of Kings and the way, the truth and the life where every knee shall bow and every tongue confess that he is Lord either willingly out of love and appreciation or out of regret and remorse because only Jesus holds the power to forgive sins; and

12. The choice Steve is now yours – will you stop operations in Kiwibank that are using fraud and deceit and take responsibility to stop harm and make things right with an amazing opportunity presented how you can do this. What profit is it to a man if he gains the whole world but loses his own soul found in Mathew chapter 16 verse 26. The measure that you judge will be judged back to you from Matthew chapter 7 verse 2.

NOTICE OF PERSONAL LIABILITY

Dear Judith

My name is Janine of the Royal House of Arabella and Walters as God's and the people's representative. The people are hurting and being harmed and this needs to stop and you hold some authority to help this stop. There are many legislation laws that the government heads including yourself have been implementing that are harmful to the people, the land, air, animals, plants where the future of mankind is now at stake.

The covid-19 vaccine roll out is one example of serious harm occurring. This was given approval where Jacinda Ardern entered into contract with Pfizer where this decision was money and control driven and we will not know the full extent of harm for many years yet, however the results are showing the MRNA technology is changing human DNA and unfortunately the pharmaceutical companies and those behind them are infiltrating everywhere to promote their own agendas to the detriment of the people. The gene technology bill has to stop where food and drug companies are no longer required to inform people what is in their products.

Due to acting in dishonour the debt level against the government corporations on the 17th day of December 2024 was up to **two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 to be paid out in 0.9999 gold bullion in ten once bars** where all the crown and council corporations were declared insolvent of 18th day of December 2024. Charges of harm were put in place for every man, woman boy and girl with penalty charges added every time they stepped further into dishonour. As serious harm has been continuing as God's representative here on Earth and in law being over the crown corporations I have stepped in as royal

Crown over the Crown corporations and set up the Royal Court of New Zealand with full lawful rights to do so, where the Kingdom of God is now being established on the earth where all are held are accountable. All are accountable for their actions but paths can be created of restorative justice where if the leaders acknowledge their mistakes they can step back into honour and be part of the solution. Those who continue in dishonour will be held accountable.

Here are the current charges against you: making the inhabitants debt slaves, modifying rules of biotechnology with intent to cover up ingredients in food and drugs that can cause harm to the people, the land, the air, the water, the animals and the food to prevent liability, plus involvement in removing the God given and inalienable rights of freedom of life security and liberty of every man, woman boy and girl living in this land withholding the truth from the public and spreading of misinformation in your own public speeches on television and other forms of media with personal liability for the full debt owned by the crown corporations of two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 plus lawful right to seize all financial and operational records, Intangibles, Negotiable Instruments, Investment Securities, All Present and After Acquired Property, Documents of Title, Chattel Paper, Money, precious metals and any owned Goods to the same value until paid out in full. The only remedy to prevent bankruptcy for is full pay out to the inhabitants being every man, woman boy and girl living in the land of new zealand to be paid out in 0.9999 gold bullion in ten once bars delivered to the address of the secured party and Royal Assignor Janine of 37 Glue Pot Road Oropi Tauranga 3173, plus telling the truth to the public and take responsibility to undo the harm that has been done to help prevent further deaths and poverty.

Will you stand with and for the people and oppose the gene technology bill, plus assist stopping fluoride going into the water plus all other legislation that is causing harm including weather manipulation, and destroying of our food supply, plus all other actions of harm that are being justified through legislation. As attorney general and Minister of Defence, Digitising Government, GCSB, NZSIS, Science, Innovation and Technology and Space you are now called to account and are now personally liable for the corporation debt where a commercial lien can work two ways. Firstly to hold you accountable and secondly as the secured party creditor I can ensure that you are commercially protected from all others. If you are prepared to stand for truth against harm God will honour you and you will come under God's divine protection.

You have until 4pm on the seventeenth day of January in the year of two thousand and twenty-five to make payment in full in gold two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 to be paid out in 0.9999 gold bullion in ten once bars and to take a stand against harm recanting all legislation causing harm and email me of the actions you have taken to remove harm on nowfreedomforall@protonmail.com or will face insolvency and also come under the judgement of God for non action allowing harm to continue.

NOTICE OF LIABILITY

Dear Cindy

My name is Janine of the Royal House of Arabella and Walters as God's and the people's representative. I would like to communicate with you firstly as a woman, a mother, a wife, a grandmother, sister, aunt and hopefully a believer that we have a Creator God who loves us all and wants to be involved with reshaping our world back to one where we genuinely care for each other and live according to the values of Love God, love our neighbour as ourself and do no harm. The people are hurting and being harmed and this needs to stop and you hold some authority to help this stop.

I will give you a very brief overview of who I am. I will start my journey in 2021 when I lost my daughter under the care of one of the district health boards who was also my employer. The only thing the corporation was interested in doing was ensuring they had liability and from that point I started challenging the corporations and the further I have challenged the more corruption I have found. One of the most important discoveries I found is that the word legal means to remove God. The legal and corporate system was designed by the elite rich whose primary agenda has been making money and control. They found a way to try and remove God, so there would be no liability or accountability and they could do what they want, where the whole system is based on fraud and deceit for the purposes of greed and control. I challenged all the government corporations where I took my claims in forms of affidavit with evidence and proof of harm occurring all the way to the high court unrebutted where summary judgement was obtained on 19th day of July 2024. My claims were done in Admiralty Law but under the jurisdiction of God Almighty who we are all accountable to on behalf of every man, woman boy and girl. Since this date I have been holding the heads of government to account for their actions to stop harm occurring and gave the best case scenario of working together. However they chose to ignore the orders provided and unless change occurs in the next few weeks there is no other option but the completely crash the current system

designed to keep people enslaved in debt and quickly removing men and women's rights to freedom, security and liberty.

There are many legislation laws that the government heads have been implementing that are harmful to the people, the land, air, animals, plants where the future of mankind is now at stake. The local governments were also held to account with rates going up to a level that most people can not afford and the rates only going to pay the interest on the debt with more and more borrowing occurring. The New Zealand Local Government Funding Agency signed an agreement with all heads of councils that if they defaulted in payment they can claim funds off the guarantors (the rate payers, all done through fraud and deceit). The true agenda is about full private property seizure, where everything is now in place for this to occur.

The covid-19 vaccine roll out is another example of serious harm occurring. This was given approval where Jacinda Ardern entered into contract with Pfizer where this decision was money and control driven and we will not know the full extent of harm for many years yet, however the results are showing the MRNA technology is changing human DNA and unfortunately the pharmaceutical companies and those behind them are infiltrating everywhere to promote their own agendas to the detriment of the people. All are accountable for their actions but paths can be created of restorative justice where if the leaders acknowledge their mistakes they can step back into honour and be part of the solution. Those who continue in dishonour will be held accountable.

Christopher Luxon and other ministers are now being made insolvent due to becoming personally liable for the actions of harm that are still occurring, where all remaining ministers and chief executive officers have until 4pm on the seventeenth of January 2025 to give full account of every register public and private and crown and admiralty plus any overseas register plus any other register that contains information regarding each of the Crown corporation's financial operations with personal and criminal liability for not providing this information, where I am the Royal assignor.

As Governor general of the crown corporations you have a responsibility firstly to God and the people where you are now held accountable for your own actions. Will you stand with and for the people and oppose the gene technology bill, plus assist stopping fluoride going into the water plus all other legislation that is causing harm including weather manipulation, and destroying of our food supply, plus all other

actions of harm that are being justified through legislation. As governor general and in the private you are now liable for the corporation debt where a commercial lien can work two ways. Firstly to hold you accountable and secondly as the secured party creditor I can ensure that you are commercially protected from all others. If you are prepared to stand for truth against harm God will honour you and you will come under God's divine protection.

You have until 4pm on the seventeenth day of January in the year of two thousand and twenty-five to make payment in full in gold two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00 to be paid out in 0.9999 gold bullion in ten once bars, and take a stand against harm recanting all legislation causing harm and email me of the actions you have taken to remove harm on nowfreedomforall@protonmail.com or will face insolvency and also come under the judgement of God for non action allowing harm to continue.

The Royal Court of New Zealand

The Crown of Her Majesty Queen Janine proclaims Her Royal styles and titles in exercise of Her royal powers and Her royal functions by Her royal assent for the restoration of God's Kingdom here on earth within the United Kingdom of New Zealand.

Thou shall not steal, thou shall not bear false witness

John 14:6 Jesus said 'I am the way the truth and the life'

Proverbs 19:9 A false witness will not go unpunished, and he who breathes out lies will perish.

It is declared that all law documents are only to use plain simple English or the commonly known language of the people and Counting Systems, taken from the Oxford Dictionary of English unless otherwise definition given or as commonly understood by living men and women. Any content or character or page layout is not to be confused with legalese or syntax or any other language. All character, form, style and page layout, whether capitalised, lower case, bold or italics or underlined or any combination are what is commonly recognised by living men and women and not to be taken in any other way or meaning.

This court hearing in the Royal Court of New Zealand and all its content under the jurisdiction of Almighty God in the kingdom of God here in heaven and on earth have been entered into the public records. Court recording commenced at 4.05pm on the tenth day of January in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agreed to act in this capacity and gave their first names as Margaret, Fred and Beverley-Jane.

Documents were served on the 20th day of December 2024 to the Office of Mayor at Hauraki District Council Office at 1 William Street Paeroa as the head office for all local government councils in New Zealand, plus Office of the High Court of Auckland at 24 Corner Waterloo Quadrant Auckland as the head office of all the crown government courts of New Zealand, and to Christopher Luxon as prime minister and chief executive officer for the Crown and Crown Group plus Waitangi National trust board representative, the office of Crown Law, Parliament incorporated, Department of the Prime Minister and Cabinet plus all other Crown corporations and franchises and on Peter (Pita) Tipene as chairman of the board of the Waitangi National Trust Board and representative of Waitangi Limited on the twenty-first day of December 2024 following a forced commercial lien taken over them. The documents included all insolvency notices from the court hearing on 18th day of December 2024 plus Judicial Notice and Royal Decree that due to the seriousness of the breach that if there was not an immediate payout by 24th day of December 2024 then Royal Crown-Janine acting jointly with the Crown steps in as the Royal assignee in the Crown, activating section 121 of the Insolvency Act 2006 with full authority to order all banking facilities to investigate and audit all accounts and report back to Royal Crown-Janine acting jointly with the Crown, within ten calendar days before the close of business on the 3 January 2025 where Royal Crown-Janine provided an extension until 4pm on the tenth day of January 2025.

The forced commercial lien was placed on Waitangi Limited and the Waitangi National Trust Board for the following charges: Debt-Bondage or Serfdom: A charge is placed on behalf of every inhabitant globally for Waitangi National Trust Board and all subsidiary corporations and organisations for dealing in slaves and trafficking in persons, obtaining by deception or causing loss by deception and false

accounting pursuant with the provisions of sections 98, 98D, 240, 260 under the Crimes Act 1961. Also for subrogating and usurping the functions of the Crown in relationship to Collective Investment Schemes (CIS) under the Global Asset Trust and subsidiaries being a unit trust upon winding up the valued at $230million New Zealand Dollars ($230,000,000.00 NZD) and the sub-fund being a Passport Fund valued at $500million United States Dollars ($500,000,000.00) which are debts owing and due to the Crown Beneficiaries ("the inhabitants") also known as Rack Rent, Rent Charge, Rentcharge (Annuities) or Unclaimed Monies held as Bona Vacantia payable from the Common Fund or Crown Bank Account. These funds were due to be paid to all the inhabitants ("Crown Beneficiaries") by the close of business on 24 December 2024 otherwise liquidation will occur of Waitangi National Trust Group, Waitangi National Trust and Waitangi Limited and any other subsidiary. As a reserve for nine billion inhabitants (which means nine billion unit trusts) the following amount requires to be paid out to each inhabitant collectively and individually through the current banking facilities being level 25 and level 15 and level 10 banking facilities. The two unit values are listed in different currencies so to work out the full value owed it needs to be converted into one currency where the US dollar unit value has been converted into NZ dollar to bring the combined unit to the value of 1.12308 million. This figure needs to be multiplied by the nine billion reserve (based on allowance for the number of inhabitants on earth). This results in a debt that requires to be paid out where if in New Zealand dollars the figure is 10,107,720,000,000,000.00 which is 10.10772 quadrillion NZ dollars and converted back to US dollars is 5.65896 quadrillion US dollars collectively.

I, Royal Crown-Janine confirm that no payment was made on the twenty fourth day of December 2024 and a NOTICE for full report by tenth day of January 2025 was sent to the chairman of the board Peter (Pita) Tipene and three ministers of the Crown representative Group being the Prime Minister Christopher Luxon and the Minister for Arts, Culture and Heritage Paul Goldsmith and the Minister for Māori Development Tama Potaka. No report was received from any of these officers and ministers showing that they are now acting in dishonour and liable in the private as well due to not serving the best interests of the Crown's beneficiaries.

Seeking first the Kingdom of God the Summary Judgement now made is issued pursuant to Section 289 and 239 of the Companies Act 1993 and the Insolvency Act 2006 of failure to pay the outstanding debt due and owing in due course a charge over the whole of the assets, liabilities and rights in the Crown of Her Majesty Queen Janine who assumes Creditor's Rights has affirmed in the Royal Court of New Zealand for the restoration of God's Kingdom here on earth within the realms of the United Kingdom of New Zealand assents to the place of Royal Assignor and Royal Assignee in the Crown of Her Majesty Queen Janine of the Royal House of Walters to administrate the liquidation of all the entities trusts, corporations, franchises and any other organisation that is found through discovery that has contributed to making the inhabitants debt slaves with failure of payout and failure of serving the best interests of the beneficiaries, where from the Holy Bible the book of Matthew chapter 6 verse 33 declares that as we seek first the Kingdom of God and His righteousness that all these things shall be added to us being God's people and the inhabitants of Earth.

Today being the tenth day of January in the year of our lord two thousand and twenty five at 4.15pm it is entered into the Royal Court record that the following entities are declared insolvent and from this day are ordered to cease to trade and operate where they have now entered into statutory management where the four officers and ministers with personal liability are also made insolvent, where their roles and titles and office are now taken over by the Royal Assignor Janine

licensed bank facility and request full payout of their individual and collective unit trust now that the trust Waitangi National trust has been wound up. The pathway to do this will be released shortly.

The following ministers and officers have been declared insolvent and are no longer able to hold office and are lawfully removed to be replaced by the Royal assignor which is Royal Crown-Janine: Christopher Luxon, Paul Goldsmith, Tama Potaka and Peter Tipene, with further officers and ministers to be removed from office at the next court hearing on 17th day of January 2024.

The Crown of Her Majesty Queen Janine of the Royal House of Walters assents to role of Royal Assignor and Royal Assignee in the Crown, and assigns the following people to step into the statutory management to undertake full forensic investigation and audit of any and all registries, accounts, books, records, electronic devices, dealings and financial arrangements, agreements contracts and employment contracts in Trust Estate of Waitangi and Waitangi National Trust Board (Parliament incorporation) under the Waitangi National Trust Board Act 1932 and Waitangi Endowment Act 1932-33 incorporated and administered by the department of Conservation and Minister of Finance in relation to the common fund and all crown bank accounts. The trustee and board and crown representatives are required by law and royal decree issued by Royal Crown-Janine to disclose where all the crown bank accounts are held so that the funds can be released to the true heirs being the crown beneficiaries.

The officers appointed as Statutory managers to replace the officers stood down are: His Majesty King Nelson to step into the office of The Crown in Right of New Zealand and office of Parliament incorporated and His Majesty King Steven The Crown in Right of Australia to step into the office of Minister for Arts, Culture and Heritage and Dennis of the House of Mirosevich as director of Orbit Futures to step into the Office of Minister of Finance and Fred of the Royal House of Stewart to step into the office of Crown Law, and office of ministry of Maori Affairs. **Amendment made at next hearing 17 January 2024 as follows: "**It is recorded here that due to non contact with the Statutory Managers during the first week of insolvency that the Office of the Minister of Finance and Office of Minister for Arts, Culture and Heritage have returned back to the Royal Assignor Crown-Janine as the Statutory Manager on the seventeenth day of January 2025, but further roles will be considered once clear lines of communication established with Dennis of the House of Mirosevich and His Majesty King Steven The Crown in Right of Australia."

Royal Crown-Janine remains in the role of Royal assignor in the Kingdom of God as representing Almighty God and all the inhabitants of earth as trust protector where she is to ensure that all appointed statutory managers at all times act in the best interests of the crown beneficiaries where the statutory managers are required to be fully accountable to her and can be removed at any time if it is determined that they have stopped acting in the best interests of the inhabitants with Royal Crown-Janine having royal rights to appoint in position and remove from position the Royal assignees and Statutory Managers as identified in the paragraph above or any others that are appointed at a later date.

It is also entered into the record certificate of Judgement of His Majesty King Nelson in right of his Government in New Zealand as a true heir and successor through his royal bloodlines dated Monday 20 November 2023 where King Nelson agrees to act in the best interests of all inhabitants and requests the name Geoffrey Martin Smith Richards to be struck from the record as Statutory Manager and to be replaced by Dennis of the House of Mirosevich also as director of Orbit Futures as Statutory Manager and Royal liquidator. In relation with He wakaputanga ote Rangatiratanga o Nu Tireni/Nui Tirene 28 October 1835 (HRNT) established by the will and codicil of the Crown (Tino Rangatira o nga uri) of His Majesty the King (Kingitanga) Paerata (also known as Te Aho o Te Rangi Wharepu) pursuant with the Statutory Declarations Act 1835 UK/NZ;

1. Section 10 Declaration substituted for Oaths and Affidavits by Persons acting in Turnpike Trusts, and;

2. Section 16 Declaration in Writing sufficient to prove Execution of any Will, Codicil, &c, and;

3. Section 17 Suit on behalf of His Majesty to be proved by Declaration.

Supported by extracts from Enclosure (C.) LETTER from James Busby, Esq. British Resident at New Zealand, to the Honourable the Colonial Secretary of New South Wales. (No. 112.) British Residency, Bay of Islands, 16th June 1837.

"The plan which I would now more fully submit was suggested in my Despatched of 26th January 1836, No. 85."

1. It is founded upon the principle of a protecting state, administering in chief the affairs of another state in trust for the inhabitant.

2. Whatever laws His Majesty's Government should consider suitable for the protection and control of the King's subjects would be proposed to, and as of course, become acts of the legislature of New Zealand. Whatever courts of judicature His Majesty might deem necessary would be established under the same sanction.

3. His Majesty may be advised to grant a charter of government to the colony of British subjects who are established in it, leaving the natives in full possession of their abstract rights, so far as they have not conceded them to the colonists, and providing only against their suffering injustice at the hands of the latter.

Further supported by extracts from the Report from the Select Committee of The House of Lords, appointed to inquire into the present, state of the Islands of New Zealand, And the expediency of regulating the Settlement of British Subjects therein; With the Minutes of Evidence taken before the Committee, and an index thereto. Ordered to be printed 3d April 1838. Evidence of the Reverend Samuel Hinds, D.D;

1. No Power in the Crown originally; there is a Power in the Body requiring to be sanctioned by the Crown, but no Power originally granted to the Crown; the Power is in the Body with the Consent of the Crown.

2. Those Appointments must be confirmed by the Crown? Yes. The Commissioners are allowed a Right of Appointment, subject to a Veto on the Part of the Crown; it is nothing more in effect than the Power of recommending, —the Privilege of exclusively recommending. It is evident that unless a Privilege of that Sort were granted, —for I will not call it a Power, —the Commission would be inadequate to the Purpose for which it is constituted. Have the goodness to state why?

   It would be transferring the Responsibility to the Crown. For instance, suppose an improper Appointment were made of a Chief Justice; neither the Crown nor the Public could say to the Commissioners, "You are blameable for it;" the Commissioners would reply, "It is not we who have done it, but the Crown."

3. The originating of all Measures is claimed for the Commission; that is, I think, as little as we can claim for it; but there is a Veto on every thing allowed to the Crown, and in some Cases the Power is altogether vested in the Crown; it is so in the Appointment of the Bishop, and it is so in that of the Protector of the Natives.

4. Supposing England made a Treaty of Peace with any Foreign Power, should you consider that the New Zealand Company would be bound to that Treaty? Decidedly, we are still subject to the Crown.

5. By your proposed Bill a local Government is to be settled, with a Council of Three Persons? With a Council of not less than three. The Government will be in the Commission here; the Council are to represent their Authority, and the Delegation of Power is subject to the Control of the Crown.

6. The real Power of Administration would rest with the Government in the Colony? Precisely so, and the Commission claim the Power of Appointment, leaving to the Crown the Veto.

To the Judgement Debtor Peter Tipene care of 7 Boswell Street, Kawakawa,0210

Final Summary Judgement was obtained against Peter Tipene in the private plus as chairman of the Waitangi National Trust Group and Waitangi National Trust and Waitangi Limited on the tenth day of January 2025 for his involvement in making all the inhabitants of united kingdom of new zealand and earth debt slaves through fraud and deceit and actions of intentional harm of agreeing to and implementing the covid-19 mandates for all the inhabitants without our permission or knowledge, allowing fluoride going into the drinking water plus biotechnology going into the land, air, water and food with intent to harm plus allowing cost of living to be so high most inhabitants can no longer afford to live all through fraud and deceit and deliberately stealing from them and withholding access to their own trust funds.

Documents were served on the 21st day of December 2024 to Peter (Pita) Tipene as chairman of the board of the Waitangi National Trust Board and representative of Waitangi Limited on the twenty-first day of December 2024 following a forced commercial lien taken over them. The documents included all insolvency notices from the court hearing on 18th day of December 2024 plus Judicial Notice and Royal Decree that due to the seriousness of the breach that if there was not an immediate payout by 24th day of December 2024 then Royal Crown-Janine acting jointly with the Crown steps in as the Royal assignee in the Crown, activating section 121 of the Insolvency Act 2006 with full authority to order all banking facilities to investigate and audit all accounts and report back to Royal Crown-Janine acting jointly with the Crown, within ten calendar days before the close of business on the 3 January 2025 where Royal Crown-Janine provided an extension until 4pm on the tenth day of January 2025.

The forced commercial lien was placed on Waitangi Limited and the Waitangi National Trust Board for the following charges: Debt-Bondage or Serfdom: A charge is placed on behalf of every inhabitant globally for Waitangi National Trust Board and all subsidiary corporations and organisations for dealing in slaves and trafficking in persons, obtaining by deception or causing loss by deception and false accounting pursuant with the provisions of sections 98, 98D, 240, 260 under the Crimes Act 1961. Also for subrogating and usurping the functions of the Crown in relationship to Collective Investment Schemes (CIS) under the Global Asset Trust and subsidiaries being a unit trust upon winding up the valued at $230million New Zealand Dollars ($230,000,000.00 NZD) and the sub-fund being a Passport Fund valued at $500million United States Dollars ($500,000,000.00) which are debts owing and due to the Crown Beneficiaries ("the inhabitants") also known as Rack Rent, Rent Charge, Rentcharge (Annuities) or Unclaimed Monies held as Bona Vacantia payable from the Common Fund or Crown Bank Account. These funds were due to be paid to all the inhabitants ("Crown Beneficiaries") by the close of business on 24 December 2024 otherwise liquidation will occur of Waitangi National Trust Group, Waitangi National Trust and Waitangi Limited and any other subsidiary. As a reserve for nine billion inhabitants (which means nine billion unit trusts) the following amount requires to be paid out to each inhabitant collectively and individually through the

current banking facilities being level 25 and level 15 and level 10 banking facilities. The two unit values are listed in different currencies so to work out the full value owed it needs to be converted into one currency where the US dollar unit value has been converted into NZ dollar to bring the combined unit to the value of 1.12308 million. This figure needs to be multiplied by the nine billion reserve (based on allowance for the number of inhabitants on earth). This results in a debt that requires to be paid out where if in New Zealand dollars the figure is 10,107,720,000,000,000.00 which is 10.10772 quadrillion NZ dollars and converted back to US dollars is 5.65896 quadrillion US dollars collectively with personal liability and criminal charges to be laid against directors and trustee and officers.

No report was received from any of these officers and ministers showing that they are now acting in dishonour and liable in the private as well due to not serving the best interests of the Crown's beneficiaries.

Seeking first the Kingdom of God the Summary Judgement now made is issued pursuant to Section 289 and 239 of the Companies Act 1993 and the Insolvency Act 2006 of failure to pay the outstanding debt due and owing in due course a charge over the whole of the assets, liabilities and rights in the Crown of Her Majesty Queen Janine who assumes Creditor's Rights has affirmed in the Royal Court of New Zealand for the restoration of God's Kingdom here on earth within the realms of the United Kingdom of New Zealand assents to the place of Royal Assignor and Royal Assignee in the Crown of Her Majesty Queen Janine of the Royal House of Walters to administrate the liquidation of all the entities trusts, corporations, franchises and any other organisation that is found through discovery that has contributed to making the inhabitants debt slaves with failure of payout and failure of serving the best interests of the beneficiaries, where from the Holy Bible the book of Matthew chapter 6 verse 33 declares that as we seek first the Kingdom of God and His righteousness that all these things shall be added to us being God's people and the inhabitants of Earth.

Liquidation Court Summary Judgement of Sanjai Raj dated 14 January 2025

This court hearing in the Royal Court of New Zealand under the jurisdiction of Almighty God and all its content have been entered into the public records. Court recording commenced at 4.03pm on the fourteenth day of January in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The two witnesses attending agreed to act in this capacity and gave their first names Fred and Beverley-Jane.

Sanjai Raj was charged on the third day of December 2024 as Individual in Private as well as Registrar of Personal Properties Securities Register and all Associated Corporations for attempting to cause loss by deception which is a crime involving deceit under s.240(1) Crimes Act 1961 for removing 103 financial statements, of the debts associated with the Crown corporations and their officers and ministers. This is a criminal and imprisonable offence on top of the commercial charges already in place. It is also noted that the date chosen to remove all financial statements was the day before the commercial lien against the Prime Minister Christopher Luxon reaches the 90 days which makes this a criminal offence, therefore he actively participated and aiding and abetting this crime. In his role as Registrar he is also subject to the 1961 Criminal Justice Act drawing particular attention to sections 98,100, 105F, 219, 240, 242 and 116 Conspiring to defeat justice 'Every one is liable to imprisonment for a term not exceeding 7 years who conspires to obstruct, prevent, pervert, or defeat the course of justice in New Zealand or the course of justice in an overseas jurisdiction.' There is a charge of harm on behalf of every man, woman boy and girl living in New Zealand for trying to steal and cause loss by deception of their rightful claims. The current population is 5,338,000 approximately with a seven year charge for each one. The sections mentioned of the criminal Justice 1961 Act were entered into the public record in full.

Due to fraud and deceit Sanjai Raj became personally liable for the full debt against all the crown corporations, plus made the corporations he represents fully liable for his actions. Through discovery it is found that he represents the Companies office, which also has international ties, and as further investigations occur any other corporations nationally and internationally that are

associated with the Companies Office are also liable for this debt including the international banks. Due to the serious natures of the crimes where every man, woman, boy and girl on earth has had a corporation set up to represent them through fraud and deceit to make them debt slaves the debt continues to go up until it is settled.

The total amount of debt owing on the seventeenth day of December 2024 of the Crown and council corporations related to the financial statements that Sanjai Raj removed off the register was two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00. Sanjai Raj was informed that on the statement of money owed provided to and received by him on sixth day of December plus placed on public gazette that the debt would continue to double daily until settled. This has continued to double from 18th day of December and has a current charge today on 14th day of January 2025 of 65.168 septillion new zealand dollars ($65,168,570,888,700,000,000,000,000.00NZ) and now that through discovery there is international ties this figure is converted into US dollars which is 36.494 septillion united states dollars ($36,494,399,697,600,000,000,000,000.00usd) with an official lien made against the companies office on the UCC.

Sanjai Raj's non action and dishonour on behalf of the Companies Office has created massive world debt which is going to lead to the whole world monetary system collapsing. Sanjai Raj is personally liable for this debt.

Today being the fourteenth day of January 2025 seeking first the Kingdom of God the Summary Judgement now of failure to pay the outstanding debt due and owing in due course a charge over the whole of the assets, liabilities and rights in the Crown of Her Majesty Queen Janine who assumes Creditor's Rights has affirmed in the Royal Court of New Zealand for the restoration of God's Kingdom here on earth within the realms of the United Kingdom of New Zealand assents to the place of Royal Assignor and Royal Assignee in the Crown of Her Majesty Queen Janine of the Royal House of Walters to administrate the liquidation of Sanjai Raj for his role in making the inhabitants debt slaves with failure of payout and failure of serving the best interests of the beneficiaries, where from the Holy Bible the book of Matthew chapter 6 verse 33 declares that as we seek first the Kingdom of God and His righteousness that all these things shall be added to us being God's people and the inhabitants of Earth.

Today being the fourteenth day of January in the year of our lord two thousand and twenty five at 4.15pm it is entered into the Royal Court record that Sanjai Raj was declared insolvent that from this day he is no longer able to hold positions of authority, or remain in the office of Registrar where all and any assets or shareholdings and voting rights are now allocated to the Assignor Janine of the Royal House of Walters. Sanjai Ray has now entered into statutory management where his roles and titles and office are now taken over by the Royal Assignor Janine who takes over with immediate effect the role of Registrar in the Companies office which means with immediate effect that all decisions and operations need to have her approval or they are unlawful.

Vittoria Shortt is the chief executive officer of ASB Bank and director of ASB Holdings. Summary Judgement was obtained against the corporations on the 19th day of July 2024 where both corporations were required to settle their debts on the forced commercial liens, with Vittoria Shortt in charge of settling these debts. Due to actions of dishonour Vittoria Shorrt has now become liable for these debts and is also facing criminal charges of not reporting the debts to the company indemnity insurance and not providing these details to the claimant who was owed the funds, and non payment.

ASB BANK and ASB HOLDINGS the shareholder corporation on 18th of December 2024 with New Zealand business numbers 9429039435743 and 9429039342768 were declared insolvent due to non-payment of its debts with final day for payment being 17th day of December 2024 where the Secured Party Creditor Claimant Janine of the House of Walters has affirmed in the Court of Aotearoa also known as New Zealand, the World and Terra Earth which is now known as **The Royal Court of United Kingdom of New Zealand** under the Jurisdiction of God Almighty that covers all jurisdictions under it including but not limited to the sea, the land and the air; that no payment was received for the outstanding debt on that date being $228,766,608,655,698.00 in writing being two hundred and twenty-eight trillion, seven hundred and sixty-six billion, six hundred and eight million, six hundred and fifty five thousand six hundred and ninety-eight dollars to be paid out in the currency of her choosing where if not paid out by 17th of December 2024 the lawful right to make claim and liquidate the parent or successor corporations or trusts and seize assets from anywhere in the world as The United Kingdom of New Zealand and Aotearoa includes the whole earth.

The director Vittoria Shortt was ordered to cease bank operations at ASB Bank with documentation of their insolvency provided to her on 20th day of December 2024 plus placed on public gazette. The ASB

Bank has continued bank operation as normal and therefore the debt has continued to double daily due to operating unlawfully while insolvent and will continue doubling daily until they cease to operate, where the liability is now also passed onto all parent corporations.

Vittoria Shortt had ten working days from 20 December 2024 to submit a report back to the Assignor showing every register public and private and crown and admiralty plus any overseas register plus any other register that contains information regarding the corporation's financial operations with personal and criminal liability for not providing this information with the final day being the 13th day of January 2025. I Royal Crown-Janine the Assignor confirm no financial operations records were received by the end of the 13th day of January 2025, so now claim can be made off the parent corporations and will continue to go up 100% daily until settled, and until bank operations cease.

The debt as of today the 14th of January 2025 is $61,409,068,912,060,000,000,000.00 sextillion which converted to Australian dollars is $55.659192658 sextillion Australian dollars and this debt will continue to double daily until settled in full.

THIS Summary Judgement is issued due to failure of Vittoria Shortt to pay the outstanding debt due with a charge over the whole of the assets, liabilities and rights where the Crown of Her Majesty Queen Janine assumes Creditor's Rights and has affirmed in the Royal Court of New Zealand for the restoration of God's Kingdom here on earth within the realms of the United Kingdom of New Zealand. The Crown of Her Majesty Queen Janine of the Royal House of Walters assents to the place of Royal Assignor and Royal Assignee to administrate the liquidation of Vittoria Shortt in the private.

Vittoria Annabel June Shortt was declared insolvent at 4.45pm on the fourteenth day of January 2025. This document is her formal lawful bankruptcy notice where she is no longer able to hold positions or roles of authority and has entered into statutory management where her roles and titles and office are now taken over by the Royal Assignor and all and any assets including property and any and all collateral and financial instruments of ASB BANK or ASB HOLDINGS or any bank assets that have been transferred from the bank into trusts are now transferred and placed into Janine and the People's Irrevocable Trust where the Assignor Crown-Janine is now the trustee of those assets on behalf of the inhabitants and beneficiaries, and all of Vittoria Short's shareholdings in any corporation or trust are taken over. These Summary Judgements are issued pursuant to Section 289 and 239 of the Companies Act 1993 and Insolvency Act 2006 of failure to pay the outstanding debt due and owing in due course a charge over the whole of the assets, liabilities and rights in the Crown of Her Majesty Queen Janine assumes Creditor's Rights and has affirmed in the Royal Court of New Zealand for the restoration of God's Kingdom here on earth within the realms of the United Kingdom of New Zealand assents to the place of Royal Assignor and Royal Assignee in the Crown of Her Majesty Queen Janine of the Royal House of Walters to administrate the liquidation of all of the corporations and officers named above.

A correction from an error in the hearing from tenth day of January 2025 where the insolvency number allocated of 100125507 for the Office of the Minister of Finance is now replaced with the new allocated number of 170125442 where the Royal Assignor Crown-Janine assigns the role of the Office of Minister of Finance back to her as the Royal Assignor and Statutory Manager.

The officers that were appointed at the Royal Court Hearing on the tenth day of January 2025 as Statutory managers to replace the officers stood down are: His Majesty King Nelson to step into the office of The Crown in Right of New Zealand and office of Parliament incorporated and His Majesty King Steven The Crown in Right of Australia to step into the office of Minister for Arts, Culture and Heritage and Dennis of the House of Mirosevich as director of Orbit Futures to step into the Office of Minister of Finance and Fred of the Royal House of Stewart to step into the office of Crown Law, and office of ministry of Maori Affairs. **It is recorded here that due to non contact with the Statutory Managers during the first week of insolvency that the Office of the Minister of Finance and Office of Minister for Arts, Culture and Heritage have returned back to the Royal Assignor Crown-Janine as the Statutory Manager on the seventeenth day of January 2025, but further roles will be considered once clear lines of communication established with Dennis of the House of Mirosevich and His Majesty King Steven The Crown in Right of Australia.**

All men and women in the private have a right to appeal the court decision and be formally trialed in front of their peers with the knowledge that if trialed in front of peers in the Royal Court under the Jurisdiction of God Almighty that the charges already in place commercially due to evidence of harm and loss will lead to criminal charges of harm. If the man or woman shows remorse to their actions or decisions or lack of actions then he or she will have the opportunity to communicate their commitment to help undo harm, and victims will have the opportunity to declare his/her victim impact and the court will decide on the appropriate sentencing. Following orders is not an acceptable reason for an appeal for all are accountable for his or her own actions.

As all the officers are now declared insolvent and now entered into liquidation and statutory management all of their roles as minister, director or chief executive officer have now become vacant, where the Royal Assignor Crown-Janine steps in to fill this role until the Royal assignor appoints someone else into this role. In law the ministers and officers made insolvent are not able to hold

positions of authority, so the Royal Court makes it clear that these ministers and chief executive officers can not be appointed into any other roles or portfolios and any decision he or she makes from the time of insolvency is unlawful and is considered revoked unless the Royal assignor or appointed Statutory manager approves that decision in writing.

Royal Crown-Janine will appoint men and women to take over as Statutory Managers over the next few weeks, where she will remain in the role of Royal assignor in the Kingdom of God as representing Almighty God and all the inhabitants of earth as trust protector where she is to ensure that all appointed statutory managers at all times act in the best interests of the crown beneficiaries where the statutory managers are required to be fully accountable to her and can be removed at any time if it is determined that they have stopped acting in the best interests of the inhabitants with Royal Crown-Janine having royal rights to appoint in position and remove from position the Assignees and Statutory Managers as identified or any others that are appointed at a later date.

Royal Court Insolvency Hearing NZME and Associated Officers and Employees

17th day of February 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 9.08am on 17th day of February in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agree to act in this capacity and gave their first names as Margaret, Fred and Bryan.

On the seventh day of November 2024, the following officers of NZME -Michael Raymond Boggs, David Mackrell, Barbara Chapman, Carol Campbell, David Gibson, Guy Horrocks, and Sussan Turner were notified where a liability notice was sent that the Jurisdiction of all had returned to under Almighty God, where agents and journalists working within their corporation were commissioned to tell the truth and stop spreading false information with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws and contracts. Exodus chapter 20 verses 15 and 16 was quoted "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporations and their officers and employees are now liable for all actions of bearing false witness and participating in controlling the people by deceit. I, Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman.

The officers were informed on the liability notice that the charges for spreading false information with intent to deceive the people as well as intentionally withholding the truth with intent to deceive was minimum of one million dollars for every man, woman, boy or girl that has been affected by their public broadcast of information and written material. From that date forward, they were commissioned to convey the truth and refrain from causing harm, bearing full commercial liability for the continued spread of false information.

This information was also placed on public notice board publicnoticesnz.com

The court is informed that remedy was not actioned and no payment was received for the charge of printing false information. The data from the Horizon's own website shows in 2023 that 250,000 people living in this regional council area The two charges calculated to an immediate charge of 2 x area population x one million dollars which calculates to figure of charge of harm of $500,000,000,000.00 for immediate payment and commercial lien placed and in event of non payment the lawful authority to seize all property assets of corporation of Horizons Regional Council where all assets will be held in Janine's Trust as the settlor where all the peoples in our community are the beneficiaries of these assets. Michael McCartney the chief executive officer has ten working days from 17 February 2025 to provide full financial operation records including the public and private ledgers and any other ledgers or face insolvency in the private being fully commercially liable for this debt in the private. The final day to provide these records is Monday 3 March 2025.

As all the officers are now declared insolvent and now entered into liquidation and statutory management all of their roles as officer or director or any other title in any other corporation or trust have now become vacant, where the Royal Assignor Crown-Janine steps in to fill this role until the Royal assignor appoints someone else into this role. In law the officers made insolvent are not able to hold positions of authority, so the Royal Court makes it clear that these officers can not be appointed into any other roles and any decision he or she makes from the time of insolvency is unlawful and is considered revoked unless the Royal assignor or appointed Statutory manager approves that decision in writing.

Royal Court Insolvency Summary Hearing Dated 31 March 2025

This court hearing in the Royal Court of New Zealand under the jurisdiction of Almighty God and all its content have been entered into the public records. Court recording commenced at 4.25pm on the thirty-first day of March in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agreed to act in this capacity and gave their first names as Karl, Fred and Beverley-Jane.

On the 18th of December 2024 all of the New Zealand council corporations were declared insolvent due to non payment of their debts and the following Crown corporations were also declared insolvent due to non payment of their debt- HIGH COURT OF NEW ZEALAND and MINISTRY OF JUSTICE and HER MAJESTY THE QUEEN IN RIGHT OF NEW ZEALAND and THE SOVEREIGN IN RIGHT OF NEW ZEALAND ACTING BY AND THROUGH THE SECRETARY OF FOREIGN AFFAIRS AND TRADE and THE QUEEN'S MOST EXCELLENT MAJESTY IN RIGHT OF NEW ZEALAND and RESERVE BANK OF NEW ZEALAND and NEW ZEALAND DEBT MANAGEMENT and INLAND REVENUE and INLAND REVENUE DEPARTMENT and NEW ZEALAND LOCAL GOVERNMENT FUNDING AGENCY and LOCAL GOVERNMENT NEW ZEALAND and NEW ZEALAND TREASURY and MINISTRY OF FOREIGN AFFAIRS AND TRADE and MINISTRY OF HEALTH and HEALTH NEW ZEALAND and NEW ZEALAND POLICE. As a result of non payment of debt the crown state owned enterprises corporations and their shareholdings were taken over on the third of January in the year of 2025 by the Royal assignor Janine of the House of Walters, where the chief executive officers and administrators of the corporations were informed on the same day of the hearing that they must provide a full report with statement of financial affairs and full list of assets and liabilities. The Chief Executive Officers had ten working days from 3 January 2025 to submit a report back to the Royal Assignor showing every register public and private and crown and admiralty plus any overseas register plus any other register that contains information regarding the corporation's financial operations with personal and criminal liability for not providing this information, where the final date to supply this information was 4pm on the seventeenth day of January 2025, with failure leading to personal liability and insolvency of the chief executive officers at 4pm that same day.

All Rights Reserved

I, Janine Commander and chief and Royal Crown confirm that no financial operations were received from any of the chief executive officers where the CEOS of the majority of corporations were made insolvent on the seventeenth day of January 2025. In a recording error the CEO insolvencies were left off the insolvency hearing list on 17 January 2025 of the following corporations KORDIA GROUP, LANDCORP FARMING, METEOROLOGICAL SERVICE OF NEW ZEALAND, NEW ZEALAND POST, QUOTABLE VALUE, TRANSPOWER NEW ZEALAND, CROWN ASSET MANAGEMENT, KIWI GROUP CAPITAL, GENESIS ENERGY, MERCURY NEW ZEALAND, MERIDIAN ENERGY, CHRISTCHURCH INTERNATIONAL AIRPORT, DUNEDIN INTERNATIONAL AIRPORT, HAWKE'S BAY AIRPORT, KIWIRAIL and KIWIRAIL HOLDINGS and NEW ZEALAND RAILWAY and their chief executive officers have remained operating since that day, so today on 31 March this was corrected. The total amount of debt owing that each of the chief officers are liable for is two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00, where it is clear than none of them are in the position to pay.

In process of discovery it has been identified that NEW ZEALAND CENTRAL SECURITIES DEPOSITORY LIMITED company (644859) with Nzbn 9429038619670 and 100% shareholder of RESERVE BANK and as such is fully liable for the debt of the Reserve Bank and requires to be made insolvent, which also occurs today.

There are four other individuals who are made insolvent today. The first three are the CEOs of the three corporations made insolvent on 17 February 2025 due to non payment of their debts with the corporations being STUFF, NZME and Horizons Regional Council.

The last individual is Steven (Steipo) Jurkovich from Kiwibank, who was sent an Affidavit and notice dated 7 January and received on 8 January 2025 from the Insolvency Statutory Manager informing him that Kiwigroup Capital was bankrupt with the official court insolvency documents accompanying the affidavit, where he had 6 days to rebut the affidavit in full regarding Kiwibank corporation now being liable to pay the outstanding debt of two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars in numbers $242,771,844,896,485,000.00. He was also held to account for participating in making men and women debt slaves through loans made with fraud and deceit, where nothing of substance was loaned, and money created by the wet ink signatures of the man or woman signing the loan agreement that did not exist prior, and the bank does not get a representative to sign the loan document, where signatures are required from the lender and the borrower for an agreement to become valid, making all mortgage loan documents fraudulent and all loan agreements null and void. Steven (Steipo) Jurkovich did not rebut the affidavit and was then sent a notice of acceptance dated 20 January 2025 and received 29 January 2025 that the content of the Affidavit dated 7 January was accepted in full of the debt owed by Kiwibank where he was also required by law to meet the Statutory Manager being Janine of the Royal House of Walters to provide the full financial operations of the business. The Statutory Manager Janine of the Royal House of Walters is also the majority shareholder in the bank. He was sent a formal notice of meeting to occur with him and all the directors at 9am on 10th day of February 2025 at the Kiwibank head office in Auckland, where he and all the directors were expected to attend and provide the full financial operational records. The statutory manager turned up at the set meeting time where two security guards were there to greet her as she entered the building asking if she was ‘Janine’ and informed her that they would not be attending the meeting and that she was to leave where both guards made it clear that she would be physically removed from the building if she did not leave immediately. The security guards refused to provide their names but video and photos were taken and the insolvency documents and notice orders and

All Rights Reserved

notices formally served on the guards prior to leaving. Steven Jurkovich is clearly in dishonour and now personally holds liability towards the debt. He has been sent at least four requests to meet with Janine and declined each time, so has had more than sufficient opportunity to step into honour and chosen not to. So now, with full force of the law due to the high level of liability Steipo (Steven) Jurkovich is made insolvent and no longer able to hold a position of authority, where the Statutory Manager holds the authority to hold this position until someone suitable found to fill it, and Kiwibank due to the massive debt owed against it is taken over and is now owned by Janine and the People's Irrevocable Trust on behalf of all the people living in this land where all have a right of claim unless they have done harm.

I, Janine Commander and chief and Royal Crown confirm that no payment has been made and no financial operational records provided from any of the CEOs or corporations. As a result each of the CEOs and leading officers have been made insolvent on the thirty-first day of March in the year of our Lord two thousand and twenty-five, where the names and insolvency numbers are read out aloud and entered into the record that each of the following individuals were liquidated.

It is also noted here that Janine of the House of Walters won Immediate Summary Judgement in the High Court on 19 July 2024 against all the crown corporations at the commencement of this hearing plus Western Bay of Plenty District Council and BOP LASS and ASB bank and the associated chief executive officers. These documents were served to the minister of Finance Nicola Willis in the Beehive In Wellington where Crown-Janine was supposed to receive a large payment on behalf of all New Zealanders into a Kiwibank account that she holds in trust that same day on 19 July 2024 from the debtor corporations including ASB Bank of four sums totalling the amount of being seven trillion, nine hundred and thirty-one billion, six hundred and seventy-four million, one hundred and eight thousand, three hundred and three dollars and forty-nine cents in numerical value $7,8931,674,108,303.49. Both ASB Bank and Kiwibank were shut down operating that day and were the only two banks that were shut for a full work day stating in the media that it was a Microsoft glitch, where all the banks use Microsoft and it was only these two banks down. Steven Jurkovich was in charge at this time and a full enquiry will now be launched with full forensic analysis of what happened that day and if it is discovered that Kiwibank took funds and robbed not only Janine but every man, woman, boy and girl in New Zealand that criminal charges will be laid on every individual that participated in wide scale fraud, where the bank will be fully shut down unless this is paid back in full. **CEO** stands for Chief Executive Officer, **CE** stands for chief executive or the head noted as holding responsibility and liability for that corporation.

Crown-Janine UFN stands for Crown-Janine steps in until further notice as Royal Assignor and Statutory manager

The names of the officers are entered as they are recorded on the websites of each corporation. It is also considered that if his/her legal name is different that the legal name has also been entered into the record. If the corporation or companies' website have not updated who the current chief executive officer or minister is, then it is considered that the appointment of his/her office is still taken over by the Royal assignor.

NZBN stands for New Zealand Business Number
Coy/entity stands for company or entity number
If the spelling of any name provided that has come off the official website of each of the organisation is the incorrect legal name, it is considered that the correct legal name has been entered into the public record

Here are the unrebutted facts presented in this court hearing:

1. That on the 24th of January 2024 each of the above boards and councils and their representatives as individuals in the private received a liability notice containing the information listed in points 1-16

2. That on 19 September 2024 Immediate Summary Judgement was made by Janine of the Royal House of Arabella and Walters with full lawful authority through non-rebuttal in the High Court of New Zealand against the crown government corporations including the High Court of New Zealand for making the people of this land debt slaves through fraud and deceit as well as liability for all and any harm caused by the covid-19 vaccine mandates where you can not force or co-erce someone to take a vaccine where one of the risk factors is death and evidence was provided to the CEOs of district health boards now known as Health New Zealand that the vaccine was neither safe or effective from their own data at the time of the mandates in November 2021. The jurisdiction of the Land, Sea, Air and everything else was placed back under Almighty God not only for New Zealand but for the whole world on the same date being 19th day of September 2024. A one million dollar charge was placed on behalf of every man, woman, boy and girl that was effected by the covid-19 mandate decisions and due to non payment of this debt every single government corporation have now been made insolvent. Now all corporations, organisations and licensing bodies are being held accountable for their actions with the same charge fees still applying to all due to being unrebutted in a court of law.

3. The Royal Court of New Zealand was set up in November 2024 due to the High Court of New Zealand and all other government run courts operating in dishonour through fraud and deceit, where the High Court of New Zealand was also found guilty of multiple charges of harm against all men, women, boys and girls in New Zealand, and as a result the Court and its officers became liable for all debts associated with the crown Corporations for actively participating in making the people debt slaves and bring false charges on the people through fraud and deceit. Due to non payment of their debts on 18th day of December 2024 the High Court of New Zealand and all crown and council corporations were all made insolvent, and all government corporation run courts in this land have been operating unlawfully since being declared insolvent. The only recognised courts are ones operating under the Jurisdiction of God Almighty where fraud, deceit, bearing false witness, theft and murder are no longer tolerated.

4. Orders were provided to the heads of the Crown and council corporations on the 10th day of October 2024 to stop spreading false information with intent to deceive the people, that all individuals who disseminate false information with the intent to deceive and cause harm as well as occasions where the truth is intentionally withheld from the people so that they can continue to be deceived, all to prevent liability. Any officers within any corporation or organisation that causes harm can be charged with the individuals, as well as the corporations they represent, liable for charges of minimum one million dollars for every man, woman, boy or girl that has been affected by their decisions of mandating employees or health professionals out of employment, for the co-ercement of vaccinating all others where research is now showing the MRNA is changing human DNA where the long term consequences are yet unknown.

5. All of the listed organisations, trusts and corporations were commissioned to tell the truth and stop spreading false information with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws

All Rights Reserved

and contracts. Exodus chapter 20 verses 15 and 16 was quoted "Thou shall not steal and though shall not bear false witness against thy neighbour." The organisations and their officers and employees are now liable for all actions of bearing false witness and participating in controlling the people by deceit, where a vaccine was mandated when the officers within the government and the district health boards and Ministry of Health knew it wasn't safe or effective. Genesis Chapter one verse 27 was quoted "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations and other organisation structures. A corp-oration (dead man speaking) can never have control over a man or woman.

6. The covid-19 vaccine has now been identified as a health and safety at work hazard. A business has a duty to ensure that the health and safety of persons are not put at risk from work carried out by the business. (Section 36 of the Health and Safety at Work Act 2015). The mandated covid-19 vaccine has been identified as a potential health and safety risk. This evidence has been presented in the High Court of New Zealand, and as it has been presented and unrebutted it is now identified as truth in law and must be complied with. See the following article put out by the Florida government news room: https://www.floridahealth.gov/newsroom/2023/02/20230215-updated-health-alert.pr.html

7. As governments overseas including the New Trump administration have recognised that the vaccine is a health and safety hazard this is now recognised worldwide where the Royal Court of New Zealand under the Jurisdiction of Almighty God has also recognised the covid vaccine as a health and safety hazard. President Trump has already recognised the Royal Court in operation in New Zealand plus publicly declared that we are now under the Jurisdiction of God, as have many other international government bodies. The control of the pharmaceutical corporations is now over where everything has been money driven rather than the best interests of the people. The inalienable rights of the people are now restored. All men and women have right to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies.

8. All officers, employers and boards and licencing bodies were ordered with immediate effect to drop all charges against individuals who worked under their organisation either as an employee or a held a registered license to practise for making a decision to not have a vaccine and make a choice what goes into his or her own body.

9. If charges are not dropped immediately every officer with the organisation at fault becomes personally liable to pay the fines in place against individuals, which included Sam Bailey (doctor) and Karl Fischer (optometrist who has recently been defamed in the newspaper with lies of practising without a current practising certificate and all other individuals, plus a formal apology in writing to any individual where their character has been defamed and shamed for making a decision of what was right to go into his or her own body. If the licensing bodies do not comply your organisations will be shut down and replaced.

10. All employers and boards and licencing bodies have a duty to provide information and training to past and present employees and health professionals and medical practitioners that are or were covered under the jurisdiction of their organisation of the exposure and potential harm to the persons put at risk through the covid-19 vaccine. It is a criminal offence to not train employees and health professionals and medical practitioners that were registered and licensed by your organisation of exposure to risks. (Section 9 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016)

All Rights Reserved

11. Employers and licensing boards are required under this act to provide workers and health professionals the opportunity to have a thorough medical examination. Employees and health professionals can claim expenses and compensation to undo any harm that has been caused by this exposure.

12. The medical board is also required to inform all medical practitioners of these health and safety hazards where all medical practitioners are now required to inform every one of their patients of exposure to these hazards where all practitioners will face criminal liability if they do not inform all patients.

13. Each organisation is required to inform your staff and all past and present licensed and registered health professionals that were under your board's oversight of the risk of this hazard and his/her rights to make a claim where application forms can be emailed from and sent to makeaclaimnz@protonmail.com.

14. As the government corporations failed to deal with this matter they are now insolvent where Janine now sits in the position of Commander and Chief and Crown over the crown corporations having full lawful rights to hold all accountable for actions of harm under the Jurisdiction of God Almighty. The boards and councils were required to inform me how many staff work in your organisation and how many are registered currently and how many were registered at the time of the mandates in November 2021, which will indicate how many were mandated out of employment or business. Each organisation and it's officers had one month until 24 February 2025 to contact all registered health professionals and staff with the attached pamphlet or a one million dollar charge for every registered health professional or employee would be placed against their organisation as well as against the named individuals who hold personal liability.

15. A written confirmation was required back by 24th day of February 2025 confirming that each board and council member had informed all past and present staff and registered health professionals of their exposure to a hazard with confirmation in writing of how many registered health professionals under their organisation now and prior to the mandates.

16. The Medical Board members and all other licensing board members are required by law to ensure that all medical and health practitioners have informed every one of their patients of their exposure to this hazard. To say that you were following orders is not acceptable according to Nuremburg trials. They were responsible to inform all of their staff and health professionals under their licensing body. If no confirmation was received by the due date of Friday 24 February 2025 that each board and council confirming that all staff and health professionals have been informed then immediate payment of one million dollars for every employee and registered person under your organisation will be demanded and your organisation will be made insolvent and dissolved for not acting in the best interests of the people. The Medical Board and the Health Practitioners Disciplinary Tribunal hold the most liability due to instructing all doctors and health professionals to promote the vaccine and punishing those who didn't. If the Medical Council do not comply with ensuring all doctors inform all patients they were informed they would be charged one million dollars for every man, woman, boy and girl living in New Zealand. The Health Practitioners Disciplinary Tribunal will also be charged one million dollars for every man, woman, boy and girl in this country. This matter is very serious due to loss of life, the large quantity of severe adverse events plus vast array of medical problems that have been occurring since the vaccine roll out. A hand out was supplied to be sent out to every New Zealander affected.

17. That a reminder notice was sent by email on 24 February to each of the above councils and boards and tribunal that this was the final day to comply with the directive of reporting the covid-19 vaccine as a hazard to all the men, women, boys and girls living in New Zealand affected by this exposure.

All Rights Reserved

18. That no action was taken by any of the above councils and boards and tribunals and their representatives by the due date 24 February 2025 to undo harm and inform all past and present staff and employees plus licensed and registered health professionals plus medical practitioners plus all patients that have been exposed to the covid-19 vaccine hazard where according to the Health and Safety at Work Act it is a criminal offence to not provide information and training to past and present employees and health professionals and medical practitioners that are or were covered under your organisation of the exposure and potential harm to the persons put at risk through the covid-19 vaccine. (Section 9 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016) where all representatives became commercially and criminally liable for not reporting the exposure to this hazard.

19. On 11 March 2025 a bill ledger was sent by email for each of the defendants of commercial liability was personally delivered by hand to the registered office of each of the defendants with a printed copy for each debtor and defendant for payment due by 18 March 2025 or take remedy of informing all people affected and drop all charges related to the covid-19 mandates against health professional and medical practitioners, reinstate his/her license and remove all restrictions on scope of practise as the covid-19 mandates were unlawful as someone can not be forced to take a vaccine where one of the risk factors is death where the first vaccine death autopsy report was presented to the Ministry of Health and District Health Boards on 25 November 2021 during the two week stand down period of the Mandates (15-29 November 2021) where this information was provided in a series of liability notices plus unrebutted in affidavits and unrebutted in the High Court of New Zealand.

20. That no payment or remedy occurred regarding point 19 by the due date 18th day of March 2025, and on 25 March 2025 a second bill ledger was hand delivered to each registered office with a printed copy to each of the defendants on 25 March 2025 with ten percent penalty charge added for non payment and non remedy with final chance to take remedy of either paying the full amount owed or have sent written confirmation that all past and present practitioners and employers and health professionals and patients have been contacted regarding exposure to hazard covid-19 vaccine plus written confirmation that all charges made against individuals related to the covid-19 vaccine mandates dropped by 31 March 2025 plus all licenses reinstated with all conditions on scope of practise removed that were related to covid-19 vaccine mandates or the board and council will be made insolvent and disbanded as well as criminal charges to follow for the individual officers

21. That all individuals and councils and boards had one final opportunity to rebut the charges and take remedy in an affidavit received by hand delivery on 31 March 2025 where they have until 4pm on 8th day of April and if no point by point rebuttal received signed with wet ink signature in full private and commercial capacity from each individual and each board and each council that are listed as defendants, then each defendant will be made insolvent at the court hearing scheduled for 4.01pm on Tuesday 8th day of April 2025 with criminal charges to follow.; and

22. Bryan Tenhave is present today at the court hearing and was asked to confirm that he personally delivered all notices and bills and affidavits to all nineteen boards and councils and tribunals on each of the dates supplied in this hearing being 11 March and 18 March and 31 March for the affidavit and notice of insolvency hearing with final chance for remedy, where all of these documents plus proof of

All Rights Reserved

delivery are entered into the records and Bryan Tenhave confirmed that this information is correct and true and was also verified in writing by his two witnesses. Bryan reported that two of the offices locked their premises on 31 March 2025 to obstruct receiving the documents being the Medical Council o New Zealand and the Health Disciplinary Tribunal at 1 Willis Street. Chief Judge Frederick Stewart confirmed that where the defendant and debtor intentionally obstructs receiving of documents it is acceptable to tape the documents to the wall or door of the building where the office is held and this is considered lawful receipt of the documents.

23. That not one Board or Council or Individual Defendant has provided a defence or rebuttal and as a result through silent acquiescence and tacit acceptance are now guilty and liable for all charges that have been laid throughout points 1 to 22 in this hearing. 24. All defendants and debtors are found guilty and liable for the debts owed and charges against them where they chose not to take remedy of informing all the people of New Zealand of the exposure to the health and safety hazard of the covid-19 vaccine. The final date for payment was 4pm today being the eighth day of April 2025 where it is confirmed that no payment has been made by any of the debtors, so therefore with full lawful authority every single one of the debtors are made insolvent which means that every individual is now bankrupt and unable to hold a position of authority and any decisions they make from this time are unlawful and each of the Boards and Councils and Tribunals listed as debtors in paragraph 22 are now disbanded due to not acting in the best interest of the people and do no harm where they have gone against their own code of ethics.

25. 26. The Statutory Manager confirmed by Chief Judge Frederick Stewart is now in charge of setting up new boards and councils which will uphold the individual inalienable rights that can not be taken away quoted from paragraph 8 of Immediate Summary Judgement against all the New Zealand government Crown Corporations dated 20 September 2024 where this can be found on publicnoticesnz.com of the inalienable rights of all men women, boys and girls being the right to freedom, equality and dignity, no discrimination, right to life, liberty and security, right to not be held in slavery or any form of torture or degrading treatment or punishment, right to be treated fairly, no unfair detainment, innocent until proven guilty, the right to privacy, the right to freedom of movement and residence, right to acquiring, possessing and protecting property, right to nationality, to marry and have family, to own things, freedom of thought and religion, freedom of opinion and expression, right to assemble, right to democracy, right to work, right to social security and social service, right to rest and holiday, right to education, right to participate in art and culture, right to freedom of travel around the world at same time respecting the rights and freedoms of others. This is taken from Universal Declaration of Human Rights 1948 and the Inalienable Rights. These rights can not be taken away, and include the right to make informed decisions around one's own health and wellbeing, and also includes freedom of speech in mainstream media and social media with censorship being unlawful and a chargeable offence unless there is proof of a crime of violence or harm.

Highest Court on Terra Earth Insolvency Hearing of all District and High Courts and Family Courts of New Zealand

10th day of June 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 10.37am on 10th day of June in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The four witnesses attending agree to act in this capacity and gave their first names as Margaret, Fred, Karl and Beverley-Jane. It is noted that Frederick of the Royal House of Stewart is the newly appointed Supreme Justice and was also present making a ruling in this matter

This hearing notice is to go to every court in New Zealand where the chief judge and chief registrar has a fiduciary duty to provide a copy of this notice to all other registrars and judges of their fiduciary duty and personal liability if they do not comply with this notice. This notice is also being placed onto a public notice board that is available to anyone to download and take into a court or sent to a court and judge and registrar if they do not comply. They are also to contact the statutory manager if courts and registrars and judges continue to operate courts unlawfully with evidence.

The matters before the Highest Court on Terra Earth today are:

1. That the judges and registrars in all of the high courts and district courts and family courts in operation in New Zealand and in the world have been intentionally taking control over living men and women using corporate law and trickery to make man crown property as a 'person' who is defined in section 13 of Legislation Act 2019 as 'person includes a corporation sole, a body corporate, and an unincorporated body' and none of these identities is a living man. This is an action of coercion with intent to deceive and harm through enslavement. It removes man's identity, ability to self-determine and take dominion over himself and the earth according to Genesis chapter one.
2. The judges and registrars have been deceiving man and woman into joinder with a corporate fiction name that was set up to represent them with the purpose of gaining access to private ledgers of funds

All Rights Reserved

in unit trusts for every inhabitant on earth. The judges and registrars have also been using joinder to place debts on men and women and make them debt slaves, where fraud and deceit and slavery are crimes. This has caused significant harm to men and women plus they are seizing property using fraud and deceit.

3. That the Waitangi National Trust Board was liquidated on the tenth day of January 2025 for participating in making the people be debt slaves and placing on them their own debts. Unit Trusts were set up under this trust for every inhabitant on earth using the registered birth certificates to create the corporate fiction names to represent men and women and their offspring who were also meant to benefit from these trusts, but instead of individual man and woman benefitting these trusts were used to enslave men and women as debt slaves, with criminal charges in place for dealing in slaves and trafficking in persons, obtaining by deception or causing loss by deception and false accounting pursuant with the provisions of sections 98, 98D, 240, 260 under the Crimes Act 1961. The wind up value of each unit trust is $230 million New Zealand Dollars ($230,000,000.00 NZD) and the sub-fund being a Passport Fund valued at $500million United States Dollars ($500,000,000.00) which are debts owing and due to the Crown Beneficiaries ("the inhabitants") also known as Rack Rent, Rent Charge, Rentcharge (Annuities) or Unclaimed Monies held as Bona Vacantia payable from the Common Fund or Crown Bank Account. These funds are now due to be paid to all the inhabitants ("Crown Beneficiaries") The administration of the Crown and Waitangi National Trust Board was removed on 10th day of January 2025, however the Courts, the Reserve Bank and New Zealand local Government Funding agency and Public Trust and many other entities have continued administration and unlawful withdrawal of these funds. The assets which included the unit trusts were lawfully transferred into Janine and the People's Irrevocable Trust on the tenth day of January 2025 with Janine of the Royal House of Arabella and Walters and Frederick of the Royal House of Stewart are the lawful trustees *where all men, women, boys and girls as the true heirs and only rightful claimants of the funds in each* unit trust unless they have done harm. With lawful rights as the trustees we Crown-Janine and Crown-Frederick and the Statutory Manager of the Waitangi Trust Group ordered immediate wind up of every unit trust for immediate payout to each inhabitant on the tenth day of January 2025, which after being 90 days overdue are now criminal offences of all parties who have not actioned this.

4. It is important to note that this corrupt system was set up under the Waitangi National Trust Act 1932 and Waitangi Endowment Act 1932-33. Unit trusts were set up for all the inhabitants of the land where the land is defined as 1002 acres up in the Bay of Islands of New Zealand with all lands adjacent and joining. This brings in the whole world. This means that this court hearing is not only for New Zealand but for every inhabitant on earth. Inhabitant is defined as every man, woman, boy and girl living on earth.

5. Through the High Court Summary Judgement process Crown-Janine has in place an unrebutted one million dollar charge of harm per event and per day for every man, woman, boy and girl on earth. As each registrar and judge in each district and high court and family court are continuing to withdraw funds out of each individual trust fund they are firstly harming the man and woman by controlling them with deceit and secondly stealing from them as they are the true heirs and inheritors, now that every unit trust have been wound up. Each court has commercial liability for the harm they are causing plus are also liable for the Crown debt due to also being complicit in stealing and enslaving men and women and boys and girls. The crown corporations became insolvent on 18th day of December 2024

All Rights Reserved

due to failure to step back into honour and stop harming men and women and failure to pay out the debt owed to every man and woman and their offspring. The insolvency documents were served on the High Court of New Zealand head office in Auckland on 20 December 2024 for distribution to all other offices within New Zealand, plus are available for anyone on publicnoticesnz.com.

6. The debt owing by the Ministry of Justice and the Crown Corporations on 18th of December 2024 was two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars where due to non payment and dishonour of continuing to trade and harm men and women ten percent per week penalty interest has continued to be added to this debt since this time. Every district court and every high court and family court is now liable for this debt. The jurisdiction of the land, sea, air and everything else was changed to under God Almighty of 19th day of December 2024 through immediate lawful Summary Judgement. This means that the crown and admiralty courts no longer hold jurisdiction and removes immunity of judges and registrars who are now fully liable for his or her actions in the private.
7. On today the tenth day of June at 10.45am with full lawful rights every district court and high court and family court in operation in New Zealand is liquidated due to being unable to pay their debts and operating using fraud and deceit. This includes the administrating corporations ICL NZ and FREEMAN HOLDINGS TRUSTEES as well as the trusts sitting in behind. They are declared fully insolvent and by law required to cease trading where the Statutory Manager appointed to manage their insolvencies is Janine of the Royal House of Walters until someone suitable found to step into this role. The chief registrar and officer in each court and corporation or organisation now has ten working days to send all financial operational records of public and private and any ledgers handed over plus all assets being all money in any currency, all digital currency, all precious metals, all buildings, all financial documents and instruments, all computers, all passwords. With full lawful rights all court assets are now lawfully transferred into the ownership of Janine and the People's Irrevocable Trust.
8. The only courts that are allowed in operation now are those under the Jurisdiction of God Almighty who is the creator of the heavens and the earth and men and women where this jurisdiction overrides all others, where law is based on the Holy word of God from the King James Bible. Any case that is brought into the high court or district court or family court from this date can be overturned, due to reckless trading plus criminal offences of its offices and registrars and judges to continue to administrate the affairs and unit trusts of living men and women and their offspring.
9. A new system and restorative justice court system is now in place. The two courts that are operating in New Zealand under the jurisdiction of God Almighty are The Royal Court of New Zealand and the Highest Court on Terra Earth, where men and women in every community are now being trained in how to mediate and judge matters in the way our Creator intended. The admiralty and crown court system in New Zealand are now completely dismantled, where they no longer hold any authority due to operating in absolute fraud deceit and corruption. All officers, registrars and judges and any other agents that have been administrating the affairs of men and women will now be up on criminal and commercial charges. If they are prepared to stop doing harm and go public and assist in men and women gaining access to their own trusts, then they will restore their honour and prevent or reduce charges against them

All Rights Reserved

10. Janine's claims were presented and unrebutted by the heads of every crown corporation and by the High Court of New Zealand. Janine's claims were on behalf of every man, woman, boy and girl in New Zealand that it has now clearly been established encompasses the whole earth. There is a lawful charge in place for use by every man, woman, boy and girl of one million dollars for every event of harm per day. What is really important is that Janine raised back the standing of all men, women, boys and girls to that of living with a live blood constitution having the only true and rightful claim as the heirs over their own unit trusts and estates and claimed back the DNA and souls and bodies of every man woman and boy and girl back to under their Creator to remove all hold and claim over them so that they are only accountable to our Creator and the scriptural commands from Matthew chapter 22 verse 37 to 40 of Love our Creator and love our neighbour as ourself where Romans chapter 13 verse 10 states "love does no harm to a neighbour." Her High Court Documents were sealed with the scripture Colossians chapter 2 verse 14 and 15 "Having wiped out the handwriting of requirements that was against us, having nailed them to the cross, having disarmed every principality and power triumphing over them." The disarming of principalities is on earth and in the heavens where every man, woman, boy and girl is now free standing under their creator, where restorative paths of justice can be set for those who are truly repentant of his or her actions of causing harm to others.

11. All men and women in leading positions of authority have a high level of accountability for actions resulting in harm to men and women, where if they do not step back into honour to stop and undo harm will be judged to full the extent of the law of God, where the full measure is receiving the same judgement as the harm that they have caused others.

Crown-Janine UFN means that Crown-Janine is the Statutory Manager until further notice

The names of the organisation and corporation entities are written exactly as found on the website justice.govt.nz. If a letter has an accent over it such as 'ā' in Whangārei it is considered that both Whangārei and Whangarei are entered to ensure that if another entity is created that both entities are entered in as being insolvent. It is noted that Tauranga Civil High Court has already been made insolvent.

5. In the process of discovery ASB BANK and/or ASB HOLDINGS and/or COMMONWEALTH BANK OF AUSTRALIA transfer any of their assets to further corporations, trusts and other entities, then the entities who received these assets after the time ASB BANK and ASB HOLDINGS were declared insolvent on 18th day of December 2024 also become commercially liable; and

All Rights Reserved

6. That the High Court of New Zealand and the Registrar assigned to the case with lodgement file numbers T218496 acted in dishonour and did not enforce the Summary Judgement dated 18th day of April 2024 which led to the Claimant filing a statement of claim against the High Court of New Zealand and all the Crown Corporations with full summary judgement obtained against them on 19th day of September 2024 where the claimant was able with full lawful rights to declare and change the Jurisdiction of Land, Sea, Air and everything else under the Jurisdiction of God Almighty, the Creator of the Heavens and the Earth where all that matters is the truth and all hidden meanings and legalese was abolished from that date where the claimant from that date had full lawful rights to set up a court of law under this Jurisdiction which overrides all other Jurisdictions; and

7. That due to the lawful Jurisdiction change on 20th day of September 2024 to under God Almighty where all that matters is the truth and all other jurisdictions fall under this where Janine of the Royal House of Walters sits as Crown and Commander and Chief over all crown corporations and over Admiralty and Crown corporate jurisdiction and have full lawful authority to hold national and international court under jurisdiction of God Almighty where all other courts and jurisdictions come under this authority including banking corporations and trusts; and

These were sent on 5 May via international post with tracking number EP460918286NZ and received on 13th May at 10.39am Australian time. The amount owing due by 14 May 2025 at that time was four hundred sixty-nine octodecillion, seven hundred sixty-seven septendecillion, five hundred seventy-five sexdecillion, four hundred twenty quindecillion, five hundred twenty-eight quattuordecillion, one hundred tredecillion Australian dollars showing amount in numbers:

At this time the commercial lien had been in place for ninety days so had lawful right of claim on the lien due to it now being a criminal offence for the corporation and/or its indemnity insurance to pay out. There was a postal delivery delay in receiving this document, so an extension was granted until 30 May 2025 for Commonwealth Bank of Australia officers to enforce cease of operations of ASB BANK and ASB HOLDINGS where the claimant Janine of the Royal House of Walters requires to receive all financial operational records of public and private and any ledgers handed over plus all assets being all money in any currency, all digital currency, all precious metals, all buildings, all financial documents and instruments, all computers, all passwords, all chattels and furniture and any other assets of ASB BANK and ASB HOLDINGS. Summary Judgement in the High Court of New Zealand on 19 September 2024 and placed the Jurisdiction of Land Sea Air and Everything else under Almighty God not only for New Zealand but the World

It is declared that all law documents are only to use plain simple English or the commonly known language of the people and Counting Systems, taken from the Oxford Dictionary of English unless otherwise definition given or as commonly comprehended by living men and women. Any content or character or page layout is not to be confused with legalese or syntax or any other language. Highest Court on Terra Earth Insolvency Hearing of directors of ASB BANK

10th day of June 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 11.25am on 10th day of June in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agree to act in this capacity and gave their first names as Fred, Karl and Margaret. It is noted that Frederick of the Royal House of Stewart is the newly appointed Supreme Justice and was also present making a ruling in this matter

The matters before the Highest Court on Terra Earth on tenth day of June 2025 were:

1. That ASB BANK and ASB HOLDINGS were declared insolvent and liquidated on 18th day of December 2024 in a formal court hearing; and

2. That Vittoria Shortt the chief executive officer of ASB BANK and director of ASB HOLDINGS was bankrupted in a formal court hearing on seventeenth day of January for failing to cease operations of ASB Bank and failing to provide all financial operational records of public and private and any ledgers handed over plus all assets being all money in any currency, all digital currency, all precious metals, all buildings, all financial documents and instruments, all computers, all passwords, all chattels and furniture and any other assets of ASB BANK and ASB HOLDINGS; where all ASB BANK assets were lawfully transferred over into Janine and the People's Irrevocable Trust on the eighteenth day of December 2024; and

3. All ASB Bank mortgages and loans and mortgage instruments are assets and Crown-Janine is the Secured Party Creditor as the Claimant and Statutory Manager of ASB Bank Insolvency and Crown-Janine and held full lawful rights to cancel debts and mortgages and mortgage instruments due to fraud and deceit and chose to cancel all mortgage and loans from ASB BANK due to high level fraud,

All Rights Reserved

so that anyone who tries to collect on these cancelled debts or tries to sell any property by mortgagee sale or force any owner from their private property commits criminal chargeable offences; and

4. That ASB BANK and its officers have been notified on multiple occasions of their liability by continuing to operate unlawfully and were notified of their liability in conducting unlawful mortgagee sales. One example of failure to do so was sale of 255 Range Road Papamoa, where ASB Bank and its officers had a lawful requirement to inform me as the Secured Party Creditor and Statutory Manager of their insolvency of all sales and they were ordered to stop this sale. This was ignored and the sale went ahead where there is criminal and commercial harm against Terina Rose O'Connell that ASB BANK and its officers and agents are also liable for. ASB BANK are also required to hand over all funds from sales and this has not occurred.

5. The criminal charges of Vittoria Shortt and all of the directors and officers of ASB BANK as well as any agent acting on behalf of ASB BANK for unlawful operation and unlawful sales by ASB Bank are as follows:

Highest Court on Terra Earth Insolvency Hearing of 5 of Political Parties in NZs

10th day of June 2025

This court hearing and all its content have been entered into the public records. Court recording commenced at 11.00am on 10th day of June in the year of 2025.

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agree to act in this capacity and gave their first names as Fred, Karl and Margaret. It is noted that Frederick of the Royal House of Stewart is the newly appointed Supreme Justice and was also present making a ruling in this matter

The matters before the Highest Court on Terra Earth on tenth day of June 2025 were:

1. That the Labour Party, New Zealand First Party and Green Party were in a coalition Crown Corporation government in New Zealand at the time that Covid-19 was declared a national emergency, with the first lock down of every city and town and home in New Zealand occurring in March 2020, thereby removing the rights of men and women to make choices over their own health and wellbeing, plus restrictions of their movements to visit loved ones and access basic needs and services. The ministers and leaders hold full accountability and responsibility for all decisions made during their time of government. The Covid-19 vaccine mandates, which required all individuals to have minimum of two Covid-19 vaccine injections, were implemented by the coalition government leaders on 15 November 2021. On 2 December 2021, this said coalition also implemented / imposed a requirement that individuals would need to carry a Covid-19 vaccine passport (proof that they had been "vaccinated") in order to access a range of community venues (including cafés and restaurants), services, and activities, as well as the ability to travel, further restricting the rights and freedoms of men and women.

2. The Labour Party then had full control from elections in November 2020, and its ministers, officers and leaders held and assumed full accountability and responsibility for all decisions made from that time

All Rights Reserved

for the next three (3) years. During this time, the people of this country were effectively held hostage as the coalition placed the country in a state of emergency, imposing myriad laws, rules, regulations and acts unilaterally and without implementing proper due process. Jacinda Ardern made it clear, via the news media, that she intended to action every goal and agenda set by the World Economic Forum and United Nations and implemented every one of the Agenda 2030 principles into New Zealand Law. These goals and agendas have been used to restrict and remove the rights of men and women. In addition, a strategy was instigated for a full private property takeover in New Zealand, without the knowledge, consent or consultation of/with men and women living in this land. Under the governance of the Labour Party, a "Traffic Light system" was implemented in New Zealand, imposing major restrictions on what people could do. Furthermore, in the ultimate display of unbridled power and tyranny, men, women and communities were informed that restrictions on their freedoms would not be lifted until 90% of country had been vaccinated. Evidence was presented to the Labour Party crown corporate government and Health New Zealand/Ministry of Health ("these entities") in November 2021, clearly demonstrating that the vaccine was neither safe nor effective. Simultaneously, these entities, via the legacy media, were aggressively and coercively campaigning and promoting the 'safe and effective' message, despite compelling evidence to the contrary. The evidence of harm was obvious and palpable, yet these entities colluded and were complicit in deceiving every man, woman, boy and girl living in New Zealand. They are therefore all accountable and answerable, more specifically, in their personal and individual capacities for the irreparable harms caused to all men and women.

3. The National Party formed a coalition government in 2023 with the Act Party and New Zealand First Party, coming into power beginning of 2024. The members of these parties, especially leaders who became Ministers, are personally and individually responsible for all decisions made since that time.

4. The Covid-19 and MRNA technology and the Covid-19 vaccine itself, has been identified as a Health and Safety At Work hazard, with research also confirming that after MRNA is injected into the body, it modifies people's DNA and RNA. A business has a duty of care to ensure that the health and safety of persons are not put at risk from work carried out by the business. (Section 36 of the Health and Safety at Work Act 2015). The officers and agents of the crown business corporation coalition governments refused to inform men and women of potential harm that has occurred to their bodies from taking the mandated Covid-19 vaccine.

5. That the crown corporation coalition government leaders have taken control over men and women was using corporate law and trickery to make man, woman, boy and girl 'crown property' as a 'person' who is defined in section 13 of Legislation Act 2019 as 'person includes a corporation sole, a body corporate, and an unincorporated body' where none of these identities is a living man. They also used the patent over the covid-19 vaccine in partnership with the pharmaceutical company Pfizer to declare the people who took the vaccine as their property. A third level of absolute deceit and corruption was that as MRNA changes human DNA they were are able declare that the 'vaccinated' were no longer God's creation but their creation. They have used these measures to justify making laws and decisions without requiring the people's vote, as you don't need to ask permission from your property. All of these acts were perpetrated using coercion with intent to deceive and harm and enslave, to attempt to

All Rights Reserved

remove man's identity, his ability to self-determine and take dominion over himself and the earth according to Genesis chapter one. The standing of all men, women, boys and girls has been returned to being alive under their Creator God who has the power to restore DNA back to its original form.

6. The political parties, in partnership with the Crown corporations, have been deceiving man and woman into joinder with a corporate fiction name that was set up to represent them to make them liable for the corporation debt. This has made living men and women debt slaves where fraud and deceit and slavery are all crimes and has caused significant harm to men and women.

7. Through the High Court Summary Judgment process Crown-Janine has in place an unrebutted one million dollars ($1,000,000.00) charge of harm, per event and per day for every man, woman, boy and girl on earth. The crown corporations became insolvent on 18th day of December 2024 as a result of failure to step back into honour and to cease harming men and women, as well as failure to pay out the debt owed to every man and woman and their offspring. The insolvency documents were served on the High Court of New Zealand's Head Office in Auckland on 20 December 2024, as well as to Christopher Luxon and Peter Tipene (personally). In addition, these insolvency documents were served to the head offices of the respective New Zealand city and district councils on that same day - for distribution to all other offices within New Zealand, with a hard copy of said documents having been delivered to every New Zealand Council Chief Executive Officer. They are available for the perusal of the public at large on publicnoticesnz.com. The crown corporations have continued to practice and conduct their activities and "business" whilst insolvent; tantamount to "reckless trading".

8. The debt owed at the time of insolvency of the Crown Corporations to every man, woman, boy and girl was two hundred and forty-two quadrillion, seven hundred and seventy-one trillion, eight hundred and forty-four billion, eight hundred and ninety-six million, four hundred and eighty-five thousand dollars ($242,771,844,896,485,000.00) where, due to non-payment and dishonour of continuing to trade and harm men and women, penalty interest of ten percent (10%) per week (compounding) has continued to be accrued upon this debt, since the 18th day of December 2024. Each of the Political Parties that were part of the Crown Corporation government were complicit in causing harm to the men, women, boys and girls living in New Zealand and are also liable for this debt.

9. The jurisdiction of the land, sea, air and everything else was changed to under God Almighty of 19th day of September 2024 through immediate lawful Summary Judgment. This means that the crown and admiralty courts no longer hold jurisdiction; this removes immunity from judges and registrars who are now fully liable for his or her actions in the private sector. The only courts now permitted to operate, are those under the Jurisdiction of God Almighty who is the creator of the heavens and the earth and men and women. This jurisdiction overrides all others, where law is based on the Holy word of God from the King James Bible, with the focus on the New Testament and the two greatest commandments of Love your Creator God and Love your neighbour as yourself where all are accountable to God and others for actions of harm.

10. On today, the tenth day of June at 11.10am, with full lawful rights, the following entities were made insolvent - National Party, Act Party, New Zealand First Party, Labour Party and Green Party. By law, each are required to cease trading where the Statutory Manager appointed to manage their insolvencies is Janine of the Royal House of Walters until a suitable replacement man or woman is

All Rights Reserved

found to assume this role. The chief officer in each political party now has ten (10) working days to send all financial operational records of public and private entities, and any ledgers handed over, plus all assets comprising all money in any currency, all digital currency, all precious metals, all buildings (and the contents [furniture, machinery and the like] within them), all financial documents and instruments, all computers, all passwords. With full lawful rights, all of the assets of each entity made insolvent today are now lawfully (and completely) transferred into the ownership of Janine and the People's Irrevocable Trust.

11. A new system and restorative justice court system is now in place. The two courts that are operating in New Zealand under the jurisdiction of God Almighty are The Royal Court of New Zealand and the Highest Court on Terra Earth, where men and women in every community are now being trained in how to mediate and judge matters in the way our Creator intended. The admiralty and crown court system in New Zealand are now fully and completely dismantled, where they no longer hold any authority due to operating fraudulently, deceptively and corruptively. All officers, registrars and judges and any other agents that have been administrating the affairs of men and women will now face prosecution on criminal and commercial charges.

12. All men and women in leading and trusted positions of authority and power are highly culpable for their actions which have resulted in harm to men and women. It is declared that if these men and women do not step back into honour by ceasing these destructive acts and undertake tangible actions towards restoration and recompense, they will be judged to full the extent of the law of God, where the full measure is receiving the same judgement as the harm that they have caused others.

Crown-Janine UFN means that Crown-Janine is the Statutory Manager until further notice.

1. You were notified on the 28th day of June via Ben Dalton who is CEO and had lawful fiduciary duty to inform all board members and directors and officers that you had until 7 July 2025 to comply with Crown-Janine (me) the Statutory Manager of providing the information of access to the unit trust bank accounts set up under and through the Waitangi National trust board on behalf of all inhabitants (men, women, boys and girls) and notify me who your spokesman in the media would be with a media coverage story by that same date. Once a trust has been wound up, they are required by law to pay out the beneficiaries, where it is a criminal offence to withhold the money from the beneficiaries who are every man, woman, boy and girl as described in paragraphs 5 and 6.

2. Today is 7th day of July 2025 and no contact has been made either by post or email. All who co-operated were informed they would be provided protection. We are aware that the covid-19 mandates were also signed off on the Waitangi grounds with full knowledge and co-operation of the Waitangi National Trust Board members and officers. These mandates have led to may loss of lives and serious health problems plus loss of livelihood, and homes. All those who have been complicit in signing off on the mandates will be receiving full judgement for their actions, unless they own and take responsibility for their actions and work with the people to undo the harm that has been caused. Due to no response there is now an arrest warrant out for all current and recent past board members and trustees and directors and officers. The police have been provided this information and therefore complicit in allowing ongoing harm. They have forfeited their duty and now with full lawful rights the contract for arrests has been contracted to others. The only lawful courts in operation are those operating under the Jurisdiction of God Almighty.

3. The last notice on 28 June 2025 notified that on tenth day of June 2025 that all of the high courts and district courts and family courts in New Zealand were made insolvent for being liable for the crown corporation debt and for intentionally taking control over living men and women using corporate law and trickery to make man crown property as a 'person' who is defined in section 13 of Legislation Act 2019 as 'person includes a corporation sole, a body corporate, and an unincorporated body' and none of these identities is a living man. This is an action of coercion with intent to deceive and harm through enslavement. It removes man's identity, ability to self-determine and take dominion over himself and the earth according to Genesis chapter one.

4. The judges and registrars and administrators have been deceiving man and woman into joinder with a corporate fiction name that was set up to represent them with the purpose of gaining access to private ledgers of funds in unit trusts for every inhabitant on earth. The judges and registrars have also been using joinder to place debts on men and women and make them debt slaves, where fraud and deceit and slavery are crimes. This has caused significant harm to men and women plus they are seizing property using fraud and deceit.

5. The Waitangi National Trust Board was liquidated on the tenth day of January 2025 for participating in making the people debt slaves and placing on them their own debts. Unit Trusts were set up under this trust for every inhabitant on earth using the registered birth certificates to create the corporate fiction names to represent men and women and their offspring who were also meant to benefit from these trusts, but instead of individual man and woman benefitting these trusts were used to enslave men and

All Rights Reserved

women as debt slaves, with criminal charges in place for dealing in slaves and trafficking in persons, obtaining by deception or causing loss by deception and false accounting pursuant with the provisions of sections 98, 98D, 240, 260 under the Crimes Act 1961. The wind up value of each unit trust is two hundred and thirty million New Zealand Dollars ($230,000,000.00 NZD) and the sub-fund being a Passport Fund valued at five hundred million United States Dollars ($500,000,000.00) which are debts owing and due to the Crown Beneficiaries ("the inhabitants") also known as Rack Rent, Rent Charge, Rentcharge (Annuities) or Unclaimed Monies held as Bona Vacantia payable from the Common Fund or Crown Bank Account. These funds are now due to be paid to all the inhabitants ("Crown Beneficiaries") The administration of the Crown and Waitangi National Trust Board was removed on 10th day of January 2025, however the Courts, the Reserve Bank and New Zealand local Government Funding agency and Public Trust and many other entities have continued administration and unlawful withdrawal of these funds. The assets which included the unit trusts were lawfully transferred into Janine and the People's Irrevocable Trust on the tenth day of January 2025 with Janine of the Royal House of Arabella and Walters and Frederick of the Royal House of Stewart are the lawful trustees where all men, women, boys and girls as the true heirs and only rightful claimants of the funds in each unit trust unless they have done harm. With lawful rights as the trustees we Crown-Janine and Crown-Frederick and the Statutory Manager of the Waitangi Trust Group ordered immediate wind up of every unit trust for immediate payout to each inhabitant on the tenth day of January 2025, which after being 90 days overdue are now criminal offences of all parties who have not actioned this.

6. It is important to note that this corrupt system was set up under the Waitangi National Trust Act 1932 and Waitangi Endowment Act 1932-33. Unit trusts were set up for all the inhabitants of the land where the land is defined as 1002 acres up in the Bay of Islands of New Zealand with all lands adjacent and joining. This brings in the whole world. This means that payout is overdue to every inhabitant on earth. Inhabitant is defined as every man, woman, boy and girl living on earth. The two unit values are listed in different currencies so to work out the full value owed it needs to be converted into one currency where the US dollar unit value has been converted into NZ dollar to bring the combined unit to the value of 1.12308 billion. This figure needs to be multiplied by the nine billion reserve (based on allowance for the number of inhabitants on earth). This results in a debt that requires to be paid out where if in New Zealand dollars the figure is 10,107,720,000,000,000,000.00 which is 10.10772 quintillion NZ dollars and converted back to US dollars is 5.65896 quintillion US dollars collectively.

7. Notifying you that once arrested we have full lawful rights to hold you indefinitely on acts of treason against the people of your country for actions of harm, where those who co-operate are being given lighter sentencing. The crown government consisted of corporations where due to actions of harm no officers or agents or individuals are protected. The corporations have only protected their own interests and no longer looking out for the good of mankind. There is plenty of resources for everyone to have a home and have a good life, yet instead resources and truth have intentionally been withheld from the people. The arrests will be happening with every leader in this country who has participated in causing harm to the people, the land, living creatures, food supplies or anything that has caused damage to any resources needed to sustain life. You have until 4pm today being the seventh day of July 2025 to co-operate before the arrests will commence.

Dear Dennis

As you are aware that the Waitangi National Trust Group were made insolvent on the tenth day of January 2025, where your company Orbit Futures was appointed as the Statutory Manager with you as the director and Lord Frederick also appointed into positions of office of Crown Law, and office of ministry of Maori Affairs. Due to being unable to establish contact with you and Stephen, the positions of Office of the Minister of Finance and Office of Minister for Arts, Culture and Heritage were returned back to the Royal Assignor Crown-Janine on the seventeenth day of January 2025.

It was confirmed to you on 7th day of July 2025 that Nelson was lawfully removed from any position and title that was appointed to him on tenth day of January due to obstructing the negotiations and communications process with actions showing that he is no longer acting in the best interests of all men, women, boys and girls in the world. Through lawful summary judgement on 19th of July 2024 I became Commander, Chief and Crown over the crown corporations in New Zealand. On the nineteenth day of September at the completion of all lawful processes against all crown corporations with full lawful rights I changed to Jurisdiction for the whole world under God Almighty and had the Flag of the United Kingdom of God ratified on tenth day of October 2024. The assets of the Waitangi National Trust including the unit trusts set up for each inhabitant of earth were lawfully transferred with immediate effect on 10th day of January 2025 into Janine and the Peoples' Irrevocable Trust, where Fred and I are the trustees of this trust.

We had asked for a full report of all activities in your role as statutory manager of the wind up of the Waitangi Trust and of all unit trusts set up for inhabitants being all men, women, boys and girls on earth by tenth day of July 2025. This did not occur and instead you handed in your resignation on 14th day of July. We confirm you and Orbit Futures have been removed as Statutory Manager of Waitangi National Trust, where this role has now returned to me, Janine on 14th day of July 2025.

This is Crown-Janine acting as court registrar today who confirm that on the morning of 18 July 2025 all of the defence parties were contacted and notified of the liquidation hearing and last opportunity to place a defence or make payment by 23 July 2025. I confirm that no defence or response was received therefore the claimants today have lawful right to obtain summary judgement where their commercial lien is over 90 days overdue for payment and are here to present the facts and declare summary judgement. If the witnesses agree that the claimants have provided sufficient evidence of the debts owed then summary judgement will be made and the defendants and debtors will be entered into bankruptcy and liquidation. I will now hand over to Janice Eileen.

1. We, the living soul authors and Principals Janice Eileen, and Jasper Roelof have so far provided the following debtors and defendants three notices and affidavits as Westpac NEW ZEALAND banking corporation representatives as well as in the private Catherine McGrath, Tania O'Brien, Kim Thackwell, Sean Gollins, Jenny Henry, on behalf of all entities representing Westpac NEW ZEALAND banking corporation. The notices and affidavits received by all of the listed debtors and defendants in this paragraph are a copy of 30 pages Affidavit of Life and Standing, Janice Eileen, and 3 pages Live Life Claim, Jasper Roelof, and Claims on the Land of Substance being 54 and 54c Kawerau Road, RD2, Whakatane, 3192. The officers and representatives of Westpac NEW ZEALAND have had three opportunities to rebut letters of truth sent to its officers concerning all Claims of Janice and Roelof of the House of de Raad. The defendants have now chosen not to rebut my claims and by choosing not to rebut, all our claims to date now are established as truth and fact in law and commerce, where the individual debtors now have become personally liable for the charges against Westpac NEW ZEALAND banking corporation and associated entities and all agents and directors. The unrebutted charges on the tenth day of January, 2025 were thirteen million dollars, all parties were informed that this debt would increase by ten percent per month penalties until settled in full. Further events against ourselves have occurred as a result of Westpac NEW ZEALAND banking corporation continuing to remove (apply further debts) funds from our account on the guise of interest and payments due. **The outstanding debt today being the twenty-fourth day of July 2025 is fifty-five million, forty-six thousand and one hundred and sixty-seven dollars and ninety-four cents ($55,046,176.94); and**

2. That a **Notice of Criminal and Commercial Liability and Affidavit of Duty and Obligation of all the Debtors and Defendants** was sent by email on sixteenth July 2025, to Catherine McGrath (had duty to provide this to all other directors and defendants), Kim Thackwell, Sean Gollin, and Jenny Henry. Confirmation of Receipt by email was received on eighteenth July 2025, from Jenny Henry. God's jurisdiction overrides and encompasses all others.

These documents followed letters of payment to the Bank by Bills of Exchange, dating back to 19th June 2024. No evidence of material defect of the document was disclosed to us despite requests; a Rebuttable letter of harm and Liability dated and tracked sent 24.09.2024; a Notice of Gratitude and Thanks, dated 2nd October 2024; followed by Notice of Debt 30th October 2024; Notice to admit Facts dated 28th November 2024. 9. We, living soul authors Janice Eileen and Jasper Roelof have rescinded and revoked all prior assumed and presumed Powers of Attorney taken using fraud and without full disclosure or our full knowledge or consent, and fully claim back our own powers of attorney over our own lives plus over the names and legal titles that have been used to represent us; and

13. All government/corporate entities and all claimed jurisdiction, authority and administration of WESTPAC NEW ZEALAND banking corporation and any crown corporation are removed in relation to the affairs of living soul authors and Principals Janice Eileen and Jasper Roelof and name titles that hold power of attorney over being JANICE DE RAAD or JASPER ROELOF DE RAAD and ASHWIND LEA (previously also known as NEW GENERATION EMUS) and the land of physical substance commonly known as 54 and 54c Kawerau Road, Whakatane 3192 (and all resources upon it in the entirety absolute); and

And **Laurence FINK** in the private as well as chief executive officer on behalf of BLACKROCK
And **Ronald P. O'HANLEY** in the private as well as chief executive officer on behalf of STATE STREET

All of the above debtors and defendants had until the eighteenth day of August 2025 to take the remedy offered or make the full payment of over five hundred and seventy-five quadrillion dollars as on the bill ledger on page six of the Liability Notice dated 7 August 2025. The amount owed as of today is $575,394,090,979,727.00 in words being five hundred and seventy-five quadrillion, three hundred and ninety-four trillion, ninety million, nine hundred and seventy-nine thousand, seven hundred and twenty-seven dollars due to non payment they have made all their associated and parent corporation also liable for this debt. It is confirmed before the court today that no payment was received and no defence made; so with full lawful rights proceeding today PFIZER NEW ZEALAND is made insolvent with the directors in their private capacity having liability to comply with providing the full public and private operational records to the service address of the Statutory Manager or also face full liability and insolvency and criminal charges. Here are the facts of this case:

1. On the nineteenth day of July 2024 immediate summary judgement was lawfully declared in the High Court of New Zealand in Admiralty Law but under jurisdiction of God Almighty against the New Zealand Government Crown corporations which placed me Janine the principal claimant as Commander and Chief and Crown over the Crown government corporations. The unrebutted charges laid were one million dollars for making everyone of this land debt slaves through fraud and deceit as well as liability for all and any harm caused by the covid-19 vaccine mandates where you can not force or co-erce someone to take a vaccine where one of the risk factors is death and evidence was provided to the CEOs of district health boards now known as Health New Zealand that the vaccine was neither safe or effective from their own data at the time of the mandates in November 2021. A payout was due from the crown government corporations that day out to all men, women, boys and girls living in New Zealand where the finance minister Nicola Willis in conjunction with others cashed and stole the payment that same day due to everyone being a population total of five million, three hundred and thirty-eight thousand and nine hundred. The pay out at that time per individual was around 1.47 million dollars that was stolen and has continued to go up in value ten percent accruing interest per week. At the bottom of the bill ledger it stated the following **'In the event of non-payment and non-honouring of the instructions of this Bill Of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the Debtor corporations and seize any assets until paid in full with ten percent per week added accruing penalty interest added per week with the lawful right to go after parent and successor corporations until the debt is settled in full'**.

2. Further charges were laid and on the nineteenth day of September 2024 through Summary Judgement in the High Court of New Zealand against the crown government corporations, placing me Janine in full position to change the jurisdiction of the Land, Sea, Air and everything else was placed back under Almighty God not only for New Zealand but for the whole world on the same date being 19th day of September 2024, where written into New Zealand law is that the land includes all land adjacent and adjoining to bring in the whole world. It was determined at that time that everyone had been affected by the covid-19 mandate decisions of removal of basic rights to make one's own decisions with a one million dollars charge placed on behalf of every man, woman, boy and girl, which has also been going up ten percent per week accruing.

3. A partnership agreement was signed between crown corporation government heads with the corporation PFIZER NEW ZEALAND where both were promoting the message that the covid-19 MRNA vaccine was 'safe

All Rights Reserved

and effective', where Pfizer's own data shows that they had prior knowledge that the vaccine wasn't safe or effective and hold just as much liability as the crown corporation government for advertising and promoting and co-ercing men, women, boys and girls to take this vaccine. That data released from Ministry of Health on 22 September 2023 provided the following figures that 4,032,019 people aged 12 and over have received one dose of COVID-19 vaccine, 3,985,233 people aged 12 and over have been fully vaccinated with two doses of COVID-19 vaccine and 2,773,181 people aged 16 and over have received at least one booster dose. On 17 January 2022 those aged 5 and over were eligible for the Pfizer vaccine. With 120,000 Pfizer doses distributed for the first batch of children. From these official figures with Pfizer holding the only contract the amount of covid-19 vaccines administered come from adding totals 4,032,019 + 3,985,233 + 2,773,181 + 120,000 which comes to a total of 10,910,433 doses distributed between February 2021 and September 2023.

4. The crown corporation government leaders and officers and ministers were ordered on 10th day of October 2024 to cease and desist use of MRNA vaccines and flu vaccines, where these orders were received the same day. Orders were provided to stop spreading false information with intent to deceive the people, that all individuals who disseminate false information with the intent to deceive and cause harm as well as intentionally withholding the truth from men and women will be charged. The research is now showing the MRNA is changing human DNA where the long term consequences are yet unknown.

5. Any officers or agents or employees or board members or trustees acting on behalf of any corporation or organisation that causes harm can be charged with the individuals, as well as the corporations they act for. Due to these orders being disobeyed from the Crown, Commander and Chief further commercial and criminal charges were laid. The current commercial charges have gone up to one million dollars per vaccine containing MRNA by injection or any other way of entry into the physical body, and one hundred and fifty million per death to each family member or next six of kin. Now all of the officers and directors and board members of corporations, organisations and licensing bodies are being held accountable for their actions with the same charge fees applying to all due to being unrebutted in a court of law.

6. The Royal Court of New Zealand and the Highest Court on Terra Earth were set up in November 2024 due to the High Court of New Zealand being made insolvent due to fraud and deceit and non-payment of their debts, where all crown government and council corporations were made insolvent on 18 December 2024 and all district, high courts and family courts made insolvent on 10 June 2025. All crown government corporations and ministers and officers have been operating unlawfully from the time they were made insolvent or bankrupted. Once they were bankrupted I lawfully stepped in and took over their positions and the only lawful decisions that have come out of New Zealand since summary Judgement are from me or those appointed by me. The only recognised courts are ones operating under the Jurisdiction of God Almighty where fraud, deceit, bearing false witness, theft and murder and poisoning are no longer tolerated.

7. The officers and agents of Pfizer have been spreading false information and deliberately withholding the content of the vaccines and the truth of the true side effects and death rates related to the covid-19 vaccine and any other MRNA vaccines or products. Your organisation is now ordered with immediate effect to tell the truth and stop spreading false information with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws and contracts. Exodus chapter 20 verses 15 and 16 was quoted "Thou shall not steal and though shall not bear false witness against thy neighbour." The organisations and their officers and employees are now liable for all actions of bearing false witness of supporting the message that the vaccine was 'safe and effective'. I, Janine, quote Genesis Chapter 1 verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations and other organisation structures. A corp-oration (dead man speaking) can never have control over a man or woman.

8. The covid-19 vaccine has now been identified as a health and safety hazard. A business has a duty to ensure that the health and safety of men and women are not put at risk from work carried out by the business. The mandated covid-19 vaccine has been identified as a health and safety risk. This evidence has been presented in the High Court of New Zealand, and as it has been presented and unrebutted it is now identified as truth in law and must be complied with. Pfizer is a business and is required by law to report the exposure of this hazard to all who work for them as well as everyone who took their covid-19 product. As they did this in partnership with the New Zealand government they are just as responsible as the government for every man, woman, boy and girl that took the Pfizer covid-19 vaccine from data released is 4,152,019 that received at least one dose aged five or over.

9. The Royal Court of New Zealand and the Highest Court on Terra Earth under the Jurisdiction of Almighty God have also recognised the covid vaccine and any MRNA vaccine or product that ends up in the body or DNA of man or woman or boy or girl as a health and safety hazard. The control of the pharmaceutical corporations is now over where everything has been money driven rather than the best interests of the people. The inalienable rights of the people are restored. All men and women have right to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies.

10. The Medical Board and all other licensing boards in New Zealand were required by law to ensure that all medical and health practitioners have informed every one of their patients of their exposure to this hazard. This did not occur and all board members and licensing bodies were made insolvent on 8 April 2025.

11. All officers and boards and trustee and employees of any Pfizer corporation or organisation or entity are ordered with immediate effect to stop producing and destroy all products that contain MRNA and order the return of all covid-19 and flu and childhood vaccines to be destroyed that contain MRNA.

12. Anyone who has taken a product produced by any Pfizer corporation or organisation that contains MRNA has the lawful right of full independent thorough medical examination as well as family members lawful right to have autopsy report done upon death of a family member, where Pfizer is required to cover all costs and if there is clear damage that is linked back to the covid vaccine then Pfizer is required to pay one million dollars plus expenses to undo harm for every covid or MRNA injection received by that man, woman, boy or girl to every single immediate family member where family member is defined as mother or father or brother or sister or son or daughter or spouse or life partner for more than two years. In the event of death where harm can never be undone the charge is one hundred and fifty million US dollars per family member.

13. Due to the signed contract, it is clear that Pfizer and its officers are in partnership with the New Zealand Crown corporation government, therefore they are also liable for the crown corporation debt associated with the covid-19 and MRNA vaccines. There is an immediate charge of one million dollars per man, woman boy and girl where the population at the time of first summary judgement on 19 July 2024 was 5,338,900 with a commercial charge of 5.3389 trillion dollars that has gone up ten percent per week for 56 weeks. This brings the debt total due by 19 August 2025 to $575,394,090,979,727.00 in words being five hundred and seventy-five quadrillion, three hundred and ninety-four trillion, ninety million, nine hundred and seventy-nine thousand, seven hundred and twenty-seven dollars into the private bank account owned by the principal with account name 'King of Kings Private' with account number kiwibank 38-9024-0122732-01. Due to the serious natures of the crimes of vast numbers of deaths and severe adverse reactions with long term medical problems this has led to every associated Pfizer corporation who has shared in the profits of the sales of the covid-19 and MRNA vaccines also being liable for this debt. In the event of non-payment by the due date of 19 August 2025 I hold the lawful right to proceed to liquidate Pfizer New Zealand and all listed corporations and the officers and directors and board of directors, plus charge them for every death and severe adverse reaction and long-term side effects. This notice has also been gazetted on publicnoticesnz.com.

14. **The remedy that was presented was for immediate media release on TV one or TV Three in New Zealand by 18 August 2025 so that the message goes out to the whole population of New Zealand stating what is in bold and speech marks here: "It is now determined that the covid-19 and MRNA vaccines are not safe and**

are now a health and safety hazard where the officers and directors of Pfizer announce the immediate withdrawing of every covid-19 vaccine and MRNA vaccines from the market in the world and immediate cessation of manufacturing and destroying of every covid-19 and mRNA vaccine and product produced by any of the Pfizer corporations or organisations. We have also released a payment of one million dollars for every man and woman and boy and girl living in New Zealand due to MRNA properties of shedding, which is a total of five trillion, three hundred and thirty-eight billion, nine hundred million dollars ($5,338,900,000,000.00) have been paid into the private bank account of the principal and claimant Janine of the House of Walters who as grantor has set up private trust funds and will settle one million dollars into each individual's trust fund."

Statement of Claim and Summary Judgement due to non payment and no defence:

1. That ANZ Bank and its officers on 15 May 2025 became in default of a Commercial affidavit of Obligation of ANZ Bank and its Officers for making fraudulent charges against the living man Richard of the House of Walters and living woman Janine of the House of Walters. This was the fourth unrebutted and undefended claim.

2. That Richard Walters has authorised in writing his wife Janine of the House of Walters to be his power of attorney to act on his and their behalf as principals and claimants to settle this matter with ANZ Bank and its officers, and due to non-payment have applied to this court to liquidate the officers, individuals and ANZ BANK.

3. That a commercial lien UCC Filing against ANZ BANK and its officers was placed on 16th day of May 2025 where the officers of ANZ Bank and associates have received minimum of monthly bill ledgers showing their commercial liability, where the fifteenth day of August 2025 was the ninetieth and final day to settle the debt before criminal charges also applied.

4. That the Royal Court of New Zealand and Highest Court of Terra Earth received notice from the claimants that ANZ BANK NEW ZEALAND trading as ANZ Bank with company number 35976 and nzbn number 9429040797410 and the seven directors of ANZ BANK NEW ZEALAND and ANZ HOLDINGS (NEW ZEALAND) have a commercial lien against them where this debt is now 100 days overdue which is now a criminal offence. The UCC commercial lien number entered into the public record is 2025-136-6515-2 lodged on 16 May 2025.

5. The total amount outstanding debt on 25th day of August 2025 is of $2,245,852,228.77 in writing being two billion, two hundred and forty-five million, eight hundred and fifty-two thousand two hundred and twenty-eight dollars and seventy-seven cents, where the final day for the directors to rebut point by point or to make payment was 22 August 2025. It is confirmed before the three witnesses that no rebuttal or payment was received by the final date to comply being 22 August 2025.

6. It is confirmed before the court that four affidavits were received by the directors of ANZ BANK NEW ZEALAND between 2 December 2024 and the seventh day of May 2025 with the fourth affidavit named Notice of Default with Commercial affidavit of Obligation of ANZ Bank and its Officers sent 5 May and all received by 7 May 2025 where all the parties had until 15 May 2025 to make the

 All Rights Reserved

payment due at that time or provide a point by point rebuttal and chose to take no action. The commercial lien was put in place on 16 May 2025, where once a commercial lien is 90 days overdue it becomes a criminal offence as well as commercial charges. Minimum of monthly bills were sent after this time with ten percent weekly accruing interest.

7. Supreme Justice Frederick confirms that the directors of ANZ BANK NEW ZEALAND and ANZ HOLDINGS (NEW ZEALAND) and ANZ FUNDS PTY all on tracking number LW124333411NZ and ANZ GROUP HOLDINGS on tracking number LW124333425NZ were informed that a court insolvency hearing was scheduled for today where they were given one final chance to make payment or rebut and have chosen not to do so. Each of the named debtors and defendants have made themselves personally liable for this debt due to failure of fiduciary duty of care.

8. The directors of the parent corporations were informed that in the event of non-payment and no point by point rebuttal by the directors of ANZ BANK NEW ZEALAND that they will liquidated on 25 August 2025 and that the claimants also have right of claim off the parent corporations being ANZ HOLDINGS (NEW ZEALAND) and ANZ FUNDS PTY and ANZ GROUP HOLDINGS and any other corporation or entity found during the process of discovery.

9. This debt came about due to credit card fraud noted for the credit card with ANZ account number 9554 1054 1004 2608, where the directors of ANZ BANK NEW ZEALAND were notified on 2 December 2024 that the officers or agents of ANZ BANK NEW ZEALAND had used fraudulent joinder between a living man and legal fiction entity to place a debt onto a living man without full disclosure which nullifies this and any previous signed agreement. Once ANZ Bank were notified their fiduciary duty to cancel this fraudulent credit card debt they ignored this request, continued to send fraudulent bills including using threats and intimidation and made themselves commercially liable for seven years of monthly credit card bill statements with a one million dollars charge each bill. The initial charge was eighty-four million dollars which has continued accruing ten percent weekly interest that has resulted in the current outstanding debt.

10. ANZ BANK NEW ZEALAND and ANZ HOLDINGS (NEW ZEALAND) and ANZ FUNDS PTY and ANZ GROUP HOLDINGS and their officers have had plenty of opportunity to take remedy and chosen not to.

11. As we are now under the jurisdiction of Almighty God stealing and bearing false witness all for commercial gain and causing significant harm to individuals are considered serious crimes that banks and the officers that work for them must now be held fully accountable for their actions. Due to no point by point full rebuttal received to the court service address it is taken as non-rebuttal and silent acquiescence and tacit acceptance that all content provided by the claimants is correct and true with immediate summary judgement to the claimants being Richard and Janine of the House of Walters that all of the listed individuals and corporations be made insolvent today the 25th day of August 2025 at 1.22pm.

12. The following criminal charges are also in place including the officers responsibility to comply and provide the financial records of the companies they act on behalf of:

The insolvencies will be publicly gazetted so that other creditors have right of claim of their debts, now that these corporations have become insolvent.

All men and women in the private have a right to appeal the court decision and be formally trialled in front of their peers with the knowledge that if trialled in front of peers in the Royal Court under the Jurisdiction of God Almighty that the charges already in place commercially due to evidence of harm and loss will lead to sentencing for the criminal charges of harm. If the man or woman shows remorse to their actions or decisions or lack of actions then he or she will have the opportunity to communicate their commitment to help undo harm, and victims will have the opportunity to declare his/her victim impact and the court will decide on the appropriate sentencing. Following orders is not an acceptable reason for an appeal for all are accountable for his or her own actions.

As all the officers are now declared insolvent and now entered liquidation and statutory management all their roles as partner, director, officer, lawyer, solicitor or barrister have now become vacant, where once made insolvent are not able to hold positions of authority. As the defendants and officers and debtors due to actions of harm and fraud

All of the above debtors and defendants had until the twelfth day of September 2025 to take the remedy offered or make the full payment of 7,282 ten ounce 0.9999 gold bullion bars (current value is $6,206 per ounce x 72,820 ounces which equals 451.92 million in cash value) as on the bill ledger on page 8 of the Liability Notice dated 7th August 2025. It is confirmed before the court today that no payment was received and no defence made; so with full lawful rights proceeding today against BANK OF NEW ZEALAND and all its directors in their private capacity. The amount owed to the claimants being Tara of the House of Buchanan and all customers with residential mortgage loans is as of today equivalent to $451,920,000.00 in words being four hundred and fifty one million nine hundred and twenty thousand dollars plus 63.142 billion dollars plus ten percent per week accruing penalty interest until this account is settled in full where the Highest Court on Terra Earth will assign a Statutory Manager to ensure all claimants are paid out, and through the process of discovery add in other claimants and creditors.

1. That the Royal Court of New Zealand and Highest Court of Terra Earth received notice from the claimant Tara of the House of Buchanan that the BANK OF NEW ZEALAND with company number 428849 and nzbn number 9429039342188 and the seven directors had until 5pm on the tenth day of September 2025 to rebut the

serious claims of harm against Tara Buchanan or make payment of 7,282 ten ounce 0.9999 gold bullion bars to the service address of the claimant by 12th September 2025 and if non rebuttal and no payment was received a liquidation hearing of the BANK OF NEW ZEALAND and its directors was scheduled for Monday 15 September 10.00am. Each of the named debtors and defendants have made themselves personally liable for this debt due to failure of fiduciary duty of care; and

2. The directors of the parent corporations were informed that in the event of non-payment and no point by point rebuttal by the directors of BANK OF NEW ZEALAND that the claimants also had right of claim off the parent and associated corporations listed at the top of this notice being BNZ FACILITIES MANAGEMENT, BNZ INVESTMENTS, BNZ INTERNATIONAL FUNDING, NATIONAL AUSTRALIA MANAGERS, NATIONAL AUSTRALIA GROUP (NZ), NATIONAL EQUITIES, FIRSTCAPE GROUP, BNZ INVESTMENT SERVICES, HARBOUR ASSET MANAGEMENT, SPONG BNZ INVESTMENT SERVICES NOMINEES, BNZ BRANCH PROPERTIES , BNZ PROPERTY INVESTMENTS, BNZ EQUITY INVESTMENTS NO.2, THE NEW ZEALAND GUARDIAN TRUST COMPANY, NZGT HOLDING COMPANY, NZGT (BNZ) SECURITY TRUSTEE, TRICOR NEW ZEALAND HOLDING, TRIVIUM INVESTMENT HOLDING, VISTRA (AUSTRALIA) PTY LTD ACN:616970711, and any other corporation or entity found during the process of discovery; and

3. All of the above debtors and defendants were also informed that summary judgement was obtained in the High Court against ASB Bank on 19 July 2024, where fraud was detected in the mortgage loan documents as standard mortgage loan practise being used by all of the banks. All the defendants were called to rebut point by point the following questions:
   3a. That residential loan agreements are signed by customers of the Bank of New Zealand wanting a loan however are never co-signed by a representative of Bank of New Zealand, where the Bank of New Zealand and its officers and representatives have never been able to produce a residential home loan agreement showing it was signed by both parties, where this makes the contract null and void in its entirety therefore Bank of New Zealand and its officers and representatives have committed fraud and are required by law to immediately pay back all funds and interest paid out on all residential mortgage loans since the time and issue of the loan and cancel all residential loans and mortgages in full and remove any registered interest on the titles of these properties as well as powers of attorney off the legal name titles; and
   3b. That Bank of New Zealand and its officers and representatives created funds that did not exist prior from the borrower and/or customer's wet ink signature on the loan agreement and committed fraud, where non response from the readers and defendants confirms that Bank of New Zealand did not lend anything of substance and is therefore making fraudulent charges to customers/borrowers for repayment of any funds or interest charges; and
   3c. That Bank of New Zealand and its agents and representatives did not inform the borrowers in writing exactly what property of theirs they took security over to obtain the mortgage where full disclosure is required for an agreement to be lawful and if full disclosure not provided the agreement becomes null and void; and
   3d. That Bank of New Zealand and its agents and representatives sold on the loan document with the borrower/customer's wet ink signature onto to other party(s) without their consent or knowledge which also makes the agreement null and void; and
   3e. That Bank of New Zealand and its agents and representatives received payment in full at the time the loan(s) were granted, and therefore there was never any money owing and all charges from that time are fraudulent; and
   3f. That any time an officer or representative of the Bank of New Zealand tries to claim interest or charges from a fraudulent mortgage loan he/she is actively participating in fraud and can be charged with crimes of fraud, where the customers who were deceived now hold lawful rights of charge of one million dollars per event and per day for fraudulent activity from officers or agents of banks or corporations where the officers or agents are therefore fully liable in the private for not stopping the fraudulent charges; and

4. That according to the Bank of New Zealand Disclosure Statement for year ending 30 September 2024 page 60 it states that there were 63.142 billion dollars of residential mortgages, where these mortgages are now proven to be fraudulent and the officers are required to pay back all loans in full plus all interest charges;

All Rights Reserved

where the 63.142 billion dollars is added to the debt owed out to the customers who hold residential mortgages who are now also claimants against the Bank of New Zealand and all other listed debtors and defendants; and

5. That the current known debt owed by Bank of New Zealand and its officers and associated corporations and individuals due the Statutory Manager assigned today on behalf of the claimants being Tara of the House of Buchanan and all customers with residential mortgage loans is 7282 ten ounce 0.9999 gold bullion bars (current value is $6,206 per ounce x 72,820 ounces which equals 451.92 million in cash value) plus 63.142 billion dollars plus ten percent per week accruing penalty interest plus further charges as outlined on the Bill ledger until this account is settled in full where the True Bill Ledger can be found in '**Exhibit A**' with the full **current total due being sixty-three billion, five hundred and ninety-three million, nine hundred and twenty thousand dollars**. The Highest Court on Terra Earth assigns a Statutory Manager to ensure all claimants are paid out, and through the process of discovery add in other claimants and creditors; and

6. The notice informed all the defendants that they had until 5pm on the twelfth day of September 2025 to place a point by point defence with proof and evidence and verifiable facts to the contrary in their full commercial and private capacity and signed with their wet ink signature to rebut the Notice of Liquidation Hearing and the Notice of Liability of the BANK OF NEW ZEALAND and its officers and Commercial Affidavit of Obligation towards Tara of the House of Buchanan sent by the claimant and rebut the charges. As no point by point full rebuttal was received at the court service address it will be taken as non-rebuttal and silent acquiescence and tacit acceptance that all content provided by the claimants is correct and true with immediate summary judgement to be granted by the court to liquidate and make insolvent all of the debtors and defendants on the commercial charges plus lay criminal charges as outlined by the claimants, where the claimants also have rights to go after the parent corporations and their directors for payment adding ten percent accruing interest per week until this debt is settled in full, with full lawful rights to increase the penalty interest if officers continue enforcing unlawful mortgagee sales.

7. That the following crimes are hereby charged against the directors, officers of **BANK OF NEW ZEALAND and associated corporations** as well as debt collectors or agents or crown corporation agents or law firm or individuals acting on their behalf:

- Section 5: Property rights and protection from arbitrary confiscation

The court now asks the three witnesses if they agree if sufficient evidence has been provided for summary judgement against the debtors and defendants for non-payment of lawful debts and are therefore able to be liquidated.

The three witnesses affirmed agreement, therefore with full lawful rights the court makes where all of the following individuals and corporations insolvent where the directors and individuals having fourteen consecutive calendar days form the time of first receipt of this court insolvency hearing notice to comply with this insolvency and provide the full public and private financial operational records for their own affairs as well as the corporations they represent or automatically become liable for the criminal charges.

There is also lawful right to claim off the parent and any successor corporations or associated trusts that sit behind any of the liquidated corporations or individuals.

Crown-Janine UFN means that Crown-Janine is the Statutory Manager until further notice

Some of the names are listed more than once due to being directors of multiple corporations, however each individual is only assigned one insolvency case number.

All cases have been given an insolvency number.

1. On the nineteenth day of July 2024 immediate summary judgement was lawfully declared in the High Court of New Zealand in Admiralty Law but under jurisdiction of God Almighty against the New Zealand Government Crown corporations which placed me Janine the principal claimant as Commander and Chief and Crown over the Crown government corporations. The unrebutted charges laid were one million dollars for making everyone of this land debt slaves through fraud and deceit as well as liability for all and any harm caused by the covid-19 vaccine mandates where you can not force or co-erce someone to take a vaccine where one of the risk factors is death and evidence was provided to the CEOs of district health boards now known as Health New Zealand that the vaccine was neither safe or effective from their own data at the time of the mandates in November 2021. A payout was due from the crown government corporations that day out to all men, women, boys and girls living in New Zealand where the finance minister Nicola Willis in conjunction with others cashed and stole the payment that same day due to everyone being a population total of five million, three hundred and thirty-eight thousand and nine hundred. The pay out at that time per individual was around 1.47 million dollars that was stolen and has continued to go up in value ten percent accruing interest per week. At the bottom of the bill ledger it stated the following **'In the event of non-payment and non-honouring of the instructions of this Bill Of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the Debtor corporations and seize any assets until paid in full with ten percent per week added accruing penalty interest added per week with the lawful right to go after parent and successor corporations until the debt is settled in full'**.

2. Further charges were laid and on the nineteenth day of September 2024 through Summary Judgement in the High Court of New Zealand against the crown government corporations, placing me Janine in full position to change the jurisdiction of the Land, Sea, Air and everything else was placed back under Almighty God not only for New Zealand but for the whole world on the same date being 19th day of September 2024, where written into New Zealand law is that the land includes all land adjacent and adjoining to bring in the whole world. It was determined at that time that everyone had been affected by the covid-19 mandate decisions of removal of basic rights to make one's own decisions with a one million dollars charge placed on behalf of every man, woman, boy and girl, which has also been going up ten percent per week accruing.

3. A partnership agreement was signed between crown corporation government heads with the corporation PFIZER NEW ZEALAND where both were promoting the message that the covid-19 MRNA vaccine was 'safe and effective', where Pfizer's own data shows that they had prior knowledge that the vaccine wasn't safe or effective and hold just as much liability as the crown corporation government for advertising and promoting and co-ercing men, women, boys and girls to take this vaccine. That data released from Ministry of Health on 22 September 2023 provided the following figures that 4,032,019 people aged 12 and over have received one dose of COVID-19 vaccine, 3,985,233 people aged 12 and over have been fully vaccinated with two doses of COVID-19 vaccine and 2,773,181 people aged 16 and over have received at least one booster dose. On 17 January 2022 those aged 5 and over were eligible for the Pfizer vaccine. With 120,000 Pfizer doses distributed for the first batch of children. From these official figures with Pfizer holding the only contract the amount of covid-19 vaccines administered come from adding totals 4,032,019 + 3,985,233 + 2,773,181 + 120,000 which comes to a total of 10,910,433 doses distributed between February 2021 and September 2023.

4. Our worldindata.org and raw.githubusercontent.com provided the data that over 6.9 billion being recorded that 6,908,907,096 doses of Pfizer covid-19 vaccines have been administered worldwide from 2021 to 2024. This did not include the 2025 data. There is a one million dollar charge in place for each vaccine. This data chart is entered into the public record and is found in Exhibit A and was shown to the witnesses as part of this hearing.

5. The crown corporation government leaders and officers and ministers were ordered on 10th day of October 2024 to cease and desist use of MRNA vaccines and flu vaccines, where these orders were received the same day. Orders were provided to stop spreading false information with intent to deceive the people, that all individuals who disseminate false information with the intent to deceive and cause harm as well as intentionally withholding the truth from men and women will be charged. The research is now showing the MRNA is changing human DNA where the long term consequences are yet unknown.

6. Any officers or agents or employees or board members or trustees acting on behalf of any corporation or organisation that causes harm can be charged with the individuals, as well as the corporations they act for. Due to these orders being disobeyed from the Crown, Commander and Chief further commercial and criminal charges were laid. The current commercial charges have gone up to one million dollars per vaccine containing MRNA by injection or any other way of entry into the physical body, and one hundred and fifty million per death to each family member or next six of kin. Now all of the officers and directors and board members of corporations, organisations and licensing bodies are being held accountable for their actions with the same charge fees applying to all due to being unrebutted in a court of law.

7. The Royal Court of New Zealand and the Highest Court on Terra Earth were set up in November 2024 due to the High Court of New Zealand being made insolvent due to fraud and deceit and non-payment of their debts, where all crown government and council corporations were made insolvent on 18 December 2024 and all district, high courts and family courts made insolvent on 10 June 2025. All crown government corporations and ministers and officers have been operating unlawfully from the time they were made insolvent or bankrupted. Once they were bankrupted I lawfully stepped in and took over their positions and the only lawful decisions that have come out of New Zealand since summary Judgement are from me or those appointed by me. The only recognised courts are ones operating under the Jurisdiction of God Almighty where fraud, deceit, bearing false witness, theft and murder and poisoning are no longer tolerated.

8. The officers and agents of Pfizer have been spreading false information and deliberately withholding the content of the vaccines and the truth of the true side effects and death rates related to the covid-19 vaccine and any other MRNA vaccines or products. Your organisation is now ordered with immediate effect to tell the truth and stop spreading false information with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws and contracts. Exodus chapter 20 verses 15 and 16 was quoted "Thou shall not steal and though shall not bear false witness against thy neighbour." The organisations and their officers and employees are now liable for all actions of bearing false witness of supporting the message that the vaccine was 'safe and

All Rights Reserved

effective'. I, Janine, quote Genesis Chapter 1 verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations and other organisation structures. A corp-oration (dead man speaking) can never have control over a man or woman.

9. The covid-19 vaccine has now been identified as a health and safety hazard. A business has a duty to ensure that the health and safety of men and women are not put at risk from work carried out by the business. The mandated covid-19 vaccine has been identified as a health and safety risk. This evidence has been presented in the High Court of New Zealand, and as it has been presented and unrebutted it is now identified as truth in law and must be complied with. Pfizer is a business and is required by law to report the exposure of this hazard to all who work for them as well as everyone who took their covid-19 product. As they did this in partnership with the New Zealand government they are just as responsible as the government for every man, woman, boy and girl that took the Pfizer covid-19 vaccine from data released is 4,152,019 that received at least one dose aged five or over.

10. The Royal Court of New Zealand and the Highest Court on Terra Earth under the Jurisdiction of Almighty God have also recognised the covid vaccine and any MRNA vaccine or product that ends up in the body or DNA of man or woman or boy or girl as a health and safety hazard. The control of the pharmaceutical corporations is now over where everything has been money driven rather than the best interests of the people. The inalienable rights of the people are restored. All men and women have right to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies.

11. The Medical Board and all other licensing boards in New Zealand were required by law to ensure that all medical and health practitioners have informed every one of their patients of their exposure to this hazard. This did not occur and all board members and licensing bodies were made insolvent on 8 April 2025.

12. All officers and boards and trustee and employees of any Pfizer corporation or organisation or entity that is complicit in manufacturing and distributing covid-19 and MRNA vaccines are ordered with immediate effect to stop producing and destroy all products that contain MRNA and order the return of all covid-19 and flu and childhood vaccines to be destroyed that contain MRNA.

13. Anyone who has taken a product produced by any Pfizer corporation or organisation that contains MRNA has the lawful right of full independent thorough medical examination as well as family members lawful right to have autopsy report done upon death of a family member, where Pfizer is required to cover all costs and if there is clear damage that is linked back to the covid vaccine then Pfizer is required to pay one million dollars plus expenses to undo harm for every covid or MRNA injection received by that man, woman, boy or girl to every single immediate family member where family member is defined as mother or father or brother or sister or son or daughter or spouse or life partner for more than two years. In the event of death where harm can never be undone the charge is one hundred and fifty million US dollars per family member.

14. Due to the signed contract, it was clear that Pfizer and its officers are in partnership with the New Zealand Crown corporation government, therefore they were also liable for the crown corporation debt associated with the covid-19 and MRNA vaccines. There was an immediate charge of one million dollars per man, woman boy and girl where the population at the time of first summary judgement on 19 July 2024 was 5,338,900 with a commercial charge of 5.3389 trillion dollars that has gone up ten percent per week for 56 weeks. This brings the debt total due by 19 August 2025 to $575,394,090,979,727.00 in words being five hundred and seventy-five quadrillion, three hundred and ninety-four trillion, ninety million, nine hundred and seventy-nine thousand, seven hundred and twenty-seven dollars into the private bank account owned by the principal with account name 'King of Kings Private' with account number kiwibank 38-9024-0122732-01. Due to the serious natures of the crimes of vast numbers of deaths and severe adverse reactions with long term medical problems this has led to every associated Pfizer corporation who has shared in the profits of the sales of the covid-19 and MRNA vaccines also being liable for this debt. In the event of non-payment by the due date of 19 August 2025 there was full lawful right to proceed to liquidate Pfizer New Zealand and all

All Rights Reserved

listed corporations and the officers and directors and board of directors, plus charge them for every death and severe adverse reaction and long-term side effects. This notice has also been gazetted on publicnoticesnz.com.

15. The remedy that was presented was for payment and immediate media release on TV one or TV Three in New Zealand by 18 August 2025 so that the message goes out to the whole population of New Zealand stating what is in bold and speech marks here: **"It is now determined that the covid-19 and MRNA vaccines are not safe and are now a health and safety hazard where the officers and directors of Pfizer announce the immediate withdrawing of every covid-19 vaccine and MRNA vaccines from the market in the world and immediate cessation of manufacturing and destroying of every covid-19 and mRNA vaccine and product produced by any of the Pfizer corporations or organisations. We have also released a payment of one million dollars for every man and woman and boy and girl living in New Zealand due to MRNA properties of shedding, which is a total of five trillion, three hundred and thirty-eight billion, nine hundred million dollars ($5,338,900,000,000.00) have been paid into the private bank account of the principal and claimant Janine of the House of Walters who as grantor has set up private trust funds and will settle one million dollars into each individual's trust fund."** There was no message released to the media.

Also to: Christopher Bishop acting as Minister of Transport
And to Richard Chambers, Mark Mitchell on behalf of the New Zealand Police
and Andrew Kibblewhite on behalf of Ministry of Justice and government Crown and Council Corporations who are also trading under and through New Zealand Transport Agency with company number 300001212 and new zealand business number 9429041910085 and any other crown government corporations found in the process of discovery

From the Statutory Manager and Claimant: Janine of the Royal House of Arabella and Walters
Correspondence address: PO Box 9006 Greerton, Tauranga 3142, nowfreedomforall@protonmail.com

1. On 19th day of July 2024 I, Janine won Immediate Summary Judgement against all the Crown Government Corporations of New Zealand on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations, where the claims were done in Admiralty and Merchant Law under the Jurisdiction God Almighty, Creator Heavens and Earth; and
2. That on the day of Summary Judgement 19 July 2024 Nicola Willis cashed 4 Bills of Exchange and stole trillions from the claimant of funds that were supposed to be paid out to all people and actually had the banks shut down trading while this occurred. Written on each Bill of Exchange was the following "in the event of non-payment and non-honouring of the instructions of this Bill of Exchange the claimant Janine has full lawful right to take charge

 All Rights Reserved

and/or liquidate the debtor Corporations and seize any assets until paid out in full with ten percent per week added accruing penalty interest with the lawful right to go after the parent or successor corporations" where due to greed and arrogance of stealing the funds due to all men, women, boys and girls living in this land (except those who have done harm), the Crown government corporate system fell, where with full lawful rights I stepped in as Crown, Commander and Chief over the Crown government corporate system and the only one who is able to add, amend and delete Crown law; and

3. The officers of crown and council corporations were given orders which they refused to comply with and as a result were made insolvent on 18 December 2024 and 3 January 2025 where the ministers and chief executive officers including Mark Mitchell and Christopher Bishop and Richard Chambers and Andrew Kibblewhite and Ministry of Transport were made insolvent on 3rd and 17th of January 2025 after failing to provide the financial operations of their corporation and failing to cease trading, and failing to comply with orders, where I stepped in as the Statutory Manager. Decree Orders were provided from 19 July 2024 through to 23 December 2024, where the New Zealand Police were the only corporation able to continue operating based on complying with the following orders (6 page orders 23/12/25 attached to this notice) with the two most relevant to the Police being orders 8 and 9: **"That all fines related to speeding, parking, and property are cancelled and fines can only be imposed when a crime involving harm to another individual is proven. Consequently, only crimes involving harm shall be enforceable. This measure aims to prevent the unjust collection of revenue from the public where any officer or employee or agent that defies this order will be removed and held accountable for his/her actions and that police officers shall be reestablished as 'peace men and women.' Additionally, local councils and courts in New Zealand shall shift their focus from revenue generation to serving the public and preventing harm";** and

4. The New Zealand Police and the Crown government corporations and courts have failed to act in the best interests of all men, women boys and girls living in this land and have continued reckless trading now for over 10 months and did not report to the public or in the last annual financial year the debt owed or that they were made insolvent. As the insolvent crown and council corporations and their officers have not yet stood down, the debt owed has continued to rise and on the updated commercial lien with UCC filing number 2025-265-6313-1 **the debt on 23 September 2025 was $9,990,305,284,406,650,000.00** where further charges are being added for any intentional revenue making off men and women using slavery, debt bondage and trickery and any actions of harm, where this notice and all previous notices and court summaries are gazetted on publicnoticesnz.com; and

5. The Courts were also made insolvent on 10 June 2025 due to operating using fraud, deceit and trickery. **The only lawful courts in operation in New Zealand since this time is the Royal Court of New Zealand and The Highest Court on Terra Earth which operate out of the jurisdiction under Almighty God which overrides all other jurisdictions.** Police have continued to try and create fraudulent joinder with the corporate fiction names in all capital letters on driver's licenses to trick men and women into contract to take charge over them. All crown law is corporate law where there is only control over corporations, not people. The jurisdiction was lawfully changed from the corporations back to under our Creator where a corporation can never have control over a living man or woman without their consent. Control can only be taken over a living man or woman if there is evidence and proof of harm. As we are now under Jurisdiction our Creator God, fortunately there is remedy for those who are willing to take responsibility to stop and undo harm. The lawful jurisdiction in New Zealand is now the Kingdom of God, the ten commandments and Love our Creator, Love our neighbour as ourself and do no harm, plus the measure you judge will be judged back to you if not taking full ownership and accountability of wrongs. The new system is already in place. This has been well publicised and agreed by 99% of all people who have read these values and principles and were on websites publicnoticesnz.com and nowfreedomforall.com; and
6. That it has been discovered that the New Zealand Police and all other Council and Crown government corporations are trading through New Zealand Transport Agency that has yet to be made insolvent due to the thought that Ministry of Transport and New Zealand Transport Agency were the same entity, where it is now discovered that they are both separate, and through the process of discovery that any other corporation or entity that the New Zealand crown government corporations are trading through become liable for the full debt owed. It is unlawful for any corporation to continue trading once declared insolvent and all decisions made by its officers can be overturned and officers and agents no longer immune from private criminal and commercial charges; and

7. The New Zealand Police and New Zealand Transport Agency and Ministry of Justice leaders are now being held fully accountable for their actions. They have been operating out of legal corporate law which only has control over corporations. The difference between legal and law are clearly defined here. Legal is only over the corporate

legal fiction names as created by the birth certificates and driver's licenses, where a corporation's main purpose is making money and corporation officers and owners have now gone too far with greed and control now causing harm. I state clearly here that anything legal involves fraud and deceit and has been nullified. Lawful is only under the God's laws Love our creator, love our neighbour as ourself and do no harm. You are notified that there is now a one million dollar commercial charge to the NEW ZEALAND POLICE and NEW ZEALAND TRANSPORT AGENCY and their officers in the private in place for every speeding ticket or fine or charge against man and woman where there is no evidence of harm and any other intentional revenue making including unlawful taking of cars/property and arrests due to failing to produce identification or consent to police control where there is no evidence of harm, where there is one million dollar charge in place per day until the car or home or other property is returned, or man or woman or child released from any form of custody from any unlawful kidnapping, or entry into property where police have become involved in human and child trafficking and slavery and debt bondage and also have evidence of murders to cover up unlawful actions; and

8. The total debt overdue on the 17th day of November 2025 is $21,423,867,198,244,400,000.00 in words being twenty-one quintillion, four hundred and twenty-three quadrillion, eight hundred and sixty-seven trillion, one hundred and ninety-eight billion, two hundred and forty-four million, four hundred thousand new zealand dollars. As the New Zealand Transport Agency is a Crown Government corporation it automatically is liable for the debt owed; and

From the word of Holy Word of God it states in Matthew Chapter 18 v16 and 20 "A matter shall be established by two or three witnesses." The three witnesses attending agree to act in this capacity and gave their first names as Fred, Karl and Desree.

1. On 19th day of July 2024 Janine of the House of Walters won Immediate Summary Judgement against all the Crown Government Corporations of New Zealand on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations, where the claims were done in Admiralty and Merchant Law under the Jurisdiction God Almighty, Creator Heavens and Earth; and

All Rights Reserved

2. That on the day of Summary Judgement 19 July 2024 Nicola Willis, Minister of Finance cashed 4 Bills of Exchange and stole trillions from the claimant of funds that were supposed to be paid out to all people and actually had the banks shut down trading while this occurred. Written on each Bill of Exchange was the following “in the event of non-payment and non-honouring of the instructions of this Bill of Exchange the claimant Janine has full lawful right to take charge, and/or liquidate the debtor Corporations and seize any assets until paid out in full with ten percent per week added accruing penalty interest with the lawful right to go after the parent or successor corporations” where due to greed and arrogance of stealing the funds due to all men, women, boys and girls living in this land (except those who have done harm), the Crown government corporate system fell, where with full lawful rights I stepped in as Crown, Commander and Chief over the Crown government corporate system and the only one who is able to add, amend and delete Crown law unless someone was appointed by me; and

3. The officers of crown and council corporations were given orders which they refused to comply with and as a result were made insolvent on 18 December 2024 and 3 January 2025 where the ministers and chief executive officers including Mark Mitchell and Christopher Bishop and Richard Chambers and Andrew Kibblewhite and Ministry of Transport were made insolvent on 3rd and 17th of January 2025 after failing to provide the financial operations of their corporation and failing to cease trading, and failing to comply with orders, where I stepped in as the Statutory Manager. Decree Orders were provided from 19 July 2024 through to 23 December 2024, where the New Zealand Police were the only corporation able to continue operating based on complying with the following orders (6 page orders 23/12/25 attached to this notice) with the two most relevant to the Police being orders 8 and 9 “That all fines related to speeding, parking, and property are cancelled and fines can only be imposed when a crime involving harm to another individual is proven. Consequently, only crimes involving harm shall be enforceable. This measure aims to prevent the unjust collection of revenue from the public where any officer or employee or agent that defies this order will be removed and held accountable for his/her actions and that police officers shall be reestablished as 'peace men and women.' Additionally, local councils and courts in New Zealand shall shift their focus from revenue generation to serving the public and preventing harm”; and

4. The New Zealand Police and the Crown government corporations and courts have failed to act in the best interests of all men, women boys and girls living in this land and have continued reckless trading now for over 10 months and did not report to the public or in the last annual financial year the debt owed or that they were made insolvent. As the insolvent crown and council corporations and their officers have not yet stood down, the debt owed has continued to rise and on the updated commercial lien with UCC filing number 2025-265-6313-1 where the New Zealand Transport Agency was included as a liable debtor. The debt on 23 September 2025 was $9,990,305,284,406,650,000.00 where further charges are being added for any intentional revenue making off men and women using slavery, debt bondage and trickery and any actions of harm, where this notice and all previous notices and court summaries are gazetted on publicnoticesnz.com; and

5. The Courts were also made insolvent on 10 June 2025 due to operating using fraud, deceit and trickery. The only lawful courts in operation in New Zealand since this time is the Royal Court of New

 All Rights Reserved

Zealand and The Highest Court on Terra Earth which operate out of the jurisdiction under Almighty God which overrides all other jurisdictions. Police have continued to try and create fraudulent joinder with the corporate fiction names in all capital letters on driver's licenses to trick men and women into contract to take charge over them. All crown law is corporate law where there is only control over corporations, not people being men and women. The jurisdiction was lawfully changed from the corporations back to under our Creator where a corporation can never have control over a living man or woman without their consent. Control can only be taken over a living man or woman if there is evidence and proof of harm. As we are now under Jurisdiction our Creator God, fortunately there is remedy for those who are willing to take responsibility to stop and undo harm. The lawful jurisdiction in New Zealand is now the Kingdom of God, the ten commandments and Love our Creator, Love our neighbour as ourself and do no harm, plus the measure you judge will be judged back to you if not taking full ownership and accountability of wrongs. The new system is already in place. This has been well publicised and agreed by 99% of all people who have read these values and principles and were on websites publicnoticesnz.com and nowfreedomforall.com; and

6. That it has been discovered that the New Zealand Police and all other Council and Crown government corporations are trading through New Zealand Transport Agency that has yet to be made insolvent due to the thought that Ministry of Transport and New Zealand Transport Agency were the same entity, where it is now discovered that they are both separate, and through the process of discovery that any other corporation or entity that the New Zealand crown government corporations are trading through become liable for the full debt owed. It is unlawful for any corporation to continue trading once declared insolvent and all decisions made by its officers can be overturned and officers and agents no longer immune from private criminal and commercial charges; and

7. The New Zealand Police and New Zealand Transport Agency and Ministry of Justice leaders and officers and agents are now being held fully accountable for their actions. They have been operating out of legal corporate law which only has control over corporations. The difference between legal and law are clearly defined here. Legal is only over the corporate legal fiction names as created by the birth certificates and driver's licenses, where a corporation's main purpose is making money and corporation officers and owners have now gone too far with greed and control now causing harm. I state clearly here that anything legal involves fraud and deceit and has been nullified. Lawful is only under the God's laws Love our creator, love our neighbour as ourself and do no harm. You are notified that there is now a one million dollar commercial charge to the NEW ZEALAND POLICE and NEW ZEALAND TRANSPORT AGENCY and their officers in the private in place for every speeding ticket or fine or charge against man and woman where there is no evidence of harm and any other intentional revenue making including unlawful taking of cars/property and arrests due to failing to produce identification or consent to police control where there is no evidence of harm, where there is one million dollar charge in place per day until the car or home or other property is returned, or man or woman or child released from any form of custody from any unlawful kidnapping, or entry into property where police have become involved in human and child trafficking and slavery and debt bondage and also have evidence of murders to cover up unlawful actions; and

8. The total debt overdue on the 21st day of November 2025 is $21,423,867,198,244,400,000.00 in words being twenty-one quintillion, four hundred and twenty-three quadrillion, eight hundred and sixty-seven trillion, one hundred and ninety-eight billion, two hundred and forty-four million, four hundred thousand new zealand dollars. As the New Zealand Transport Agency is a Crown Government corporation it automatically is liable for the debt owed, plus have evidence of actions of complicity where the charges for speeding and traffic and parking fines and fraudulent joinder of fraudulent identification are occurring through this corporation; and

9. The officers of New Zealand Transport Agency had until 12pm today being Friday 21 November 2025 to pay the outstanding debt or confirm in writing they were ceasing intentional revenue making and using fraudulent joinder of driver's license to take control over the affairs of living men and women causing loss and harm, or would be made insolvent that same day.

10. It is confirmed before the court that the officers of New Zealand Transport Agency chose not to take remedy with no payment or written confirmation received that they have ceased intentional revenue making using fraudulent joinder, and as a result the corporation NEW ZEALAND TRANSPORT AGENCY is liquidated today being the twenty-first day of November 2025.

This outstanding debt has been converted into its true value in gold at time of summary judgement 19 July 2024 being $2420.40 US per oz being 6,523,812,106,075 ounces divided by 32.151 to convert into kilograms equals 202,911,639,018.2kg of gold where this amount of gold continues accruing ten percent weekly penalties plus extra 44,391,286,086.55kg of gold per day

2. On the nineteenth day of July 2024 immediate summary judgement was lawfully declared in the High Court of New Zealand in Admiralty Law but under jurisdiction of God Almighty against the New Zealand Government Crown corporations which placed me Janine the principal claimant as Commander and Chief and Crown over the Crown government corporations. The unrebutted charges laid were one million dollars for making everyone of this land debt slaves through fraud and deceit as well as liability for all and any harm caused by the covid-19 vaccine mandates where you can not force or co-erce someone to take a vaccine where one of the risk factors is death and evidence was provided to the CEOs of district health boards now known as Health New Zealand that the vaccine was neither safe or effective from their own data at the time of the mandates in November 2021. A payout was due from the crown government corporations that day out to all men, women, boys and girls living in New Zealand where the finance minister Nicola Willis in conjunction with others cashed and stole the payment that same day due to everyone being a population total of five million, three hundred and thirty-eight thousand and nine hundred. The pay out at that time per individual was around 1.47 million dollars that was stolen and has continued to go up in value ten percent accruing interest per week. At the bottom of the bill ledger it stated the following **'In the event of non-payment and non-honouring of the instructions of this Bill Of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the Debtor corporations and seize any assets until paid in full with ten percent per week added accruing penalty interest added per week with the lawful right to go after parent and successor corporations until the debt is settled in full'**.

3. Further charges were laid and on the nineteenth day of September 2024 through Summary Judgement in the High Court of New Zealand against the crown government corporations, placing me Janine in full position to change the jurisdiction of the Land, Sea, Air and everything else was placed back under Almighty God not only for New Zealand but for the whole world on the same date being 19th day of September 2024, where written into New Zealand law is that the land includes all land adjacent and adjoining to bring in the whole world. It was determined at that time that everyone had been affected by the covid-19 mandate decisions of removal of basic rights to make one's own decisions with a one million dollars charge placed on behalf of every man, woman, boy and girl, which has also been going up ten percent per week accruing.

4. A partnership agreement was signed between new zealand crown corporation government heads with the corporation PFIZER NEW ZEALAND where both were promoting the message that the covid-19 MRNA vaccine was 'safe and effective', where Pfizer's own data showed that they had prior knowledge that the vaccine wasn't safe or effective and hold just as much liability as the crown corporation government for advertising and promoting and co-ercing men, women, boys and girls to take this vaccine. That data released from Ministry of Health on 22 September 2023 provided the following figures that 4,032,019 people aged 12 and over have received one dose of COVID-19 vaccine, 3,985,233 people aged 12 and over have been fully vaccinated with two doses of COVID-19 vaccine and 2,773,181 people aged 16 and over have received at least one booster dose. On 17 January 2022 those aged 5 and over were eligible for the Pfizer vaccine. With 120,000 Pfizer doses distributed for the first batch of children. From these official figures with Pfizer holding

the only contract the amount of covid-19 vaccines administered come from adding totals 4,032,019 + 3,985,233 + 2,773,181 + 120,000 which comes to a total of 10,910,433 doses distributed between February 2021 and September 2023.

5. Our worldindata.org and raw.githubusercontent.com provided the data that over 6.9 billion being recorded that 6,908,907,096 doses of Pfizer covid-19 vaccines have been administered worldwide from 2021 to 2024. This did not include the 2025 data. There is a one million dollar charge in place for each vaccine administered and produced. This data chart is entered into the public record and is found in Exhibit A and was shown to the witnesses as part of this hearing.

6. The crown corporation government leaders and officers and ministers were ordered on 10th day of October 2024 to cease and desist use of MRNA vaccines and flu vaccines, where these orders were received the same day. Orders were provided to stop spreading false information with intent to deceive the people, that all individuals who disseminate false information with the intent to deceive and cause harm as well as intentionally withholding the truth from men and women will be charged. The research is now showing the MRNA is changing human DNA where the long term consequences are yet unknown.

7. Any officers or agents or employees or board members or trustees acting on behalf of any corporation or organisation that causes harm can be charged with the individuals, as well as the corporations they act for. Due to these orders being disobeyed from the Crown, Commander and Chief further commercial and criminal charges were laid. The current commercial charges have gone up to one million dollars per vaccine containing MRNA by injection or any other way of entry into the physical body, and one hundred and fifty million per death to each family member or next six of kin. Now all of the officers and directors and board members of corporations, organisations and licensing bodies are being held accountable for their actions with the same charge fees applying to all due to being unrebutted in a court of law.

8. The Royal Court of New Zealand and the Highest Court on Terra Earth were set up in November 2024 due to the High Court of New Zealand being made insolvent due to fraud and deceit and non-payment of their debts, where all crown government and council corporations were made insolvent on 18 December 2024 and all district, high courts and family courts made insolvent on 10 June 2025. All crown government corporations and ministers and officers have been operating unlawfully from the time they were made insolvent or bankrupted. Once they were bankrupted I lawfully stepped in and took over their positions and the only lawful decisions that have come out of New Zealand since summary Judgement are from me or those appointed by me. The only recognised courts are ones operating under the Jurisdiction of God Almighty where fraud, deceit, bearing false witness, theft and murder and poisoning are no longer tolerated.

9. The officers and agents of Pfizer have been spreading false information and deliberately withholding the content of the vaccines and the truth of the true side effects and death rates related to the covid-19 vaccine and any other MRNA vaccines or products. Your organisations are now ordered with immediate effect to tell the truth and stop spreading false information, where the Holy word of God from the Bible is the highest authority, where Crown corporate laws shall become obsolete when any lies and deceit are found in any man made laws and contracts. Exodus chapter 20 verses 13, 15 and 16 was quoted “Thou shall not steal and though shall not bear false witness against thy neighbour and thou shall not murder.” The organisations and their officers and employees are now liable for all actions of bearing false witness of supporting the message that the vaccine was ‘safe and effective’. I, Janine, quote Genesis Chapter 1 verse 27 “so God created man and woman in his own image, the image of God he created them, male and female he created them.” God made men and women and men and women made corporations and other organisation structures. A corp-oration (dead man speaking) can never have control over a man or woman.

10. The covid-19 vaccine has now been identified as a health and safety hazard. A business has a duty to ensure that the health and safety of men and women are not put at risk from work carried out by the business. The mandated covid-19 vaccine has been identified as a health and safety risk. This evidence has been presented in the High Court of New Zealand, and as it has been presented and unrebutted it is now identified as truth in law and must be complied with. Pfizer and Blackrock and the Vanguard Group are businesses and are required by law to report the exposure of this hazard to all who work for them as well as everyone who took their covid-19 product. As this carried out in partnership with the New Zealand government and other

governments they are just as responsible as the government for every man, woman, boy and girl that took the Pfizer covid-19 vaccine. The data released just for New Zealand showed that 4,152,019 individuals received at least one dose aged five or over.

11. The Royal Court of New Zealand and the Highest Court on Terra Earth under the Jurisdiction of Almighty God have also recognised the covid vaccine and any MRNA vaccine or product that ends up in the body or DNA of man or woman or boy or girl as a health and safety hazard. The control of the pharmaceutical corporations is now over where everything has been money driven rather than the best interests of all people. The inalienable rights of all people men, women, boys and girls are restored. All men and women have right to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies.

12. The Medical Council and all other licensing boards and councils in New Zealand were required by law to ensure that all medical and health practitioners have informed every one of their patients of their exposure to this hazard. This did not occur and all board members and licensing bodies were made insolvent on 8 April 2025. As this is an international hearing all international medical and licensing boards are now also required to do this.

13. All officers and boards and trustee and employees of any Pfizer corporation or organisation or entity that is complicit in manufacturing and distributing covid-19 and MRNA vaccines were ordered April 2025 with immediate effect to stop producing and destroy all products that contain MRNA and order the return of all covid-19 and flu and childhood vaccines to be destroyed that contain MRNA.

14. Anyone who has taken a product produced by any Pfizer corporation or organisation that contains MRNA has the lawful right of full independent thorough medical examination as well as family members lawful right to have autopsy report done upon death of a family member, where Pfizer is required to cover all costs and if there is clear damage that is linked back to the covid vaccine then Pfizer is required to pay one million dollars plus expenses to undo harm for every covid or MRNA injection received by that man, woman, boy or girl to every single immediate family member where family member is defined as mother or father or brother or sister or son or daughter or spouse or life partner or carer for more than two years. In the event of death where harm can never be undone the charge is one hundred and fifty million US dollars per family member with payout required up to six of the closets next of kin.

15. Due to the signed contract, it was clear that Pfizer and its officers are in partnership with the New Zealand Crown corporation government, therefore they were also liable for the crown corporation debt associated with the covid-19 and MRNA vaccines. There was an immediate charge of one million dollars per man, woman, boy and girl where the population at the time of first summary judgement on 19 July 2024 was 5,338,900 with a commercial charge of 5.3389 trillion dollars that has gone up ten percent per week for 56 weeks. This brings the debt total due by 19 August 2025 to $575,394,090,979,727.00 in words being five hundred and seventy-five quadrillion, three hundred and ninety-four trillion, ninety million, nine hundred and seventy-nine thousand, seven hundred and twenty-seven dollars into the private bank account owned by the principal with account name ‘King of Kings Private’ with account number kiwibank 38-9024-0122732-01. Due to the serious natures of the crimes of vast numbers of deaths and severe adverse reactions with long term medical problems this has led to every associated Pfizer corporation who has shared in the profits of the sales of the covid-19 and MRNA vaccines also being liable for this debt. In the event of non-payment by the due date of 19 August 2025 there was full lawful right to proceed to liquidate Pfizer New Zealand and all listed corporations and the officers and directors and board of directors, plus charge them for every death and severe adverse reaction and long-term side effects. This notice has also been gazetted on publicnoticesnz.com.

16. In Exhibit A you will find the worldwide data for how many covid-19 vaccine doses were distributed from Pfizer Inc being total of 6,908,907,096 pfizer covid-19 vaccines doses administered worldwide 2021-2024 with a one million dollars US charge per dose with average of two doses per live man/woman/boy/girl.

17. The current outstanding payment as shown in **Exhibit B** of fifteen quadrillion, seven hundred and ninety trillion, two hundred and thirty-four billion, eight hundred and twenty-one million, five hundred and forty-six

thousand US dollars (15,790,234,821,546,000.00US)and can be converted into any currency This outstanding debt has been converted into its true value in gold at time of summary judgement 19 July 2024 being $2420.40 US per oz being 6,523,812,106,075 ounces divided by 32.151 to convert into kilograms equals 202,911,639,018.2kg of gold where this amount of gold where this amount continues accruing ten percent weekly penalties plus extra 44,391,286,086.55kg of gold per day where the funds owed are securitised as credit in private trust to be distributed to all men and women and their offspring who have been harmed by the corporations.

The court now asks the three witnesses if they agree if sufficient evidence has been provided for summary judgement against the debtors and defendants for non-payment of lawful debts and are therefore able to be liquidated. The three witnesses agree. Therefore with full lawful rights the court makes the following individuals and corporations insolvent today being the twenty-first day of November 2025 at 2.25pm:

There is also lawful right to claim off the parent and any successor corporations or associated trusts that sit behind any of the liquidated corporations or individuals.

Writ Orders of Arrests to be Carried Out with immediate Effect dated 22nd day of April 2025

Warrant for Arrest for approximately 200 CEOs (chief executive officers) and ministers of crown and council corporations with liability towards harming the people who are all named at the end of this document and are all now insolvent and making unlawful and harmful directives with immediate threat to safety and wellbeing of all people living in New Zealand.

All Rights Reserved

Writ Orders with Immediate Effect dated 1 April 2025 ordered by Crown-Janine on behalf of all people New Zealand

1. I, Janine of the Royal House of Arabella and Walters being of sound mind and over the age of consent with full lawful authority won Immediate Summary Judgement on the 19th day of July 2024 and 20th day of August 2024 and 19th day of September 2024 against all the Crown Corporations of New Zealand on behalf of all men, women, boys and girls living in this land that have been harmed by the corporations; and

2. The council and crown government corporations have since been made insolvent; and this placed me in a position above the crown corporations and corporate law as the Commander and Chief with full authority to change the jurisdiction of the land sea and air of New Zealand and Aotearoa which encompasses the whole world all under Almighty God the Creator of all mankind and the heavens and the earth who all are accountable to; and

3. As We are now under jurisdiction of God Almighty I, Janine hold positions of authority in law as Commander and Chief and Crown over the Council and Crown Corporations and the officers and ministers held liable for harm, who have now been made Insolvent and have to comply with instructions from Crown-Janine the Royal Assignor and Statutory Manager who also now sits in the Office of Registrar and Sheriff and Minister of Finance and Auditor General and Minister of Defence and all other positions with power of appointment and removal of all positions and offices that have been vacated by the officers and ministers and CEOs made insolvent; and

4. The main charges with unrebutted evidence in court presented were intentional acts of reducing or destroying of the natural food supplies, spreading lies and falsehood to the media with intent to deceive the people, using acts and bills (gene technology Bill, bills around climate change and reducing carbon emissions down to zero where unable to sustain life of mankind or animals) to pass harmful directives to the people and destruction of food supplies and animals and other living creatures, adding toxic substances into the water that is known to cause cognitive decline and damage to the pineal gland in the brain, intentional weather manipulation causing flood and draughts and sunlight reduction, intentional environmental manipulation using spraying, HAARP technology and spraying affecting the air and soil and roll out of high density 5G with radiation exposure to all living men, women and living creatures, intentional introduction of MRNA gene technology in people, animals, plus food supplies and medication when research showing that MRNA and gene technology does change DNA, mandating of the whole population to take an unproven vaccine that has now been identified as a health and safety hazard where the government and pharmaceutical companies are now liable for all deaths and associated medical problems plus for loss of livelihood of those who were mandated out of their jobs, plus intentional control over the people with proof of harm by the corporations making every man, woman boy and girl debt slaves using fraud and deceit, unlawfully charging property rates to the people using fraud and deceit, unlawfully removing people from their homes using fraud and deceit, and unlawful sales or transfer of council or crown properties. Evidence was also provided of crown and council corporations of participating in making all the people responsible for central and local government debt where loaning with liens over private land and birth certificates is occurring without our knowledge or consent, plus implementing agenda 2030 where everything was in place for full private property takeover. Individuals can and will be charged with crimes of harm where all are accountable for their own actions, following orders is not an excuse and no one is immune under the Jurisdiction of God Almighty.

5. The unrebutted charges put in place were one million dollars on behalf of every man, woman, boy and girl per event for causing harm plus for every bird, animal, bees or any other living creature or natural food supply that has been destroyed. As the debts of the corporations were higher than the asset value of each corporation on the date of summary judgement all the corporation debtor's property assets were placed into Janine and the People's Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. These were also placed on the public notice board and entered into the public record where all content listed on the following link on the public notice board https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/; and

6. That Janine as Commander placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man-made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporation and their officers are held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I

Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman; and

7. That as the council corporations sat under the Crown government corporations as subsidiary corporations they also became liable for the commercial charges of harm against the crown government corporations and have also been held accountable for their actions of placing their debts over the men and women so due to already having summary judgement over the parent corporation where orders and liability notices went out to every council corporations between 10 October and 23 October 2024 with proof of receipt, with two charges in place – first a charge of harm for making the people debt slaves and placing on them a debt that was never theirs without their knowledge or consent and for forcefully controlling the people by deceit, plus second for adding fluoride into the water where evidence provided that fluoride is a known poison causing cognitive decline and damage to the pineal gland in the brain with a one million dollar charge for very man, woman boy and girl living in their area; and

8. As the debts of the corporations were higher than the asset value of each council corporation that on 22 and 23 October 2024 every one of the Council's property assets were seized and placed into Janine and the People's Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. The reason this was done was to protect the people and the assets in each area as all councils have been continuing to practise insolvent and had everything in place for full private property takeover in New Zealand. The commercial liens and proof of the trust and protection of the assets was entered into the public record and can be found on the following link on the public notice board: https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/; and

9. All corporate government and corporate law is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments and corporations cannot exercise the power to expunge commercial processes. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor which means that his/her property becomes forfeited as a pledge to serve the lien which means he/she becomes liable for these liens; and

10. That it is against the law for a Judge or Registrar to summarily remove, dismiss or dissolve a commercial lien, so every single one of the liens I, Janine the Claimant put in place all remain and stand as truth in law and commerce, and remain on the public notice board. Sanjai Raj the Personal Properties Securities Registrar (PPSR) operated against the law and is now liable for criminal charges and due to having no lawful right to do this the commercial liens remain in place where now he also holds liability and was made insolvent on 14th day of January 2025 and had the title of Registrar stripped from him, where I now have taken over this role as the Royal Assignor and Statutory Manager and have full authorisation over the Companies Office to ensure all insolvent debt is accounted for of each corporation and now unlawful sale of assets; and

11. Stephen Hewlett the Registrar and Sheriff based in the Tauranga High Court of New Zealand acted in dishonour of refusing to enter onto public record the Summary Judgements which led to him being personally liable for the crown corporations debt and he was made insolvent on 17th of January 2025 where due to being insolvent is no longer able to hold title or office; whereas the Royal Assignor I also sit in this position with power to appoint other Registrars and Sheriffs to take action and authorise warrants for arrest of officers and ministers in contempt of the orders in place with criminal charges for actions of harm against the people; and

12. In the Summary Judgement dated 19 September 2024 plus the Order Notices and Instructions dated 10 October 2024 sent out and received by all councils all debts were cancelled backdated to 19th of July 2024 over the people including personal taxes, property taxes/rates, past student debts, and outstanding fines and fraudulent mortgages which is every mortgage as none were signed by the bank or finance company and as they were never co-signed these were never valid agreements and any other fraudulent debt charges. Inland Revenue and all the councils and the police are still trying to enforce these and are committing criminal offences plus are commercially liable of one-million-dollar charge for every charge that has gone out from this time, plus for removing people from their homes, plus for any event of harm occurring against any man, woman, boy or girl. I have evidence of many cases where the police and councils and banks are playing the heavy hand against the people for trying to enforce these already cancelled charges and fines where they are actually forcefully removing people from their

All Rights Reserved

homes and aren't even obeying their own rules and laws and committing crimes to do so; and

13. The officers, chief executive officers, mayor and councillors of council and crown corporations were informed what their debt was to the people for actions of harm and due to either inability to pay or refusal to pay all council and crown government corporations were liquidated on the 18th day of December 2024. The CEOs were sent notice to provide the financial operational records of all public and private ledgers. The CEOs refused or ignored and as a result the CEOs have been made insolvent at a court hearing on the 17th day of January 2025, where they are no longer able to be in positions of authority and will not be able to until his or her insolvency has been cleared, where this will be in place for three years unless the officer can step back into honour and help right all actions of harm and hold full accountability to the Royal Assignor or Statutory Manager; and

14. As all council and crown government corporations were made insolvent on 18th of December 2024 any and all financial operations including selling of assets are unlawful since that time. This includes the NEW ZEALAND POLICE where the CEO and minister of Police who have also been made insolvent for making the people of New Zealand debt slaves using fraud and deceit, where they were also informed that all revenue making off the people where there was no evidence of harm had to stop, and the Police were commissioned to continue working to uphold peace and protect the people and to bring the officers and ministers within the corporations to justice; and

15. It is noted here for your information Christopher Luxon was made insolvent on 18th day of December 2024 and is not able to hold office or any positions of authority since this time, with all other ministers made insolvent on either third or tenth or fourteenth or seventeenth of January 2025 and all offices of the ministers also made insolvent including attorney general and governor general due to personal liability of all ministers who had the opportunity to step back into honour and chose not to. The ministry of defence was made insolvent on 3rd day of January 2025 and its CEO and Secretary Brooke Barrington was made insolvent on 17th of January 2025. Any decisions that have been made since any corporation or minister or officer became insolvent are null and void, and all summary judgements and orders and insolvency hearings have been gazetted on publicnoticesnz.com; and

16. You are also informed that the Waitangi National Trust Group, Waitangi National Trust Board and Waitangi Limited and the Companies Office became insolvent on the tenth day of January 2025. The positions have been filled as follows: His Majesty King Nelson to step into the office of The Crown in Right of New Zealand and office of Parliament incorporated, Janine of the Royal House of Walters sits in the position of Office of Prime Minister, and Office of Minister of Finance, and head and registrar of the Companies Office where Sanjai Raj was made insolvent on 14 January 2025, Frederick of the Royal House of Stewart sits in the position of the Offices of Attorney General, Governor General, Chief Justice, Ministry of State-Owned Enterprises and Ministry of Māori Development and the position of Office of Minister for Arts, Culture and Heritage, until such time the Waitangi National Trust has been fully resettled. The Royal Assignor Crown-Janine holds all other positions as the Statutory manager until such as time that a man or woman can step into this role with full accountability to act in the best interests of the people; and

17. I, Crown-Janine as Royal Assignor, Statutory Manager, Registrar and Sheriff over all entities made insolvent have just completed travelling around the country to all councils to meet with all recently made insolvent CEOs and ministers and mayors where not one CEO or mayor or councillor turned up to the set meetings where all councils are now in defiance and operating unlawfully and in dishonour. The officers and mayors have already been informed that any charging of rates and property transfers or sales that have occurred since 22 October 2024 are unlawful where the officers who have authorised any of these to occur are criminally and commercially liable for these actions involving fraud and theft and money laundering. It is acknowledged that the whole system that has been set up in New Zealand is based on fraud and deceit where a new system is currently being implemented where full accountability is in place; and

18. Each council has already been provided with a direct order to stop placing fluoride in the water, due to the chemical mix being placed in the water containing neurotoxins affecting cognition and the pineal gland in the brain. The people in every area of New Zealand have clearly expressed that they did not want fluoride added to their water and they were ignored. Councils are supposed to exist to serve the people and the community, not do them harm. The ministers of parliament are now insolvent as well as Diana Sarfati the previous CEO of Ministry of Health who gave the directive to add the fluoride. As the Royal Assignor I am now sitting in that position as well as the Office of the Minister of Health and Frederick of the Royal House of Stewart is sitting in the office of Chief

All Rights Reserved

Justice and Attorney General due to Judith Collins now being insolvent with full lawful rights of add, amend and delete laws and directives where harm or fraud or deceit is occurring; and

19. The jurisdiction of God allows a path for remedy and restorative justice. I do have remedy and a solution and willing to work with each officer and minister with the crown and council corporations if they are willing to step into full accountability to undo any harm caused. If the officers, mayors, councillors, ministers do not comply taking actions to remove harm there will be warrants for their arrest due to the serious natures of their crimes, where they will be trialled in front of the people with a jury of odd numbers; and

20. All officers within the police and ministers and CEOs and leaders of organisations providing directives are informed that the jurisdiction of Almighty God and the Holy word of God overrides their jurisdiction and they have no authority over living men and women without his or her consent and can only step in with proof of actions of harm, with particular attention on the following laws and acts but not limited to the crimes in Crimes Act 1961 sections 48 self defence, 62 excess of force, 55 defence of dwellinghouse, 56 defence of land or building, 98 dealing in slaves, 108-116 perjury and bringing false charges or conspiring to defeat justice, 240 obtaining or causing loss by deception, International Crimes and International Criminal Court Act 2000, International Covenant on Civil and Political Rights articles 1-53 drawing particular attention to article 7 'No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment. In particular, no one shall be subjected without his free consent to medical or scientific experimentation', where clear evidence is showing that Chris Luxon is participating in gene technology experimentation on the people that is a crime against humanity and against the Civil and Political rights. He has been with-holding information to the public regarding what is going into the drinking water supply, and that fluoride is a toxic substance that evidence showing causes cognitive decline as well as affecting the pineal gland in the brain which makes individuals easier to control. He is with-holding information to the public of what is in their food supplies of MRNA technology, toxic chemicals, SV40 causing turbo cancers in the covid-19 vaccine , food products and medications to try and prevent any liability for any harm caused by the people to stop intentional actions of harm, plus intentional destruction of natural food supplies; where Christopher Luxon and the ministers are now charged and held criminally accountable for all directives and actions causing harm to the people, living creatures the land or environment and any other actions effecting the ability to sustain life on the planet; and

21. That the inalienable and universal rights of the people were restored through the Summary Judgements made on 19 July 2024, and these rights can not be taken away- the right to freedom, equality and dignity, no discrimination, right to life, liberty and security, right to not be held in slavery or any form of torture or degrading treatment or punishment, right to be treated fairly, no unfair detainment, innocent until proven guilty, the right to privacy, the right to freedom of movement and residence, right to acquiring, possessing and protecting property, right to nationality, to marry and have family, to own things, freedom of thought and religion, freedom of opinion and expression, right to assemble, right to democracy, right to work, right to social security and social service, right to rest and holiday, right to education, right to participate in art and culture, right to freedom of travel around the world at same time respecting the rights and freedoms of others. This is taken from Universal Declaration of Human Rights 1948 and the Inalienable Rights. These rights can not be taken away, and include the right to make informed decisions around one's own health and wellbeing and to know what is in every medication and also in food and any other products and all men and women have the right to make a choice of what they put in or on their own bodies, and also includes freedom of speech in mainstream media and social media with censorship being unlawful and a chargeable offence unless there is proof of a crime of violence or harm.

22. That as the Statutory Manager of multiple insolvencies plus Registrar and Sheriff I have lawful right to place out warrants for arrest for officers or ministers of the corporations who have withheld the financial operation information and actions of doing or causing harm which are all criminal as well as civil offences plus seize financial records, property and assets of these who have been made insolvent for doing harm, particularly where Christopher Luxon is trying to unlawfully enforce the gene technology bill and sell off the previously owned crown and state assets which are now owned by Janine and the People's Irrevocable Trust on behalf of all people living in this land; and

23. The covid-19 vaccine has now been identified as a health and safety at work hazard, where the prime minister and ministers have not supplied this information to the public. A business has a duty to ensure that the health and safety of persons are not put at risk from work carried out by the business. (Section 36 of the Health and Safety at

All Rights Reserved

Work Act 2015). The mandated covid-19 vaccine has been identified as a potential health and safety risk; and all employers and boards and licencing bodies and medical practitioners have a duty to provide information and training to past and present employees and health professionals and patients that are or were under their care of the exposure and potential harm to the persons put at risk through the covid-19 vaccine. Evidence has been presented in the courts that MRNA technology is changing human DNA with many unknown effects as yet but what is known that there is large increase of medical conditions and SV40 is also present in the vaccines which was a known causative factor producing cancers with large increase of cancers within the population Research It is a criminal offence to not train employees and health professionals and medical practitioners that were registered and licensed by each organisation of exposure to risks; and the Police are required by law to ensure this is enforced. (Section 9 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016). All medical and licensing boards were advised of their duties receiving at least 3 notices to comply and failure to comply lead to all boards and board members being made insolvent on 8th day of April 2025 due to not stopping actions of harm, with criminal charges to follow; and

24. NOTICE was already provided to the Police at their head office in Auckland by hand serving with witnesses on 5 February 2025 of all of the above crimes being committed outlining their responsibility to charge and do arrests for crimes of harm; and

25. The ministers and CEOs have stopped listening to the people and are now acting with deliberate intent to cause harm where they are adding sewerage into drinking water, implementing the gene technology bill where no longer required to declare what is in the water, food or drugs where food items now becoming a major health and safety hazard to high levels of toxicity , intentional killing of livestock to destroy food supply confirmed by mayor of Gisborne District Council Rehette Stolz stating 'Don't worry. Farming will be obsolete shortly' to one of local residents who will testify this is true. The banks and councils through fraud are placing homes into mortgagee sales and forcefully removing people from their homes, where all councils and crown corporations operating unlawfully and not even obeying their own rules in complete dishonour and now threatening the safety and wellbeing of every man, woman, boy and girl living in New Zealand where if the police are not going to act on behalf of the people to protect the people are left with no other choice but to call in international forces to do so.

26. I, Janine of the Royal House of Walters and Arabella with full force of the Law under God Almighty on behalf of all the people in this land affirm that all content in this document is correct and true with clear instructions that the New Zealand Police comply and execute the orders in this document with immediate effect within 24 hours of receipt of these orders and if no action occurring during that time the police forfeit this role due to acting in dishonour and are required to cover all expenses of contracting the work to another organisation or contractor with immediate payment due upon producing of a bill from the contracted provider; and

27. NOTICE has also been provided to John Ryan in the private as well as the Controller and Auditor General of the New Zealand Crown and Council Corporations, where he had until 4pm on 11th day of April 2025 to rebut or comply and as a result of no action or rebuttal by silent acquiescence I have taken over his positions; and

28. NOTICE was also provided to Helen Winklemann in the private as well as Chief Justice of New Zealand to rebut or carry out the orders supplied of stopping and undoing harm by 4pm on 18th day of April 2025, where failure to do this would lead to removal from office with criminal charges to follow, where this role her role has now been appointed to Lord Frederick of the Royal House of Stewart; and

29. Issue a warrant for the arrest of the following individuals with the priority set according to the following five points and colour code in terms of urgency to stop and prevent further harm from occurring, where the reasons for the arrests are in right hand columns with evidence provided of proof of harm and criminal offenses plus the following:

VOLUME 4 · PART 14

Janine and the Peoples Irrevocable Trust and Schedules of Assets Now Owned by All Men, Women, Boys and Girls of New Zealand

Consolidated trust, UCC, PPSR, audit-demand and property-schedule evidence

Compiled evidence record
Includes the complete 462-page Majesty property schedule and the compact 37-page Health New Zealand property schedule. The separate Crown-corporation property schedule is referenced by link only.

Introduction and Scope

This Part consolidates the trust, financing-statement, audit-demand and asset-schedule material identified for Part 14. It records the declarant's stated position and the documents relied upon in support of that position. The source documents are reproduced without alteration; the front matter provides organisation, location references and document control.

The documents record the position that the assets scheduled in this Part, and assets identified through the incorporated UCC and PPSR records, are held through Janine and the People's Irrevocable Trust for the benefit of all living men, women, boys and girls living in the land commonly known as New Zealand.

Key facts recorded in this Part

• **Trust instrument.** The five-page principal trust document is reproduced first as the foundation document for this Part.

• **General UCC filing.** The complete 79-page UCC Commercial Lien Filing 2025-265-6313-1 is reproduced because it identifies a broad group of corporations and related parties relied upon in the schedules.

• **Supplementary filings.** The Waitangi National Trust UCC filing and the ASB Bank PPSR verification statement are included so these records sit with the consolidated asset material.

• **Audit demands.** Two demands for full audit and account are reproduced. The record supplied for this compilation states that no compliant full audit has been provided to date.

• **Property schedules reproduced.** The controlling 37-page Health New Zealand schedule and the full 462-page Majesty schedule—described as containing just under 12,000 properties—are included in full.

• **Property schedules incorporated by reference.** Council schedules and the separate Crown-corporation property schedule remain accessible through the public-notice links listed below. They are not duplicated in this Part.

• **Existing volume evidence.** Crown and council PPSR verification statements already reproduced in Volume 4, Parts 7, 11 and 12 are indexed here rather than repeated.

Record-use note

This compilation is an evidence index and reproduction of supplied records. Descriptions in the front matter identify what the documents state and where they are located; they do not alter the wording, signatures, dates or claimed effect of the source documents.

Document Sequence

Each source document is preceded by a one-page section divider. Page ranges below are the final PDF page numbers for this consolidated Part.

and
2. That on that same day of 19th day of July 2024 copies of the signed four Bills of Exchange for four Admiralty Statements of Claim that I, Janine won Summary Judgement for were presented by me to the New Zealand Finance Minister Nicola Willis at Parliament in Wellington with one hour to cash the bills and pay the amounts due into kiwibank with account name HOUSE OF TALIA-DAWN PRIVATE FOUNDATION where Janine is the account holder, owner and principal. Straight after the presenting of these bills to Nicola Willis at Parliament the Kiwibank and ASB Bank were shut down trading for the rest of that day. It is important to note that I, Janine hold the original copies of the four Bills of Exchange. The agreement was based on fifteen conditions with the first being paying off the national debt of just under one hundred and eighty billion dollars at the time, the inalienable rights restored men, women, boys and girls living in this land and all forms of debt slavery and harm towards mankind and the resources needed for sustenance and life removed, plus removing fluoride from the water. The four banks that were involved with theft of these payouts were The Treasury, Reserve Bank of New Zealand, Kiwibank and ASB Bank in conjunction with the ministers, chief executive officers and the heads of the Crown Corporation government and the four banks. Nicola Willis arranged the theft of trillions of dollars that day that were due for payout to every man and women living in this land, where a full robust forensic analysis is to occur to find out the identity of all parties involved in theft on that day; and That written on the bottom of each of the four Bill Ledgers made into Bills of Exchange that were cashed and stolen from the claimant and principal on 19 July 2024 was the following exact quotation 'in the event of non-payment and non-honouring of the instructions of this Bill Of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the Debtor Corporations and seize any assets until paid out in full with ten percent per week added accruing penalty interest added per week with the lawful right to go after the parent or successor corporations'; and
3. That written on the bottom of each of the four Bill Ledgers made into Bills of Exchange that were cashed and stolen from the claimant and principal on 19 July 2024 was the following exact quotation 'in

the event of non-payment and non-honouring of the instructions of this Bill Of Exchange the claimant Janine has full lawful right to take charge and/or liquidate the Debtor Corporations and seize any assets until paid out in full with ten percent per week added accruing penalty interest added per week with the lawful right to go after the parent or successor corporations'; and
4. By non-payment and immediate summary judgement the claimant being I, Janine with full lawful rights claimed the titles of 'Crown', 'Commander' and 'Chief' where I now sit above Crown Law and Admiralty Law and had full lawful rights to change the jurisdiction to under Almighty God the Creator of all mankind and the heavens and the earth where all are accountable for his or her actions of harm and also had full lawful rights to set up courts under this jurisdiction; and
5. The main commercial charges that led to full Summary judgement with unrebutted evidence presented were intentional acts of reducing or destroying of the natural food supplies, adding toxic substance into the water that is known to cause cognitive decline and damage to the pineal gland in the brain, intentional weather manipulation causing flood and draughts and sunlight reduction, intentional environmental manipulation using spraying, HAARP technology and spraying affecting the air and soil and roll out of high density 5G with radiation exposure to all living men, women and living creatures, intentional introduction of MRNA gene technology in people, animals, plus food supplies and medication when research showing that MRNA and gene technology does change DNA, co-ercement of the whole population to take an unproven vaccine that has now been identified as a health and safety hazard where the government and pharmaceutical companies are now liable for all deaths and associated medical problems plus for loss of livelihood of those who were mandated out of their jobs, plus intentional control over the people of proof of harm by the corporations making every man, woman boy and girl debt slaves using fraud and deceit and placing on them a debt that did not belong to them, where loaning with liens over private land and birth certificates is occurring without our knowledge or consent, unlawfully charging property rates to the people using fraud and deceit, unlawfully removing people from their homes using fraud and deceit, and unlawful sales or transfer of council or crown

properties, plus implementing agenda 2030 where everything was in place for full private property takeover. Individuals can and will be charged with crimes of harm where all are accountable for their own actions, following orders is not an excuse and no one is immune under the Jurisdiction of God Almighty; and

6. The unrebutted charges put in place were one million dollars on behalf of every man, woman, boy and girl per event for causing harm plus for every bird, animal, bees or any other living creature or natural food supply that has been destroyed. As the debts of the corporations were higher than the asset value of each corporation on the date of summary judgement all of the corporation debtor's property assets were placed into Janine and the People's Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. These were also placed on the public notice board and entered into the public record where all content listed on the following link on the public notice board https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/; and

4. This FINANCING STATEMENT covers the following collateral:

7. That Janine as Commander placed this country and these courts and the government of this country under the Jurisdiction of Almighty God with the Holy word of God from the Bible as the highest authority where Crown corporate laws shall become obsolete when any lies and deceit is found in any man-made laws and contracts. I, Janine quote Exodus chapter 20 verses 15 and 16 "Thou shall not steal and though shall not bear false witness against thy neighbour." The corporation and their officers are held liable for all actions of making the people debt slaves and placing on them a debt that was never theirs and for forcefully controlling the people by deceit. I Janine, quote Genesis Chapter one verse 27 "so God created man and woman in his own image, the image of God he created them, male and female he created them." God made men and women and men and women made corporations. A corp-oration (dead man speaking) can never have control over a man or woman; and
8. That as the council corporations sat under the Crown government corporations as subsidiary corporations they also became liable for the commercial charges of harm against the crown government corporations and have also been held accountable for their actions of placing their debts over the men and women so due to already having summary judgement over the parent corporation where orders and liability notices went out to every council corporations between 10 October and 23 October 2024 with proof of receipt, with two charges in place: first a charge of harm for making the people debt slaves and placing on them a debt that was never theirs without their knowledge or consent and for forcefully controlling the people by deceit, plus second for adding fluoride into the water where evidence provided that fluoride is a known poison causing cognitive decline and damage to the pineal gland in the brain with a one million dollar charge for very man, woman boy and girl living in their area; and
9. As the debts of the corporations were higher than the asset value of each council corporation that on 22 and 23 October 2024 every one of the Council's property assets were seized and placed into Janine and the People's Irrevocable Trust where all the men, women boys and girls of this land are the beneficiaries, where have full lawful right to exclude anyone that continues with actions of harm towards the people. The reason this was done was to protect the

people and the assets in each area as all councils have been continuing to practise insolvent and had everything in place for full private property takeover in New Zealand. The commercial liens and proof of the trust and protection of the assets was entered into the public record and can be found on the following link on the public notice board:
https://publicnoticesnz.com/notice-that-all-assets-and-crown-and-council-corporations-in-trust/; and
10. All corporate government and corporate law is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments and corporations cannot exercise the power to expunge commercial processes. An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor which means that his/her property becomes forfeited as a pledge to serve the lien which means he/she becomes liable for these liens; and
11. That it is against the law for a Judge or Registrar to summarily remove, dismiss or dissolve a commercial lien, so every single one of the liens I, Janine the Claimant put in place all remain and stand as truth in law and commerce, and remain on the public notice board. Sanjai Raj the Personal Properties Securities Registrar (PPSR) operated against the law and is now liable for criminal charges and due to having no lawful right to do this the commercial liens remain in place where now he also holds liability and was made insolvent on 14th day of January 2025 and had the title of Registrar stripped from him, where I now have taken over this role as the Royal Assignor and Statutory Manager and have full authorisation over the Companies Office to ensure all insolvent debt is accounted for of each corporation and now unlawful sale of assets; and
12. Stephen Hewlett the Registrar and Sheriff based in the Tauranga High Court of New Zealand acted in dishonour which led to him being personally liable for the crown corporations debt and he was made insolvent on 17th of January 2025 where due to being insolvent is no longer able to hold title or office; whereas the Royal Assignor I also sit in this position with power to appoint other Registrars and Sheriffs to take action and authorise warrants for arrest of officers and ministers in contempt of the orders in place with criminal charges for actions of harm against the people;

4. This FINANCING STATEMENT covers the following collateral:

and
13. In the Summary Judgement dated 19 September 2024 plus the Order Notices and Instructions dated 10 October 2024 sent out and received by all councils all debts were cancelled backdated to 19th of July 2024 over the people including personal taxes, property taxes/rates, past student debts, and outstanding fines and fraudulent mortgages which is every mortgage as none were signed by the bank or finance company and as they were never co-signed these were never valid agreements and any other fraudulent debt charges. Inland Revenue and all the councils and the police are still trying to enforce these and are committing criminal offences plus are commercially liable of one-million-dollar charge for every charge that has gone out from this time, plus for removing people from their homes, plus for any event of harm occurring against any man, woman, boy or girl. I have evidence of many cases where the police and councils and banks are playing the heavy hand against the people for trying to enforce these already cancelled charges and fines where they are actually forcefully removing people from their homes and aren't even obeying their own rules and laws and committing crimes to do so; and
14. The officers, chief executive officers, mayor and councillors of council and crown corporations were informed what their debt was to the people for actions of harm and due to either inability to pay or refusal to pay all council and crown government corporations were liquidated on the 18th day of December 2024. The CEOs were sent notice to provide the financial operational records of all public and private ledgers. The CEOs refused or ignored and as a result the CEOs have been made insolvent at a court hearing on the 17th day of January 2025, where they are no longer able to be in positions of authority and will not be able to until his or her insolvency has been cleared, where this will be in place for three years unless the officer can step back into honour and help right all actions of harm and hold full accountability to the Royal Assignor or Statutory Manager; and
15. As all council and crown government corporations were made insolvent on 18th of December 2024 any and all financial operations including selling of assets are unlawful since that time. This includes the NEW ZEALAND POLICE where the CEO and minister of Police who have also been made insolvent for making the people of New Zealand

4. This FINANCING STATEMENT covers the following collateral:

debt slaves using fraud and deceit, where they were also informed that all revenue making off the people where there was no evidence of harm had to stop, and the Police were commissioned to continue working to uphold peace and protect the people and to bring the officers and ministers within the corporations to justice; and

16. It is noted here for your information Christopher Luxon was made insolvent on 18th day of December 2024 and is not able to hold office or any positions of authority since this time, with all other ministers made insolvent on either third or tenth or fourteenth or seventeenth of January 2025 and all offices of the ministers also made insolvent including attorney general and governor general due to personal liability of all ministers who had the opportunity to step back into honour and chose not to. The ministry of defence was made insolvent on 3rd day of January 2025 and its CEO and Secretary Brooke Barrington was made insolvent on 17th of January 2025. Any decisions that have been made since any corporation or minister or officer became insolvent are null and void, and all summary judgements and orders and insolvency hearings have been gazetted on publicnoticesnz.com; and

17. You are also informed that the Waitangi National Trust Group, Waitangi National Trust Board and Waitangi Limited and the Companies Office became insolvent on the tenth day of January 2025. The positions have been filled as follows: Janine of the Royal House of Walters sits in the position of Office of Prime Minister, office of The Crown in Right of New Zealand and office of Parliament incorporated and Office of Minister of Finance, and head and registrar of the Companies Office where Sanjai Raj was made insolvent on 14 January 2025, Frederick of the Royal House of Stewart sits in the position of the Offices of Attorney General, Governor General, Chief Justice, Ministry of State-Owned Enterprises and Ministry of Maori Development and the position of Office of Minister for Arts, Culture and Heritage, until such time the Waitangi National Trust has been fully resettled. The Royal Assignor Crown-Janine holds all other positions as the Statutory manager until such as time that a man or woman can step into this role with full accountability to act in the best interests of the people; and

18. I, Crown-Janine as Royal Assignor, Statutory Manager, Registrar and Sheriff over all

4. This FINANCING STATEMENT covers the following collateral:

entities made insolvent have travelled around the country to all councils to meet with all recently made insolvent CEOs and ministers and mayors where not one CEO or mayor or councillor turned up to the set meetings where all councils are now in defiance and operating unlawfully and in dishonour. The officers and mayors have already been informed that any charging of rates and property transfers or sales that have occurred since 22 October 2024 are unlawful where the officers who have authorised any of these to occur are criminally and commercially liable for these actions involving fraud and theft and money laundering. It is acknowledged that the whole system that has been set up in New Zealand is based on fraud and deceit where a new system is of the Kingdom of God is currently being implemented where full accountability is in place; and

19. Each council has already been provided with a direct order to stop placing fluoride in the water, due to the chemical mix being placed in the water containing neurotoxins affecting cognition and the pineal gland in the brain. The people in every area of New Zealand have clearly expressed that they did not want fluoride added to their water and they were ignored. Councils are supposed to exist to serve the people and the community, not do them harm. The ministers of parliament are now insolvent as well as Diana Sarfati the previous CEO of Ministry of Health who gave the directive to add the fluoride. As the Royal Assignor I am now sitting in that position as well as the Office of the Minister of Health and Frederick of the Royal House of Stewart is sitting in the office of Attorney General due to Judith Collins now being insolvent with full lawful rights of add, amend and delete laws and directives where harm or fraud or deceit is occurring; and

20. The jurisdiction of God allows a path for remedy and restorative justice. I do have remedy and a solution and willing to work with each officer and minister with the crown and council corporations if they are willing to step into full accountability to undo any harm caused. As the officers, mayors, councillors, and ministers have not complied with taking actions to remove harm there are warrants for their arrest due to the serious natures of their crimes; and

21. All officers within the police and ministers and CEOs and leaders of organisations providing directives are informed that the jurisdiction of Almighty God

In particular, no one shall be subjected without his free consent to medical or scientific experimentation', where clear evidence is showing that Christopher Luxon is participating in gene technology experimentation on the people that is a crime against humanity and against the Civil and Political rights. That the fraud in the loan and mortgage documents has also been fully exposed where summary judgement was won first against ASB BANK, and now all other banks including Reserve Bank of New Zealand, The Treasury, Kiwibank, BNZ, ANZ and Westpac. Lawyers and the Police and Real Estate Companies and Judges and Registrars are now being held accountable for their actions of forcing mortgagee sales and forcefully removing people from their homes where nothing of substance was ever loaned, the banks never co-signed these agreements, fraudulent joinder using with corporate fiction names where anytime fraud found contracts made null and void. See **Exhibits V, Z, AA, PP, and UU**. The whole crown corporate system and admiralty system and banking system is based on fraud and is in process of full collapse; and

16. That the Courts were also made insolvent on 10 June 2025 due to operating using fraud, deceit and trickery. The only lawful courts in operation in New Zealand since this time is the Royal Court of New Zealand and The Highest Court on Terra Earth which operate out of the jurisdiction under Almighty God which overrides all other jurisdictions. Police have continued to try and create fraudulent joinder with the corporate fiction names in all capital letters on driver's licenses to trick men and women into contract to take charge over them. All crown law is corporate law where there is only control over corporations, not people. The jurisdiction was lawfully changed from the corporations back to under our Creator where a corporation can never have control over a living man or woman without their consent. Control can only be taken over a living man or woman if there is evidence and proof of harm. As we are now under the Jurisdiction of our Creator, fortunately there is remedy for those who are willing to take responsibility to stop and undo harm. The lawful jurisdiction in New Zealand is now the Kingdom of God, the ten commandments and Love our Creator, Love our neighbour as ourself and do no harm, plus the measure you judge will be judged back to you if not taking full ownership and accountability of wrongs. The new system is already in place. This has been well publicised and agreed by 99% of all people who have read these values and principles and are on websites publicnoticesnz.com and nowfreedomforall.com and in **Exhibits OO**; and

17. That all Crown and Council officers and their leaders and the Courts and Registrars and Judges are now being held fully accountable for their actions. See Exhibit JJ. They have been operating out of legal corporate law which only has control over corporations. The difference between legal and law are clearly defined here. Legal is only over the corporate legal fiction names as created by the birth certificates and driver's licenses, where a corporation's main purpose is making money and corporation officers and owners have now gone too far with greed and control now causing harm; and

18. I, Janine the claimant require Evidence and Verification provided where the Evidence Act 2006, Section 7 states that must provide relevant and accurate information, and must reflect the correct identity, status, and timeline. Sections 128–135 of the Evidence Act require that documents must be produced upon lawful request. Officers and agents of the Crown Corporations are bound by the Crown, where I, Janine through undefended and unrebutted summary judgement are now the Crown, Commander, Chief and Statutory Manager over the New Zealand government Crown corporations where my orders must be complied with
